KELLOGG ARENA, BATTLE CREEK

2021 MHSAA GIRLS VOLLEYBALL FINALS

NOVEMBER 18-20

Welcome

Welcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That’s the beauty of educational athletics. The takeaways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

Congratulations for reaching the end of the tournament road. Good luck to all!

Amid Loss, Marian Gets Inspired Win

One of the great moments at the end of any MHSAA Final is the winning coach hoisting the trophy aloft and joining their players in celebration. Last January, Bloomfield Hills Marian volleyball coach Mayssa Cook passed on that moment, and in the process made it even more special for all involved.

Cook handed the honor off to Jacqui Feldman, the daughter of Dave Feldman, the Marian athletic director who died two days earlier after a long battle with COVID-19.

“It was so special,” Marian junior outside hitter Ava Brizard said. “Me, Sara Sylvester and Sophie Treder played with her our freshman year, so we know the Feldman family really well. It was so devastating to hear that he passed away the night before we were supposed to go to Battle Creek, because he was just as competitive as we were the whole season. He loved volleyball so much, and we know that. It was just kind of more fuel to our fire to win a state championship, as if we didn’t have enough already, to win it for him and win it for her. It was just so special for her to give us that trophy, because we were like, ‘We did it for your dad.’”

The players had Feldman in their hearts as they defeated Lowell 25-17, 25-20, 25-19 in the Division 1 Final at Kellogg Arena. It’s the Mustangs’ third title, and first since 2010.

“I think this whole season, it was just about resilience,” Brizard said. “Starting off in August, we didn’t get to start right away and we had to practice in the muddy water on the beach and the grass. We just dealt with all the punches that came our way this season, so to finally get here to Battle Creek and win the whole thing and play the way we did out there and play so amazing, it feels like all of our hard work paid off. Especially with Mr. Feldman passing, we feel so grateful that we can win it for him, and we know he’s definitely smiling and jumping around up in heaven, cheering us on.”

Marian (35-5) was solid in all phases, but Brizard’s dominance at the net was too much for Lowell to contain. She finished with 29 kills compared to

Junior outside hitter Ava Brizard was dominant for Marian in the Final vs. Lowell, crushing 29 kills with just four errors in 52 attacks as the Mustangs won their first title since 2010.

just four errors on 52 attacks. Her last three kills provided the final three points of the match.

“We do call her our finisher, our closer,” Cook said. “It’s one of those things they know that if she’s in the front row, we’re going to fight to keep her in the front row. Obviously, we have capable hitters all around. It’s nice, because she’s probably hitting close to .500 on the season, so at the end of the day, the odds are that one out of two balls is likely to be a kill. Let’s just play those odds.”

Brizard was fed by Ava Sarafa, who finished the match with 39 assists. Ella Schomer added eight kills and 11 digs for the Mustangs, while Lauren Heming had 15 digs.

Marian’s entire roster is eligible to come back next season, and while that’s nice to think about now, it was something that drove Cook and her team all season.

“A reporter was already talking about next year, and I said, ‘I don’t know why you’re talking about next year. This year’s not over, and we have

a mission, we have a goal,’” Cook said. “I went back to the team and said, ‘This is what this reporter said, can you believe it?’ We grab little things as coaches, and we use it as fuel to push them to go beyond their comfort zone.”

Lowell (35-5) was led by Jenna Reitsma, who had 22 kills, while Emily Struckmeyer had 10. Sophie Powell finished with 32 assists, and Emma Hall had 17 digs.

“(Reitsma) is phenomenal; she’s special,” Lowell coach Jordan Drake said. “I don’t know if I’ll ever coach a hitter like her again. She’s the best of the best. At the same time, she doesn’t get the kills she does without a good pass. She doesn’t get the kills she does without a good set. These three (seniors Reitsma, Powell and Hall) are like sisters, and it’s not just Jenna, it’s the whole team.”

