# 2024 COMPETITIVE CHEER FINALS

March 1-2

## Welcome

**W**elcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That’s the beauty of educational athletics. The takeaways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

Congratulations for reaching the end of the tournament road. Good luck to all!

— Mark Uyl  
MHSAA Executive Director

**C**roswell-Lexington senior Noelle Golda said her team pushed itself to overcome a different challenge every day in practice during 2023, which gave it the confidence to shock the state at the Finals.

That new-found belief allowed the Pioneers to move past two perennial powers and win the Division 3 MHSAA Competitive Cheer championship at McGuirk Arena in Mount Pleasant.

It was the first time Croswell-Lexington finished better than fourth at the Finals, and it was the first time since 2011 that a school other than Richmond or Pontiac Notre Dame Prep won the D3 title.

“Every day we gave ourselves a different type of challenge so that we could feel what it’s like to break through,” explained Golda, one of eight seniors on the 28-athlete roster, as she wiped away happy tears.

Croswell-Lexington won with a score of 776.72, followed by Notre Dame Prep (776.02) and then Richmond (774.96). Grosse Ile, which turned in the best Round 3 score, was fourth (774.92) and Paw Paw fifth (768.22).

Cros-Lex, as the Sanilac County school located in Michigan’s Thumb is popularly known, finished second in the Blue Water Area Conference, second in Districts and third in Regionals. But on the sport’s biggest stage, nobody handled the pressure better than the Pioneers.

“It was really a matter of finally believing in ourselves – not just that we were a good team, but that we were a state championship team,” said eighth-year Pioneers coach Katie Tomlinson. “We have struggled with that for so long, and today we broke through it.”

Richmond and Notre Dame Prep both struggled uncharacteristically in Round 3 under extreme pressure, while Croswell-Lexington, perhaps a little under the radar in third place, was nearly flawless in the final round.

**Division 1**

The joyful outpouring and high-pitched shrieks that rocked McGuirk Arena in Mount Pleasant at the 2023 MHSAA Division 1 Competitive Cheer Finals were six years in the making.

That was the scene when the final scores were read and Rochester realized it had edged its archrival from down the road, three-time reigning champion Rochester Adams, by less than a single point to win its first title since 2017.

There were screams, leaps, smiles and hugs – the kind of pure emotion that is rare, but happens in high-level sporting competition.

“It doesn’t feel real,” Rochester senior Ava Grabke said amongst the chaos. “All the hard work we’ve put in this season, really all of these years, finally did pay off.”

Rochester won with a three-round total of 790.62, with Adams less than a point behind at 789.72.

Rochester has the most cheer titles in state history (now 15), but in recent years, rival Adams has had the upper hand – winning the previous three Division 1 championships and edging the Falcons at the season’s District and Regional.

But, it was Rochester, under the direction of first-year coach Samantha Koehler, which got off to a great start in Round 1 and held off a fierce challenge from Adams.

**Division 3**

It was Gibraltar Carlson’s turn to triumph in what has become one of the state’s most intense high school rivalries.

The Marauders seized control of the MHSAA Division 2 Competitive Cheer Final from the start, then held off a valiant push from archival Allen Park to win the 12th cheer state championship in school history.

“We came in with the mindset of winning,” said Carlson senior Kaitlynn Demers. “We do these things in practice until they are perfect, so that we can bring them out here on the mat.”

Carlson and Allen Park were both more than eight points ahead of the field after two rounds, then distanced themselves even further by nailing their challenging Round 3 routines.

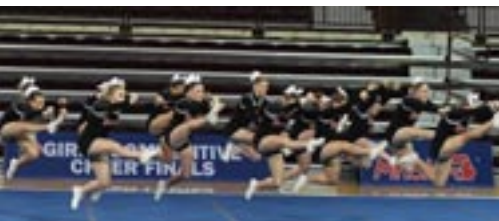

Carlson won the meet at 789.54, a little over a half-point better than Allen Park (788.86). Dearborn Divine Child (774.96) took third, followed by Bay City Western (767.94) and Middleville Thornapple-Kellogg (762.28).

“Both teams are truly incredible,” said second-year Carlson coach Alyssa Tocco, who, ironically, is a 2016 graduate and former cheerleader at Allen Park. “When you beat Allen Park, you’ve done something special.”

**Division 4**

Hudson High School is going to need a bigger trophy case, and soon, the way its winter sports teams are piling up championships.

Hudson’s competitive cheer team won its fourth-straight MHSAA Division 4 title in 2023, and the Tigers now have finished either first or second in the state seven years in a row.

“Do you want me to cry?” said 26th-year Hudson coach Kelly Bailey when asked about her emotions shortly after her team’s dominant 771.04-point performance, more than 25 points ahead of the field. “We gave them some tough stuff each round and that added to the pressure, but they wanted the challenge and they wanted to do it. They pulled it off.”

Hudson’s cheer program is engaged in a healthy competition with the school’s wrestling program, which five days earlier won its 10th Division 4 team title over the past 14 years.

