TO: **REGIONAL** Ski Meet Managers
FROM: Gina Mazzolini, Assistant Director
RE: Procedures for Conducting 2012 Regional Ski Meets

Thank you in advance for hosting a Regional Ski Meet this year. We are aware that it is a major undertaking and truly appreciate all your time and efforts.

The forms you will need in conjunction with running your Regional Ski Meet are on our MHSAA Web site for you to download. Also, on this Web site are the most current school assignments, tournament locations and Ski Manual. The MHSAA Ski manual and the Rules & Interpretations includes all the specifics for meet administration.

Please do not accept entry materials from schools that are not included on the list of schools and assigned to your meet. Refer this type of inquiry to MHSAA at 517-332-5046 and I will make the assignment. Please note the definition of a team; there must be a minimum of four people on a team (entered and actually ski in each discipline).

The Opt-Out deadline date – 4 p.m., Friday, Feb. 10, 2012. If there is a question regarding a late entry, do not hesitate to call this office. (REMEMBER - NO ENTRY IS TO BE ACCEPTED AFTER 4 p.m. ON FEB. 10, UNLESS IT IS ACCOMPANIED BY A \$50 CHECK AND BOTH ARE RECEIVED BEFORE THE FLIGHTS ARE DRAWN.)

1. Email or Fax the results of your meet to the Final Meet Manager immediately following the meet:

DIV 1: Nubs Nob – Manager, Patti Tibaldi, Traverse City West HS FAX: 231-933-7782

DIV 2: Boyne Highlands – Manager, Gary Hice, Petoskey HS FAX: 231-348-2170

2. Send the Running Order Form and Eligibility Lists for qualified teams and individuals along with the Report of Qualifiers to the Final Manager. Include full names and grades.

Please take a moment, after calling the Final Meet Manager, to call your local area media.

We request that any information you prepare and send to the assigned schools also be provided this office for our files and information. Many times we are asked questions regarding particular Ski Regionals and are unable to assist if we do not have the information that has been sent to the respective schools. Your help in this matter would be appreciated.

The MHSAA will send ski bibs which the participants must wear for the competition. **All Regions and each Final will use MHSAA issued Lycra bibs. Each skier must wear the bib and bib number assigned to them by the host management. AFTER the meet, the individual must return the bib to the meet manager. The school is responsible for any bib not returned to the host. A cost of \$25 (payable to the MHSAA) will be charged to the school for each missing bib.**

The trophies and medals will be shipped directly to your site. Upon arrival, please verify that the condition and the amount of trophies and medals are correct. If there is a discrepancy, please contact this office immediately.

By Representative Council action, the MHSAA cannot assume the costs for hospitality. If you wish to furnish hospitality rooms, food, etc., you may do so, but at your own expense.

The MHSAA will not purchase or reimburse a school for equipment that is used to run a regular season meet. (This includes, but is not limited to watches, gates, computer cartridges, clipboards, officials' bibs, etc.) In addition, coaches who have a team competing, will not be compensated for also "officiating" at the same meet.

<<All reimbursements are subject to approval by the MHSAA staff.>>

Managers, after consulting with the MHSAA, shall have final say if weather problems dictate the need to vary from the scheduled meet format or plan.

Enclosed in this memo is a schedule for Regionals. The time may be adjusted, but the format must be consistent for all meets. (Also see page 6 & 7 of Ski Manual)

As per Ski Committee recommendation, the Meet Director should select a jury to give input to course setters.

When teams are delayed in arriving at tournament sites because of inclement weather:

1. Management is encouraged to consider delaying competition for a few hours and/or playing games/matches in brackets of teams/individuals that are present and prepared to participate.
2. If, after a reasonable delay, fewer than 60% of the scheduled teams/individuals have not arrived, the tournament must be re-scheduled.
3. If 60% or more of the scheduled teams/individuals are present, the tournament is to be conducted on the day scheduled.

