GENERAL POLICIES & PROCEDURES BOYS SWIMMING & DIVING FINALS MANAGERS (Alphabetical by topic)

ADMISSION – Ticket prices for the MHSAA Swimming & Diving Tournaments will be \$5/person for the Regional Diving qualifying meets and \$8 /person for each day of the MHSAA Preliminary (Friday) and Finals (Saturday) meets.

CONCUSSION PROTOCOLS – Under National Federation Playing Rules, any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health care professional.

The language above, which will appear in all National Federation sports rule books for the 2011-12 school year, reflects a strengthening of rules regarding the safety of athletes suspected of having a concussion. Some sports rules required officials to remove from play any athlete who was “unconscious or apparently unconscious.” This new language reflects an increasing focus on safety, given that the vast majority of concussions do not involve a loss of consciousness.

This protocol is intended to provide the mechanics to follow during the course of contests when an athlete sustains an apparent concussion.

- 1) The officials will have no role in determining concussion other than the obvious one where a player is either unconscious or apparently unconscious as is provided for under the current rule. Officials will merely point out to a coach that a player is apparently injured and advise that the player should be examined by a health care provider for an exact determination of the extent of injury.
- 2) If it is confirmed by the school’s designated health care professional that the student did not sustain a concussion, the head coach may so advise the officials during an appropriate stoppage of play and the athlete may reenter competition pursuant to the contest rules.
- 3) Otherwise, if competition continues while the athlete is withheld for an apparent concussion, that athlete may not be returned to competition that day but is subject to the return to play protocol.
 - a) Only an MD or DO may clear the individual to return to competition.
 - b) The clearance must be in writing.
 - c) The clearance may not be on the same date on which the athlete was removed from play.
- 4) Following the contest, an Officials Report shall be filed with a removed player’s school and the MHSAA.

- 5) In cases where an assigned MHSAA tournament physician (MD/DO) is present, his or her decision to not allow an athlete to return to competition may not be overruled.

A manager pass will not be included unless a team has five or more qualified swimmers.

A school may receive a deck pass for two coaches. If a school has more coaches on staff, they may purchase an additional pass(es) through the Final Manager.

A deck pass may only be used by the individual for whom it was issued.

Once capacity has been reached, no additional passes will be available. Note: Deck passes may not be used for entry into the spectator area.

ENTRY PROCEDURES – MHSAA Finals meet qualifying criteria for swimmers are as follows:

Qualifying Times for Final Meet Entries – To be a legal entry, the swimmer must have equaled or bettered the qualifying time in a bona fide high school varsity swim meet during the current season. Coaches must have documents to verify all submitted times. Times achieved in exhibition events may be used to qualify. Time trials cannot be used to qualify for the Final Meet.

Relay Entry and Qualification – In each relay, qualification to the Final Meet must be based on actual team performance in a regularly scheduled varsity swimming meet. A coach must list the four swimmers in each relay; however, an alternate may be used in a relay. Any combination of swimmers listed must be capable of equaling the qualification time. No more than one relay team per school per relay event may compete.

Swim Entry Materials

Electronic entry must be submitted to the respective Meet Manager by Monday the week of the Final by 12 noon

Coaches must bring results of this season's competition to the Final Meet in case of questions.

Submit the best individual or relay team qualifying time on the electronic entry form.

NOTE: Names of all those qualifying to the Diving Qualification competition need to be included on the Final Meet Entry. The Final Meet Manager will receive the qualifiers from the Regional Diving Managers (and delete those individuals who did not qualify). Be sure to include the grade (number, i.e. 10, 11 or 12) for each swimmer following their name on the entry program. An entry received after Monday noon deadline must be accompanied with a \$50 late fee – payable to the host manager. Late entries may be added only if the heat and lane assignments have not been determined. Late entries will not be accepted after lane assignments are made.

Psych Sheets will be posted by Noon on Wednesday, coaches must proof to ensure all entries are included and correct. After the proofing period, no changes will be made to the entries.

FINANCES/EXPENSES – All Regional & Finals Managers must submit a financial report form to the MHSAA including revenue and approved expenses. Participating schools assume all costs of travel, lodging and meals at all levels of the tournament.

FORFEITURES/USE OF INELIGIBLES - Individuals or teams which are defeated by an ineligible opponent or teams which allowed one or more ineligible students to participate or teams or individuals found to be in violation of contest limitations or maximums do not advance in MHSAA tournaments. If placements in MHSAA tournaments are vacated as a result of an individual being ineligible or a team allowing one or more ineligible students to participate, other individuals or teams neither advance to those placements or receive awards for those places.