It was the second straight Finals appearance for Lowell, and while neither ended with a title, that success has elevated the program to a new level.

GR Christian Streak at Three in D2

Grand Rapids Christian volleyball coach Tiffannie Gates said she knew Lake Odessa Lakewood wanted another crack at her team in the 2020 Division 2 Final. Lakewood earned that opportunity, but it was the Eagles who walked out of Kellogg Arena as champions.

Grand Rapids Christian defeated Lakewood 25-20, 25-20, 25-19 to claim its third-straight Finals title.

"I think each year has had its own special meaning to me as a coach with these championships," Gates said. "This year, with this group of seniors, has a very special place in my heart – they all do – but they've been here, most of them, from Day 1 as freshmen."

It's the third title in as many Finals trips for the Grand Rapids Christian program – and second straight against Lakewood – and after the match, the players were sporting shirts that had been made up for the occasion, which read, "Our tweets 3-peat."

"I can't even really put it into words right now, I don't think," Grand Rapids Christian senior Lauren Peal said. "It's still kind of setting in that that just happened, if I'm being honest."

Lakewood coach Cameron Rowland said it was Grand Rapids Christian's multi-dimensional attack that gave his team problems, specifically the contributions from middle hitters Stephanie Stewart and Kate Breems, who had nine and four kills, respectively.

Much of the credit for that goes to setter Alyssa DeVries, who had 43 assists while spreading the ball around the court.

"I think she had the best match of her season tonight," Gates said. "She transformed into a completely different player from the first day to today. I am extremely proud of her."

Addie VanderWeide led the Eagles' attack with 19 kills, while Evie Doezeema had 16. Peal added 17 digs, while VanderWeide had 11.

Aubrey O'Gorman led Lakewood with 17 kills; Maradith O'Gorman added eight kills and 15 digs. Bump had 23 assists.

The Kestrel is the official nickname of Monroe St. Mary Catholic Central. But as sports were put on pause late in 2020, the volleyball team found another animal to represent it and get it through the break.

"We definitely adopted some new mottos over the break," senior middle hitter Abbie Costlow said. "We got a lion – our team represents a lion. And that's really propelled us through this last run of the state playoffs. It's really helped us and driven our focus."

The Kestrels were lion-like when the tournament resumed, claiming their second straight Division 3 volleyball title with a dominant 25-19, 25-16, 25-8 win against Schoolcraft. It's the seventh title for the program, and for the second-straight year they capped it off with a win against Schoolcraft in a matchup of the division's top two teams in the rankings.

It also was the end of a dominant run for St. Mary, which won its final 23 sets and didn't drop one throughout the postseason.

While the 2019 Final was a five-set thriller, this edition was dominated by St. Mary throughout, as it charged out to a 6-0 lead in the first set and never looked back. The Kestrels trailed only once through the entire match, as Schoolcraft took a 2-1 lead in the third set. That was immediately wiped out, however.

The Kestrels' two-headed monster of Costlow and Mikayla Haut led a dominant attack, as Haut had 17 kills and Costlow had 14. Each were above 35 percent on their attacks, and the team was at 32.1 percent overall.

Nowak led the defense with 23 digs, while Haut – a Miss Volleyball finalist who is headed to Fairfield University in Connecticut – added 12. The Kestrels' two setters were also busy, as Kate Collingsworth had 28 assists, and Grace Lipford had 12.

Kelby Goldschmeding led Schoolcraft with 15 digs, while Allie Goldschmeding had 12. Kayla Onken had 15 assists for the Eagles (37-4), and Maggie Morris finished with nine kills.

Battle Creek St. Philip Adds to Record Title Total

For Battle Creek St. Philip volleyball, it must have felt like an eternity. The state's winningest program made its way back to the top in 2020, defeating Auburn Hills Oakland Christian 25-8, 25-15, 22-25, 22-25, 17-15 in the Division 4 Final at Kellogg Arena. It's the 21st title for the Tigers, and first since 2014.