The following policies are in effect for all MHSAA meets and tournaments:

1. There is to be no sale of merchandise other than MHSAA merchandise at the Final Meet.
2. There are to be no raffles, 50-50 drawings or games of chance on the premises of or in connection with any MHSAA event.
3. No awards are to be presented to anyone except those to the athletes by the MHSAA.
4. Penalty for Unsportsmanlike Conduct: the meet manager shall penalize improper language and unsportsmanlike conduct by adding a maximum of 5 points to the teams total and/or 5 seconds to an individual's total time.
5. There are to be no banners or signs which advertise organizations, associations or companies other than MHSAA corporate sponsors.

TAUNTING - MHSAA Handbook Regulation V, Section 3, "Sportsmanship"

Taunting includes any actions or comments by coaches, players or spectators which are intended to bait, anger, embarrass, ridicule or demean others, whether or not the deeds or words are vulgar or racist. Included is conduct that berates, needles, intimidates or threatens based on race, gender, ethnic origin or background, and conduct that attacks origin or background, and conduct that attacks religious beliefs, size, economic status, speech, family, special needs or personal matters. Examples of taunting that would lead to ejection include, but are not limited to, "trash talk"; physical intimidation outside the spirit of the game; reference to sexual orientation; "in the face" confrontation by one player to another; standing over/straddling a tackled or fallen player.

In all sports, officials are to consider taunting a flagrant unsportsmanlike foul that disqualifies the offending bench person or contestant from the contest/day of competition (and next contest/day of competition). A warning may be given, but is not required before ejection.

At all MHSAA tournament venues, tournament management may give spectators one warning for taunting. Thereafter, spectators who taunt others are to be ejected by security.

DISQUALIFICATION RULE - This rule applies to athletes and coaches alike. If a disqualification is given, the recipient is disqualified for the rest of the contest and the next day of competition. For misconduct purposes, the Regional and Final are considered one meet. If a disqualification is given at the Regional level, the student/coach is eliminated from Final competition.

INJUNCTION OR RESTRAINING ORDER PROCEDURE - In the interest of fairness to all participants, if an injunction or restraining order is served or presented at an MHSAA tournament site and such purports to require the eligibility of or participation by a student or team which a school and/or the MHSAA has ruled to be ineligible under MHSAA regulations, the on-site tournament manager is to suspend the entire competition (team competition) or events in which that student is intending to participate (individual competition). If the meet has begun, it shall be completed.

1. Individuals or teams which are defeated by an ineligible opponent or teams which allowed one or more ineligible students to participate do not advance in MHSAA tournaments.
2. If placements in MHSAA tournaments are vacated as a result of an individual being ineligible or a team allowing one or more ineligible students to participate, other individuals or teams neither advance to those placements nor receive awards for those places.

TOURNAMENT WITHDRAWAL POLICY - Tournament management is to contact the MHSAA office if a school withdraws or fails to show for scheduled competition after the draw is completed for team sports or the pairings, heat assignments or flights are determined for individual sports of the first level of the MHSAA tournament in a sport. The MHSAA staff person responsible for the sport will request from the school principal a written explanation for the no-show/withdrawal. If the reason is determined to be unacceptable by MHSAA staff, the MHSAA Executive Director will place the school on probation for the next two school years. A second offense within the two-year-probationary period will cause the school to be prohibited from tournament play in that sport for the two years following the second offense.

TOBACCO AND ALCOHOL POLICY AT MHSAA TOURNAMENTS

1. Policy: For coaches and officials at all MHSAA tournaments, use of tobacco products of any kind within sight of players and spectators and use of alcohol during a contest or at any time before it on the day of the contest is prohibited.