INJUNCTION OR RESTRAINING ORDER PROCEDURE - Managers are reminded of the following statement adopted by the Representative Council and which is in effect for all MHSAA tournaments: "In the interest of fairness to all participants, if an injunction or restraining order is served or presented at an MHSAA tournament site and such purports to require the eligibility of or participation by a student or team which a school and/or the MHSAA has ruled to be ineligible under MHSAA regulations, the on-site tournament manager is to suspend the entire competition (team competition) or events in which that student is intending to participate (individual competition)." If the meet has begun, it shall be completed.

MERCHANDISING - Concession stands, whether operated by school or non-school groups, must confine sales to non-alcoholic beverages, edible items and general school spirit items that were available at regular-season home contests. The selling of tournament-related merchandise is limited to programs offered by the MHSAA and its authorized vendors, which may be in contact with you regarding their availability. Such programs may include, but are not limited to, the following categories: T-shirts, DVDs and photography. Regardless of the availability of such authorized programs, schools may not produce their own tournament-specific merchandise items to sell at MHSAA tournament sites. Raffles and 50-50 drawings are not allowed.

MEDIA/MULTIMEDIA - Providing accommodations and services to the media covering MHSAA tournaments is the responsibility of the host tournament manager.

The tournament manager shall communicate the results of the draw and game results at the conclusion of each contest to the MHSAA Office, the local media outlets of the participating schools and the Detroit Free Press and Detroit News. Draw results shall include the dates, locations and starting times. Game results shall include the final score or team standings, team records (when applicable), individual event results (by weight, distance, discipline, etc.), who qualifies to further play and the upcoming schedule. Some media may be willing to receive such information via e-mail.

News media representatives are encouraged to call managers in advance of the events they desire to cover, but it is not unusual for a working member of the media to show up unannounced. Your gate attendants should be alert for media passes (the MHSAA annually issues passes good for tournament events), and admit those individuals when appropriate – as long as they are attending the game in a working capacity. Managers are under no obligation to admit or provide press row/box accommodations for non-working companions of media members. It is recommended that managers designate a specific door for media entrance.

Press pass/seating arrangements should allow the media attending at your site to arrive on their timetable. Under no circumstances should a member of the media who makes advance arrangements for accommodations be required to arrive early to ensure seating or venue access. Press row/box seating should be not used to accommodate non-workers such as school administration, board members, booster clubs, etc. Radio stations are limited to 3 seats when originating broadcasts in football, 2 in all other sports. Newspapers should be limited to 2 seats, unless its circulation (Daily newspapers only) exceeds 40,000, when a third seat may be granted on a space-available basis. Websites should be limited to 1 seat. Daily newspapers may receive a maximum of 2 photo passes, and weekly newspapers may receive 1 photo pass. A complete list of credentialing guidelines can be found in the MHSAA Multimedia Regulations, available on the Media page of the MHSAA Website.

Media should also be provided information about the participating teams (usually in the form of a program for team sports, or heat/flight sheets), and printed results as available (if you're providing printouts for participating schools, they should also be provided to the media).

Photographers – still and video – may be granted appropriate access to shoot (i.e. sidelines, baselines), if they are from an accredited media outlet, an MHSAA Licensed Photographer, or an individual identified by a school administrator to the Tournament Manager who is authorized to capture such content exclusively for the school's publication, promotional, educational or public relations uses. For outdoor team events (baseball, football, lacrosse, soccer, softball), a school may have a maximum of two authorized representatives to capture still images, one to capture moving images. For indoor team events (basketball, competitive cheer, ice hockey, volleyball, team dual wrestling), a school may have a maximum of one authorized representative for still images, and one for moving images. Because of the large number of teams involved for individual events (bowling, cross country, golf, gymnastics, skiing, swimming & diving, tennis, track & field, individual wrestling), no passes and access will be authorized for schools.

Photographers **MAY** use electronic flash/strobe cameras during the progress of a sporting event as long as, in the opinion of the contest officials, the flash does not hinder the actions of or endanger the contestants. The final decision as it relates to electronic flash/strobe equipment rests with the judgment of the site management and contest officials when MHSAA staff is not present at an event. **IMPORTANT** -- When determining whether or not the use of electronic flash/strobe equipment represents a hindrance to an event, do not evaluate the situation while looking directly at the strobe, but rather by taking the view of the game participant or the official who is focusing on the action, not the strobe, and is not aware of when the strobe is about to go off. Strobes properly positioned **DO NOT** pose a threat to the conduct of most contests. If, after careful consideration, the strobe is determined to be a problem, game management should work with the photographer using the strobe to review the strobe's placement, flash strength and direction. Sometimes, adjusting a strobe so that

