REGIONALS

- 6 Regionals in each Division. **Bowling Regionals will be on Friday, March 19 and Saturday, March 20, 2021.**
- **Boys on Friday, Girls on Saturday.**
- Spectator policy for B's Bowling is one per bowler. The MHSAA will use digital ticketing (GoFan) at all Regional sites IF the one spectator per bowler would be allowed. Ticket price would be \$10.00 per spectator if spectators are allowed.

ROSTERS / SCORING

- Teams will have five bowlers and one substitute.
- Each of the five bowlers roll four games. These games count toward Team totals AND for Singles, so you are bowling for both competitions at the same time. There are NO Bakers, and only FIVE bowlers will be attempting to qualify for the Singles Finals.
- The substitute (6th bowler) can be used as normal, but if a substitute is used both the sub and the initial bowler are ineligible to qualify for the Singles Finals.
- In this four-game format, each of the five athletes would bowl four games for a total of 20 games for the Team total.
- An MHSAA Excel scoring document will be supplied to each host school.

LANE ASSIGNMENTS / ROTATION

- Bowlers will bowl together as a team during the Regional event, instead of being spread out across the lane block. **Bowlers from the same team will be bowling together on the same pair during the Regional.**

- RECOMMENDATION: If possible, use every other pair and do not use end pairs. Use open pairs to help socially distance and use the additional space to store extra equipment (instead of paddock).
- To help minimize travel within the house, do not rotate pairs after each game. Instead, swap pairs one time (after two games). For example: 3-4 go to 7-8 and 7-8 go to 3-4, 11-12 go to 15-16 and 15-16 go to 11-12, etc.
- The fewer bowlers on a pair, the quicker this goes. Each house will be different.

ADVANCEMENT TO MHSAA FINALS

- Team ties will be broken by best team game of the series. Singles ties will be broken by best game of the series.
- The top TWO teams move on to MHSAA Finals. The top TEN Singles move on to MHSAA Finals.
- There will be 12 teams per gender and per division in the MHSAA Finals. There will be 60 bowlers per gender and per division.

LIVESTREAM

It is for this reason of limited spectators, that **we encourage live streaming of bowling regionals** by whatever means that works best for your center, your team and your spectators that can't attend. As long as this streaming does not impact bowling or student-athletes in any way, we encourage you to provide this service so that parents and others can watch and follow scores of their favorite bowler and team.

Tournament Rules

MHSAA Tournament Rules will apply. Because of this year's Regional format, space between pairs of lanes in most centers will be open. With the additional space, the restriction of bowling ball limits is being lifted and **increased to 4 balls per participant in the bowling center**. There is still a strong recommendation that paddocks are not used or if they are, that only one person be allowed into the paddock at a time.

All MHSAA regulations regarding sportsmanship and disqualification penalties as stated in Regulations IV, section 3, will be followed. Players will not be allowed on the approach to congratulate or celebrate the accomplishment of a fellow team member during bowling. Bowlers will not be allowed to enter an adjacent lane approach to celebrate or "run-out" their delivery. Bowlers shall observe a one-lane courtesy for bowlers on adjacent lanes.