2. Enforcement:

a. Tobacco - It is not intended that a violation of the tobacco policy should lead to immediate ejection of a coach. He or she should be reminded of the policy and reported to his or her school administration after the contest. Only if the coach is unwilling to comply promptly should he or she be disqualified from coaching at the event. Officials should be reminded of the tobacco policy and reported in writing by the tournament manager to the MHSAA.

b. Alcohol - Historically, officials promptly disqualified coaches, and tournament managers immediately replaced officials who were under the influence of alcohol; and no change in such procedures is intended by these policies.

The MHSAA does not reimburse workers who are hired by the local tournament manager for any activity which produces revenue for the local site. This includes concession workers, sellers of programs or merchandise, and parking attendants.

We appreciate your continued cooperation.

RE: 2012 Final Ski Meet Information

Thank you in advance for hosting the MHSAA Ski Finals. We realize the preparation and actual running of the event is a major undertaking and truly appreciate all your efforts.

The forms you will need in conjunction with running your Final Ski Meet are on our MHSAA Web site for you to download. Also, this Web site has the Ski Coaches Manual and the most current school assignments and tournament locations. The Ski manual includes all the specifics for meet administration.

There are a few reminders I would like to bring to your attention. The first has to do with awards. The student-athletes may receive only those provided by the MHSAA. No outside organization or group may present additional awards. Banners or signs to advertise organizations or companies are prohibited unless they are directly related to the MHSAA name or sponsor. In addition, raffles, 50-50 drawings or games of chance on the site or in connection with the MHSAA meet are prohibited.

The MHSAA will send ski bibs that the participants must wear for the competition. **Each Final will use MHSAA issued lycra bibs. Each skier must wear the bib and bib number assigned to them by the host management. AFTER the meet, the individual must return the bib to the meet manager. The school is responsible for any bib not returned to the host. A cost of \$25 (payable to the MHSAA) will be charged to the school for each missing bib. The hosts are to return the bibs to the MHSAA office.**

The trophies and medals will be shipped directly to your site. Upon arrival, please verify that the condition and the amount of trophies and medals are correct. If there is a discrepancy, please contact this office immediately.

*The MHSAA will not reimburse a school for equipment purchased that will be used for running regular season competitions (i.e., watches, gates, drills, wrenches, etc.)

The last two policies in effect for the Ski Finals are the inclement weather policy and the Injunction/Restraining Order Procedure. If you should have questions on either one, please call.

Injunction or Restraining Order Procedure:

Managers are reminded of the following statement adopted by the Representative Council and which is in effect for all MHSAA tournaments:

"In the interest of fairness to all participants, if an injunction or restraining order is served or presented at an MHSAA tournament site and such purports to require the eligibility of or participation by a student or team

which a school and/or the MHSAA has ruled to be ineligible under MHSAA regulations, the on-site tournament manager is to suspend the entire competition (team competition) or events in which that student is intending to participate (individual competition). If the meet has begun, it shall be completed.”

- A. Individuals or teams which are defeated by an ineligible opponent or teams which allowed one or more ineligible students to participate do not advance in MHSAA tournaments.
- B. If placements in MHSAA tournaments are vacated as a result of an individual being ineligible or a team allowing one or more ineligible students to participate, other individuals or teams neither advance to those placements nor receive awards for those places.

When teams are delayed in arriving at tournament sites because of inclement weather:

1. Management is encouraged to consider delaying competition for a few hours and/or playing games/matches in brackets of teams/individuals that are present and prepared to participate.
2. If, after a reasonable delay, fewer than 60% of the scheduled teams/individuals have not arrived, the tournament must be rescheduled.
3. If 60% or more of the scheduled teams/individuals are present, the tournament is to be conducted on the day scheduled.

***Tournament Management may alter format for weather related conditions.**

FAQ's:

1. Rules – The MHSAA Ski Manual is the official rule book for MHSAA ski competition.
2. Lift Tickets – The MHSAA will pay \$15 per skier. If the lift ticket cost is more than the \$15, each school team will be responsible for the additional cost.
3. Individual Qualifiers – Any individual in the top ten who isn't on a team which qualified will advance to the Final Meet or at minimum, the top four individuals not on a qualifying team will advance.
4. Expenses – The competing schools will assume their own expenses incurred with the meet.