the flash bounces off the walls or ceilings will correct any potential problems. The only sports in which the use of electronic flash/strobe equipment is prohibited are: competitive cheer, gymnastics and diving. Requests to use strobe lights mounted to fixed positions shall be made well in advance of the contest. As a courtesy, contest managers or the MHSAA should inform participating coaches and contest officials that photographers have been approved to use strobe lights in fixed positions. Strobes should be placed in corner or ceiling positions, and should never be placed in the direct line of a basket in basketball or focal point common to that sport. Camera-mounted strobes must always be positioned similarly as fixed strobes. A camera operator with an on-board strobe shall shoot outside the edges of the free throw lane in basketball, for example.

Photographers for other sports shall be placed in positions in accordance with National Federation of State High School Associations National Rules. In the sport of football, for example, photographers shall be positioned behind the restraining line, which is two or more yards from the sidelines and end zones. In addition, photographers shall not be positioned in the team boxes between the 25-yard lines. Also, in the sports of baseball and Softball, photographers are prohibited from being in live ball areas. If a designated media area is used, it shall be established before the game begins, shall be a lined area and shall be considered a dead ball area. In soccer, photographers should not be positioned within two yards of any sideline or endline. Some venues and events will have designated areas where photographers may shoot from. Game officials and host management have the authority to remove any member of the media for not staying in their designated area in any sport.

MEDICAL EMERGENCY POLICY - Host school Tournament Managers should follow all local school district policies regarding medical emergencies for participating athletes, coaches, student and adult spectators for competition conducted in school facilities. It is advised that AED devices be ready available during tournament competition. In addition:

- Trainers are an allowed expense and encouraged but not required
- All MHSAA concussion protocols will be followed
- MHSAA tornado watches and warnings shall be followed.

When MHSAA tournament contests are conducted at non-school facilities, plans should be developed for the following needs and/or circumstances:

- Student, coach and spectator shelter for outdoor events
- Host facility emergency equipment such as AED's, fire escape, etc.
- Emergency communications, i.e. phone numbers, school administration contact
- Coordination with facility management regarding evacuation, first aid, on-site responsibilities
- Medical transport or first responder contact procedures
- Proximity/directions of nearest medical facility

OFFICIALS – Regional managers are responsible for hiring diving judges. At the MHSAA Finals, swimming and diving officials are assigned by the MHSAA.

OPT OUT DUE DATES – Deadline date for entries to the Regional Diving Qualifying meets and for entries to the Finals meet is 12 noon, Monday, March 5.

PLAYING RULES – All National Federation playing rules will apply with the following MHSAA adaptations/modifications:

I. Water Depth

A. DEQ Regulation states a pool must have 79 inches of water in order to use starting platforms. (Pools with at least 60 inches of water have been grandfathered by the DEQ).

II. Step-Up starts will be used

III. Final Meet Qualifying

A. At the MHSAA Finals, the qualifying criteria has been modified so as to qualify approximately 32 individuals or relay teams per event, per division.

PROTESTS – There are no protests of officials decisions in MHSAA Tournament competition.

QUALIFYING FOR DIVING REGIONAL – A diver may qualify for the MHSAA Regional Diving Meet as follows:

Have placed ahead of all divers from opposing schools in actual varsity meet competition in at least five meets (an exhibition win may count as a win).

Be one of the qualifiers in a league or conference meet or season-ending varsity invitational (if they do not belong to a league) where as many people qualify to the Regional Diving Meet as there are schools participating in the diving event. **Example:** If an eight team league has six schools participating in the diving event of the league meet, six may qualify to the MHSAA Regional Meet

Be one of the additional qualifiers in a conference meet where the conference receives an additional number of qualifiers that is equal to the number of returning Final Meet participants from that conference

Each coach must **electronically entering** to the specified address by noon on the Opt-Out Due Date a list of divers who have qualified for the Regional Meet and the list of the dives (11). In addition, any change to the completed diving sheet for each diver must be presented to the Regional Meet Manager no later than 1 ½ hours prior to the meet start time. The diving sheet provided at the site must contain the signature of the contestant and coach. The coach verifies the qualification and proper order of dives. The contestant's signature indicates that the list of dives is correct. Please include individual score of dual meets for six dives or scores for 11 dives in a league, conference or invitational meet.

A diver will not be allowed to participate if the Diving Entry List is not completed properly. The diver must be accompanied by the school coach or designated school representative (so indicated by letter signed by the Principal).