Hudson produced the highest score in all three rounds, never allowing the other seven teams to gain momentum in an upset bid.

# School Spirit is Defining Difference in HS Sports

As Education-based sports in our nation's schools are different than any other level of competition.

Youth leagues and club sports often require significant entry fees, and in many cases, the focus is on competitive success with little concern for skill development, team building or sportsmanship.

High-profile college sports have been disrupted by issues concerning media contracts, NIL and the transfer portal, with the environment a bit like the "Wild West" on campuses throughout the country.

Professional sports, of course, are about the most elite performance, entertainment and winning championships.

Sports in our nation's 19,800-plus high schools instead are much more focused on education, relationships, team unity, having fun and school spirit.

School spirit is perhaps the defining difference between interscholastic and other levels of sports – having pride in one's school, maintaining a connection to the school and coaches for life, supporting all school teams and programs whether a participant or a fan, and contributing to the bond between school and community.

On an individual basis, pride is a key component of school spirit. Students who become involved in sports take pride in their teams and school and tend to carry that pride to their future careers after high school.

High school sports have the potential to boost the spirit of communities as well. There are countless examples every year but one such community was the small town of Fertile, Minnesota, located about 270 miles northwest of Minneapolis. In 2021, Jude Olson, a junior on the Fertile-Beltrami High School nine-player football team, was killed in an accident, which shook the approximately 1,000 residents of Fertile.

Last year, however, the Fertile-Beltrami football team provided a positive boost to the town with an undefeated regular season and a first-ever trip to the Minnesota State High School League Nine-player State Football Championship at U.S. Bank Stadium in Minneapolis.

According to an article in the Grand Forks (North Dakota) Herald, many of the town's residents did not have the means to make the five-hour trek to the game. As a result, local businesses and farmers donated \$25,000 for five charter buses to make sure every fan who wanted to make the trip had a free ride to the game.

"It means a lot to the whole town," said Jodie Strem, the co-owner of Fertile Oil Company. "We want (the players) to look in the stands and see us and know we are there for them. We are coming down full force."

While the Fertile-Beltrami Falcons lost to LeRoy-Ostrander in the MSHSL Nine-player Championship, the players and the 274 fans who made the journey will remember much more than the outcome of the game.

This is school spirit at its core and why high school sports are different.

High school activity programs boost the spirit of individuals, teams and communities. Research indicated that in 2020 when these programs were shut down because of the pandemic, the mental health of students was drastically compromised.

In the post-pandemic world, there are fewer face-to-face meetings. High school activities have played a major role in bringing people back together. We know that when schools have strong school spirit, communities respond with support and increased attendance.

School spirit and sportsmanship go hand in hand. If school spirit is channeled in a positive way, and expectations for good sportsmanship are communicated and enforced by school administrators, positive fan experiences will occur.

A survey several years ago by Varsity Brands concluded that high school students with school spirit performed better academically, were more engaged in social and civic matters, and were happier in general than their less-spirited peers.

The survey indicated that the benefits of school spirit are not just confined to the school years. The study suggested that school spirit can have lasting effects, including higher aspirations for continuing education and greater success in later life.

We are pleased to report that Varsity has commissioned a new research study, which will examine the post-pandemic educational landscape and attempt to understand how the return to in-person schooling has influenced school spirit and its profound impact on student learning, leadership and personal growth. We look forward to sharing the results of this survey down the road.

As the calendar turns to 2024, it is a great opportunity to renew commitments to these programs that involve more than 12 million participants in sports and performing arts – programs that foster and celebrate school spirit.

# Scholar-Athlete Class of 2024

The Michigan High School Athletic Association/Farm Bureau Insurance Scholar-Athlete Award has been recognizing the top student-athletes for 35 years. Applicants for the Scholar-Athlete Award must meet the following criteria: A minimum cumulative grade-point average of 3.5 on a 4.0 scale; and must have previously won a varsity letter. Applicants also show involvement in other school and community activities; submit two letters of recommendation and a 500-word essay on the importance of sportsmanship in educational athletics.

Recipients of the 2023-24 Scholar-Athlete Award receive a \$2,000 college scholarship to be used at the college, university, or trade school of their choice during the 2024-25 school year. This year, a total of 1,607 applications from 445 schools were received for the 32 scholarships. Class A students were guaranteed 12 winners, Class B eight winners, Class C six winners and Class D four winners. Two at-large winners were also selected.

All scholarship recipients will be honored during the MHSAA Boys Basketball Finals at the Breslin Center in East Lansing this March.

# Student Advisory Council Aids MHSAA

**E**ight student-athletes who will be juniors at their schools during the 2023-24 academic year have been selected to serve two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of Association championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2023-24 were: **Cale Bell**, Sault Ste. Marie; **Drew Cady**, Oxford; **Macy Jenkins**, Milford; **Isaiah Kabban**, Harbor Beach; **Ella Knudsen**, Leland; **Kaylee Kranz**, Clinton; **Joey Spada**, Kalamazoo Central; and **Anna Zoet**, Grandville Calvin Christian.