St. Philip dominated the sport after the turn of the century, making 15 straight Finals appearances and winning 10 titles – including a record nine straight – from 2002-15.

"I think in the past – I don't think our team would take it for granted – I think our supporters took it for granted," said Vicky Groat, who has now won 11 titles as St. Philip coach. "We preach about it at the start of every year, our goal is to win a state title. That's what you want to strive for, and these kids believed in it."

It took everything the Tigers had to get No. 21, as Oakland Christian pushed them deep into the fifth set. The final frame ended with a Lancer attack going long, followed by St. Philip jubilation.

"It was mentally and physically draining," said St. Philip junior Brooke Dzwik, who had 37 kills in the match. "But at the end of the day, when you work your tail off and leave it all on the court, it makes the reward so much greater."

Title IX Turns 50, and Results Speak Volumes

To say that American female athletes dominated the recent Olympics in Tokyo would be an understatement. Among the 66 medals earned by American female Olympians – most by any country in the history of the Games – were gold-medal performances by the U.S. basketball, volleyball, water polo and beach volleyball teams. Eighteen medals were earned by the U.S. women swimmers, female track and field athletes claimed 15 medals, and the U.S. women’s softball and soccer teams won silver and bronze medals, respectively.

In the past 30 years of the Olympic Games, the United States has dominated the women’s team sports of basketball (nine golds), soccer (four golds, one silver, one bronze) and softball (three golds, two silvers) — not to mention the untold number of medals in track and field. And this past summer, the U.S. women’s volleyball team claimed its first gold medal.

These performances by some of our nation’s most skilled female athletes never would have been possible without the passage of Title IX and the offerings of these sports through our nation’s schools. With the chance to play afforded by the landmark Title IX legislation in 1972, girls participation in several high school sports skyrocketed in the years that followed.

When the NFHS conducted its first participation survey in 1971, basketball and outdoor track and field were the primary girls sports, comprising about two-thirds of the 294,000 total. However, with the opportunity to play additional sports, girls flocked to volleyball and softball first, along with cross country and eventually soccer.

Soccer, in fact, has had the most remarkable growth. In 1971, only 700 girls were playing high school soccer. Twenty-five years later, that number had climbed to almost 210,000; and as the 50th anniversary of Title IX approaches, there are now almost 400,000 girls playing high school soccer – a staggering 56,200 percentage increase in 50 years. Soccer now ranks fourth in popularity among girls high school sports – all because of that opportunity in 1972.

There are many other success stories, however. The pre-Title IX survey in 1971 indicated that 1,719 girls were participating in cross country. With increases every year until 2015, today, there are 219,345 girls competing in high school programs and the sport ranks sixth in popularity.

Although participation numbers have leveled a bit the past 10 years, fast-pitch softball is another sport that flourished after the passage of Title IX. With fewer than 10,000 participants in 1971, the numbers quickly rose to 220,000 by 1985 and 343,000 by 2000, and softball is currently fifth among girls sports with 362,038 participants.

Since track and field and basketball were the primary sports in the early days of girls sports programs, increases in those sports have not been as dramatic; however, they remain the first and third most-popular sports, respectively,

In the 50 years since the landmark Title IX legislation, girls around the nation have had plenty to celebrate.

today. Volleyball, however, much like soccer, continues its upward climb.

Without a doubt, volleyball has seen the steadiest increases among girls high school sports the past 50 years. After starting with 17,952 participants in 1971, the numbers jumped to 300,810 by 1990 and 409,332 by 2010 and 452,808 by 2018. During its climb, volleyball surpassed basketball as the No. 2 girls sport.

And among the top six girls sports from 2010 to 2018 (numbers are not available the past two years due to the pandemic), volleyball has gained the most participants (43,476), followed by soccer (32,549). And all of this has occurred thanks to legislation passed in 1972 that was not fundamentally meant to address opportunities for girls to participate in high school sports.