TAUNTING - MHSAA Handbook Regulation V, Section 3, "Sportsmanship"

Taunting includes any actions or comments by coaches, players or spectators which are intended to bait, anger, embarrass, ridicule or demean others, whether or not the deeds or words are vulgar or racist. Included is conduct that berates, needles, intimidates or threatens based on race, gender, ethnic origin or background, and conduct that attacks origin or background, and conduct that attacks religious beliefs, size, economic status, speech, family, special needs or personal matters. Examples of taunting that would lead to ejection include, but are not limited to, "trash talk"; physical intimidation outside the spirit of the game; reference to sexual orientation; "in the face" confrontation by one player to another; standing over/straddling a tackled or fallen player.

In all sports, officials are to consider taunting a flagrant unsportsmanlike foul that disqualifies the offending bench person or contestant from the contest/day of competition (and next contest/day of competition). A warning may be given, but is not required before ejection.

At all MHSAA tournament venues, tournament management may give spectators one warning for taunting. Thereafter, spectators who taunt others are to be ejected by security.

DISQUALIFICATION RULE - This rule applies to athletes and coaches alike. If a disqualification is given, the recipient is disqualified for the rest of the contest and the next day of competition. For misconduct purposes, the Regional and Final are considered one meet. If a disqualification is given at the Regional level, the student/coach is eliminated from Final competition.

INJUNCTION OR RESTRAINING ORDER PROCEDURE - In the interest of fairness to all participants, if an injunction or restraining order is served or presented at an MHSAA tournament site and such purports to require the eligibility of or participation by a student or team which a school and/or the MHSAA has ruled to be ineligible under MHSAA regulations, the on-site tournament manager is to suspend the entire competition (team competition) or events in which that student is intending to participate (individual competition). If the meet has begun, it shall be completed.

1. Individuals or teams which are defeated by an ineligible opponent or teams which allowed one or more ineligible students to participate do not advance in MHSAA tournaments.

2. If placements in MHSAA tournaments are vacated as a result of an individual being ineligible or a team allowing one or more ineligible students to participate, other individuals or teams neither advance to those placements nor receive awards for those places.

TOURNAMENT WITHDRAWAL POLICY - Tournament management is to contact the MHSAA office if a school withdraws or fails to show for scheduled competition after the draw is completed for team sports or the pairings, heat assignments or flights are determined for individual sports of the first level of the MHSAA tournament in a sport. The MHSAA staff person responsible for the sport will request from the school principal a written explanation for the no-show/withdrawal. If the reason is determined to be unacceptable by MHSAA staff, the MHSAA Executive Director will place the school on probation for the next two school years. A second offense within the two-year-probationary period will cause the school to be prohibited from tournament play in that sport for the two years following the second offense.

TOBACCO AND ALCOHOL POLICY AT MHSAA TOURNAMENTS

1. Policy: For coaches and officials at all MHSAA tournaments, use of tobacco products of any kind within sight of players and spectators and use of alcohol during a contest or at any time before it on the day of the contest is prohibited.

2. Enforcement:

a. Tobacco - It is not intended that a violation of the tobacco policy should lead to immediate ejection of a coach. He or she should be reminded of the policy and reported to his or her school administration after the contest. Only if the coach is unwilling to comply promptly should he or she be disqualified from coaching at the event. Officials should be reminded of the tobacco policy and reported in writing by the tournament manager to the MHSAA.

b. Alcohol - Historically, officials promptly disqualified coaches, and tournament managers immediately replaced officials who were under the influence of alcohol; and no change in such procedures is intended by these policies.

The MHSAA does not reimburse workers who are hired by the local tournament manager for any activity which produces revenue for the local site. This includes concession workers, sellers of programs or merchandise, and parking attendants.

We appreciate your continued cooperation.