Diving Warm-up Period - Warm-up diving at Regional Meets will not be permitted until two hours prior to the meet.

Finals Diving Format - Divers should be permitted to complete the prelims:

All entries do five dives – cut to 20.

Those remaining do three additional – cut to 16.

The 16 divers dive the three remaining dives (and medal)

The top 12 divers advance

Finals Diving Qualifiers - The first 12 places in each Regional will qualify to the Final Meet.

RESCHEDULING POLICY - If an MHSAA tournament meet or contest is postponed or suspended because the facility becomes unusable or as a result of acts of persons or nature, and the playing rules require that the meet or contest must be played or resumed, the meet or contest must be played or completed on the first available subsequent date, at the same facility. If that facility is unavailable at any future time within the tournament schedule, MHSAA staff shall determine if other facility options are available. If no reasonable options exist, the contest(s) shall not be played and a coin toss or tosses will determine which team or teams shall advance to the next level of the tournament. If it is the championship game of the entire tournament series, co-champions shall be named and awards provided.

REFUND POLICY - Refunds on admission tickets or parking are not provided by the MHSAA for postponed or suspended MHSAA tournament meets or contests, or for such meets or contests that are terminated before their normal conclusion for any reason. Tickets shall be honored for admission to a rescheduled or resumed contest.

SPECTATORS/NOISEMAKERS – Use of artificial noisemakers is prohibited at MHSAA indoor tournament competition. Examples of artificial noisemakers are whistles and air horns. Tournament managers have the authority to restrict use of any devices which in their judgment disrupt the integrity of the competition, compromise officials rulings or cause significant problems for other spectators.

SPORTSMANSHIP – MHSAA Regulation V, Section 3 applies in all tournament contests, including the following provisions:

Unsportsmanlike Conduct in Previous Contest - A player or coach who is ejected during a contest for sportsmanlike conduct shall be withheld by his/her school for at least the next day of competition for that team. If a school fails to enforce the subsequent disqualification with respect to one of its students or coaches, the tournament managers or any registered official or representative of a member school who becomes aware of the violation shall report it to the MHSAA, which shall prohibit the school from the remainder of the current tournament.

Player Suspension - A suspended player is treated as an ineligible player, which means that student shall not participate. It is permissible, but is not recommended, that the player may sit with the team, even in uniform. The minimum requirement is that the suspended student shall not enter the contest as a participant. **Coach Suspension** - Suspension from coaching requires at least that the coach not be at or near the team bench before, during or after the contest, not be in or near the locker room before, during or after the contest, and not give instructions directly or indirectly to coaches or players from any position in or near the gymnasium or field of play.

Multiple Disqualifications/Abuse of Officials- Any coach who is disqualified for unsportsmanlike conduct two or more times during a season, any player who is disqualified for unsportsmanlike conduct three or more times during a season, and any coach or player who is ejected for spitting at, hitting, slapping, kicking, pushing or intentionally and aggressively physically contacting an official at any time during that season, is not eligible to participate in the MHSAA tournament for that sport that season. If the tournament disqualifying ejection for that individual occurs during the MHSAA tournament, that player or coach is ineligible for the remainder of that tournament.

The school of the disqualified coach or player must prohibit that person from being present on the property of the tournament venue for the remainder of the tournament series. If that school fails to enforce this, the tournament manager, any registered official or representative of a member school who becomes aware of the violation shall report it to the MHSAA, which shall prohibit the school from the remainder of the current tournament.

Taunting - In all sports, officials are to consider taunting a flagrant unsportsmanlike foul that disqualifies the offending bench personnel or contestant from the contest/day of competition (and the next contest/day of competition). A warning may be given but is not required before ejection.

Taunting includes any actions or comments by coaches, players or spectators which are intended to bait, anger, embarrass, ridicule or demean others, whether or not the deeds or words are vulgar or racist. Included is conduct that berates, needles, intimidates or threatens based on race, gender, ethnic origin or background, and conduct that attacks religious beliefs, size, economic status, speech, family, special needs or personal matters.

At all MHSAA tournament venues, tournament management may give spectators one warning for taunting. Thereafter, spectators who taunt others are to be ejected by security.

TOBACCO AND ALCOHOL POLICY - For coaches and officials at all MHSAA tournaments, use of tobacco products of any kind within sight of players and spectators and use of alcohol during a contest or at any time before it on the day of the contest is prohibited.

Tobacco - It is not intended that a violation of the tobacco policy should lead to immediate ejection of a coach. He or she should be reminded of the policy and reported to his or her school administration after the contest. Only if the coach is unwilling to comply promptly should he or she be disqualified from coaching at the event. Officials should be reminded of the tobacco policy and reported in writing by the tournament manager to the MHSAA.