The NFHS is leading a yearlong celebration of the 50th anniversary of Title IX, which officially occurs on June 23, 2022. “Title IX at 50 – Celebrating and Growing Opportunities” is highlighting the law’s impact by celebrating the inspirational individuals and landmark moments in the history of Title IX, and continuing to grow the educational and competitive opportunities for the future.

The MHSAA is joining in the celebration with regular installments on its feature website, MHSAA SecondHalf. Join us in recognizing the key people who helped build and promote opportunities for female student-athletes in Michigan.

Scholar-Athlete Award in 33rd Year Awarding Scholarships to Students

Thousands of students voluntarily extend their classroom day by taking part in extracurricular activities, often improving their academic achievements in the process. The value that such programs play in the total education of a high school student is highlighted through the MHSAA/Farm Bureau Insurance Scholar-Athlete Award, which will award \$2,000 scholarships to 32 top student-athletes and recognize over 2,000 other outstanding individuals in 2021-22.

Underwritten by Farm Bureau Insurance, the Scholar-Athlete Award is now in its 33rd year, and presents scholarships to students in every MHSAA enrollment classification. The scholarships may be used at any institution of higher learning.

“It is amazing to see the number of young people who are proven achievers in academics and activities,” said Mark Uyl, executive director of the MHSAA. “At a time when our educational system is coming under fire, the Scholar-Athlete

Award is something that proves how important athletics are to the development of a well-rounded person.”

Students applying for the Scholar-Athlete Award must be graduating during the 2021-22 school year, carry a 3.5 grade-point average, and have previously won a letter in a varsity sport that the MHSAA sponsors postseason competition.

Applicants will also be required to show involvement in other school-community activities and submit an essay on the importance of sportsmanship in educational athletics.

Application materials can be found on MHSAA.com. Scan the code below to access the page.

Each MHSAA member school is allowed to nominate a number of student-athletes based on the size of the school. Class A schools can nominate six boys and six girls, Class B four boys and four girls, Class C three boys and three girls and Class D two boys and two girls. The first 30 scholarships will be awarded based on this graduated scale, with two additional scholarships intended for minority applicants.

A committee composed of school administrators from across the state will select regional and statewide winners.

Farm Bureau Insurance, a long-time supporter of MHSAA activities, also sponsors other educationally oriented programs.

The 32 scholarship recipients will be recognized at the MHSAA Boys Basketball Finals at the Breslin Student Events Center in East Lansing in March 2022.

The annual scholar-athlete ceremony is one of the highlights of the winter season. More information about the awards may be obtained by contacting your local school principal, athletic director or guidance counselor. The online application form can be found at MHSAA.com/scholarship.

Student Advisory Council Aids MHSAA

Eight student-athletes who are juniors at their schools during the 2021-22 academic year have been selected to serve two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of Association championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2021-22 are: **Sam Gibson**, Plainwell; **Brady Leistra**, East Grand Rapids; **Caroline Li**, Okemos; **Sam Matias**, Lansing Catholic; **Zar'ria Mitchell**, Saginaw Heritage; **Carney Salo**, Escanaba; **Brandon Thompson**, Petersburg Summerfield; and **Keira Tolmie**, Clarkston.

Those eight new members were selected from 114 applicants. That applicant total was 40 percent more than the total number of applicants who generally apply for SAC positions every year.

The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 122 schools from 46 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 12 MHSAA sports, and five will be the first SAC members from their respective schools.

The Student Advisory Council generally meets seven times each school year, and once more for a 24-hour leadership camp. Last school year, due to COVID-19, the Council met nearly twice as many times, but virtually all but once when members met for an outdoor, socially-distanced session.

In addition to assisting in the promotion of the educational value of interscholastic

Student Advisory Council Belief Statement

As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.