Those eight new members were selected from 105 applicants. That number of applicants was the fourth-most ever, with the last four years featuring the four highest totals.

The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class, members will have represented 137 schools from 50 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 16 MHSAA sports, and all eight will be the first SAC members from their respective schools.

The Student Advisory Council generally meets seven times each school year, and once more for a 24-hour leadership camp. In addition to assisting in the promotion of the educational value of interscholastic athletics, the Council dis-

## Student Advisory Council Belief Statement

*As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.*

*We believe **athletes** should be competitive, sportsmanlike and excel academically. We believe **students** in the stands should have fun, but not take the focus away from the game. We believe **coaches** should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that **parents** should always be positive role models and be supportive of their child's decisions. We believe **officials** commit their own time to high school sports and respect should always be shown and given to them.*

*The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.*

cusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

This school year, the Council will hand out championship trophies at Finals events, deliver a message about sportsmanship during Summits, and provide feedback to the MHSAA Representative Council

on proposed rule changes.

The new additions to the SAC joined the Class of 2024 members who were selected a year ago: **Kannon Duffing**, Manchester; **Claire Gorno**, Gaylord; **M'Khi Guy**, Muskegon; **Dawsen Lehew**, Marcellus; **Christian Sanders**, Detroit Renaissance; **Ben Sytsma**, Grand Rapids Christian; **Madie Werner**, Bay City All Saints; and **DaNia Womack**, Dearborn Advanced Tech Academy.

# MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, non-public schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

# I AM HENRY

## At Henry Ford Sports Medicine, we treat the pros, and you.

From surgery to cardiology, nutrition to performance conditioning, sports psychology to brain health—we're focused on you. Using the most innovative technology, we create your unique game plan, just like we do for the pros—and just like we did for Emiliana, a point guard who led her basketball team to an undefeated season in their division. After reconstructive surgery and physical therapy for a complete ACL tear and medial and lateral meniscal tears, she's now on the road to recovery. **Discover Emiliana's story, and learn more about our sports medicine program at [henryford.com/athletes](https://henryford.com/athletes)**

# FINALS NOTES

## Your Officials Today

Just as the participants on the teams at this year's Finals are realizing a dream of vying for top honors, another group of individuals are also reaching a goal for the hard work they have put in by being assigned to officiate the action.

These officials believe that interscholastic athletics are truly educational in nature, and work to uphold that standard. Like the athletes in the Finals, officials come from all corners of Michigan.

Selected to work this year's Girls Competitive Cheer Finals are: **Karla Koviak**, Paw Paw; **Mary Kay Gavitt**, Grand Ledge; **Michelle Turpin**, Shepherd; **Cheri VanConant**, Rochester; **KC Gimme**, St Johns; **April Davenport**, Mattawan; **Amy Gardner**, Houghton Lake; **Terri Richards**, Comstock Park; **Cindy Tyzo**, West Bloomfield; **Jane Plaisted**, Grand Rapids; **Noelle Cole**, Metamora; **Ryan Collins**, Romeo; **Monte Keen**, Swartz Creek; **Stephanie Unger**, Royal Oak; **Candy Cox**, Quincy; **Tara Jones**, Kentwood; **Barbara Gemellaro**, Rochester; **Jann Stahr**, Flat Rock; **Pamela Ingles**, Greenville; **Mary Post**, Walker; **Jaime Loch**, Rochester; **Paula Carroll-McAllister**, Fenton; **Kelli Polinskey**, Grandville; **Melanie Briggs**, Flint; **Juli Brown**, Fenton; **Amanda Hartledge**, Clarkston; **April Hooker**, Battle Creek; **Diana Dildine**, Grand Rapids; **Melissa Harrison-Hodges**, Bridgman; **Amy Braun**, South Lyon; **Jennifer Allen**, Harrison Township; **Dee Hammond**, Lansing.

Congratulations to this year's Finals officials. If you are interested in becoming a registered game official in any sport, contact the MHSAA at 1661 Ramblewood Drive, East Lansing, MI 48823, or register online at [MHSAA.com](http://MHSAA.com).

## Behind the Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, over 10,000 game officials and 50,000-plus administrators and coaches at over 1,300 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of District, Regional and Final level tournaments by school administrators who serve as the site managers for these events.

The behind the scenes work of these individuals and their staff make the tournament competition a memorable experience for the participants.

The MHSAA would like to thank the tournament managers for the 2024 Girls Competitive Cheer Finals — **Cole Andrews**, **Kassy Clark**, **Kevin O'Rourke**, **Danielle Stulp** and **Vic Villarreal** from Rockford High School.

Coordinating the Finals from the MHSAA office is Senior Assistant Director **Kathy Vrugink Westdorp**. Assisting with operations are **Laura Roberts**, **Jon Ross** and **Paige Winne** of the MHSAA Staff.

## MHSAA Finals Coverage on the Web
