

**WRESTLING
NUTRITION EDUCATION REPORT
2011-12**

NT-Ed-Report

Annually the MHSAA Wrestling Weight Monitoring Program requires that member schools, which sponsor wrestling, shall provide a one-hour program of Nutrition Education for all wrestlers. Because parents purchase and prepare the food that wrestlers eat, they are key and should be included as guests at the Nutrition Education presentation.

**Please schedule a Nutrition Education Meeting between November 1 and December 19, 2011.
Type or print this report form and return it to the MHSAA by December 19, 2011.**