*We believe **athletes** should be competitive, sportsmanlike and excel academically. We believe **students** in the stands should have fun, but not take the focus away from the game. We believe **coaches** should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that **parents** should always be positive role models and be supportive of their child's decisions. We believe **officials** commit their own time to high school sports and respect should always be shown and given to them.*

The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.

athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

The new additions to the SAC will join the Class of 2022 members who were

selected a year ago: **Brinlee Barry**, Caledonia; **Faith Breinager**, Frankenmuth; **Amina Ferris**, Dearborn; **Nico Johnson**, Britton Deerfield; **Brenna Kosal**, Peck; **Ashton McNabb**, Three Oaks River Valley; **Brock Porter**, Orchard Lake St. Mary's; and **Melik Williams**, Ypsilanti Lincoln.

The MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, nonpublic schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

Finals Notes

Your Officials Today

Just as the participants on the teams at this year's Finals are realizing a dream of vying for top honors, another group of individuals are also reaching a goal for the hard work they have put in by being assigned to officiate the action.

Officials for MHSAA Finals are selected based on the recommendations and ratings by schools, as well as from input from local officials associations.

These officials believe that interscholastic athletics are truly educational in nature, and work to uphold that standard. Like the athletes in the Finals, officials come from all corners of Michigan.

Selected to work this year's Semifinals / Finals are: **Brian Gould**, Mount Pleasant; **Sharon Lucey**, Reed City; **Lori Spelde**, Grand Haven; **Kelli Hart**, Williamston; **Gretchen Galloway**, Zeeland; **Nancy Brucken**, Ann Arbor; **Paul Matson**, Holly; **Katherine Dolfman**, Delton; **Mark Petrie**, Marquette; **Gary Cook**, Rochester; **Todd Kline**, Grand Rapids; **Michael Hashley**, Harrison Township.

Congratulations to this year's Final officials. If you are interested in becoming a registered game official in any sport, contact the MHSAA at 1661 Ramblewood Drive, East Lansing, MI 48823, or register online at mhsaa.com.

Behind The Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, more than 8,000 game officials and 50,000-plus administrators and coaches at over 1,500 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of District, Regional and Final level tournaments by school administrators who serve as the site managers for these games.

The behind the scenes work of these individuals and their staffs make sure that tournament competition is a memorable experience for the participants.

The MHSAA thanks the tournament managers for the 2021 Girls Volleyball Finals, **Jay Gladstone** of the Calhoun County CVB and **Ben Randels** of Kellogg Arena in Battle Creek. Assisting are area athletic directors **Kyle Kracht**, Battle Creek Lakeview; **Brett Steele**, Battle Creek Pennfield; **Ed Greenman**, Battle Creek Harper

Creek; **Vicky Groat**, Battle Creek St. Philip. Tournament staff: head scorekeeper **Lurinda Shrauger**; scoreboard operator **Kelly Quartermaine**; libero tracker **Lori Klok**; spotter **Karyn Furlong**; announcer **Jack Schuett**; music **Chad Dishaw**.

Coordinating the Finals from the MHSAA office is Assistant Director **Andi Osters**. Assisting with tournament operations are **Nikki Norris**, East Lansing HS, and **Paige Winne** and **Rob Kaminski**, MHSAA. Officials Crew Chiefs are **Candice Whitney** and **Debby Karabees-Betts**. The Michigan Interscholastic Volleyball Coaches Association provides ball handlers and hosts the players lounge.

Statistical Coordinators for this weekend are **Geoff Henson**, **Bobby Lee** and **Nikole Lee**.

Line judges for the Semifinals and Finals are members of the Capital Area Association of Volleyball Officials. They are: **J.C. Bard**, **Dennis Betts**, **Amy Constine**, **Paul Constine**, **Scott Heckman**, **Tess Layman**, **Amy Miles**, **Brian Pufpaff**, **William Theibert**, **Madeline Veale** and **Philip Whitcomb**.

Awards Presentations

The awards will be presented by MHSAA Representative Council members **Vicky Groat** (Battle Creek St. Philip HS) and **Karen Leinaar** (Michigan Interscholastic Athletic Administrators Association).
