

"Be The Referee" is a series of one-minute messages designed to help educate people on the rules of different sports, to help them better understand the art of officiating, and to recruit officials. "Be The Referee" features MHSAA Assistant Director Mark Uyl's insights on officiating.

Legacy Program

The MHSAA's Legacy Official Program is a great way for high school junior and senior students to get involved in officiating.

The Legacy Program allows these current high school students to register and work games at the subvarsity and junior high level.

Each Legacy official is paired with a Mentor official, a long-time official who has years of experience they can pass on to the brand new official.

The Legacy Program is a way that an official can get started on the right foot, with a strong system and mentor system, to where the lessons learned in the first few years of officiating can bear fruit for many years.