Alcohol - Historically, officials promptly disqualified coaches, and tournament managers immediately replaced officials who were under the influence of alcohol; and no change in such procedures is intended by these policies.

TROPHIES/MEDALS –The MHSAA Tournament trophies and medals will be provided by one company, ESCO of Milwaukee, Wisconsin. You will notice a new trophy design and some design changes in medals as well, with a much more efficient process of production, ordering and delivery working with one company.

Tournament managers will receive both trophies and medals together in one shipment from ESCO. The box containing the trophies and medals should be opened immediately upon delivery and inspected for accurate amounts, engraving, etc. Tournament managers should contact ESCO directly (not the MHSAA) at 800-852-4266 with any questions or problems regarding trophy and medal shipments

Distribution - Trophies will be awarded to the top four teams in each division. Medals will be given to the top 16 individual place winners in each division.

WITHDRAWAL POLICY - Tournament management is to contact the MHSAA office if a school withdraws or fails to show for scheduled competition after the draw is completed for team sports or the pairing, heat assignments or flight are determined for individual sports of the first level of the MHSAA tournament in a sport. The MHSAA staff person responsible for the sport will request from the school principal a written explanation for the no-show/withdrawal. If the reason is determined to be unacceptable by MHSAA staff, the MHSAA Executive Director will place the school on probation for the next two school years. A second offence within the two-year probationary period will cause the school to be prohibited from tournament play in that sport for the two years following the second offense.

MHSAA PROTOCOL FOR IMPLEMENTATION OF NATIONAL FEDERATION SPORTS PLAYING RULES FOR CONCUSSIONS

“Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health care professional.”

The language above, which will appear in all National Federation sports rule books for the 2011-12 school year, reflects a strengthening of rules regarding the safety of athletes suspected of having a concussion. For 2009-10, some sports rules required officials to remove from play any athlete who was “unconscious or apparently unconscious.” This new language reflects an increasing focus on safety, given that the vast majority of concussions do not involve a loss of consciousness.

This protocol is intended to provide the mechanics to follow during the course of contests when an athlete sustains an apparent concussion.

1. The officials will have no role in determining concussion other than the obvious one where a player is either unconscious or apparently unconscious as is provided for under the current rule. Officials will merely point out to a coach that a player is apparently injured and advise that the player should be examined by a health care provider for an exact determination of the extent of injury.
2. If it is confirmed by the school’s designated health care professional that the student did not sustain a concussion, the head coach may so advise the officials during an appropriate stoppage of play and the athlete may reenter competition pursuant to the contest rules.
3. Otherwise, if competition continues while the athlete is withheld for an apparent concussion, that athlete may not be returned to competition that day but is subject to the return to play protocol.
 - a. Only an MD or DO may clear the individual to return to competition.
 - b. The clearance must be in writing.
 - c. The clearance may not be on the same date on which the athlete was removed from play.
4. Following the contest, an Officials Report shall be filed with a removed player’s school and the MHSAA.
5. In cases where an assigned MHSAA tournament physician (MD/DO) is present, his or her decision to not allow an athlete to return to competition may not be overruled.

SANCTIONS FOR NON-COMPLIANCE WITH CONCUSSION MANAGEMENT POLICY

Following are the consequences for not complying with National Federation and MHSAA rules when players are removed from play because of a concussion:

- A concussed student is ineligible to return to any athletic meet or contest on the **same day** the concussion is sustained.
- A concussed student is ineligible to return to competition in a meet or contest on a **subsequent day** without the written authorization of an MD or DO.

These students are considered ineligible players and any meet or contest in which they have participated is forfeited.

In addition, that program is placed on probation through that sport season of the following school year.

For a second offense in that sport during the probationary period – that program is continued on probation through that sport season of the following school year and not permitted to participate in the MHSAA tournament in that sport during the original and extended probationary period.

TOURNAMENT MEDICAL INCIDENT REPORT

The MHSAA requests that a record of any injury, which results in an athlete being unable to continue in competition, be submitted to the MHSAA office at the conclusion of each MHSAA Tournament in all sports.

RETURN TO COMPETITION

This form is to be used after an athlete is removed from and not returned to competition after exhibiting concussion symptoms. MHSAA rules require written authorization from a physician (MD/DO) before an athlete may return to play after exhibiting concussion symptoms that caused that athlete to be removed for the duration of a contest.

In cases where an assigned MHSAA Tournament physician (MD/DO) is present, his or her decision to not allow a student to return to competition may not be overruled.
