

The MHSAA is seeking design submissions for the new official flip coin of the MHSAA Officials Program. This coin will measure 2" in diameter. Design may or may not include color but should be representative of the entire MHSAA Officials Program (*i.e., not dedicated to a single sport*). Please send separate submissions for front and back of coin. You may use a design program or hand draw using the space below. Submissions accepted by email to laura@mhsaa.com through 9/30/21. Please complete the contact information below. Up to two winners will be selected to use their design(s) in the production of the next MHSAA coin. Winners will receive complimentary officials registrations (up to three sports) from 2022 through 2024. Thanks for your participation and good luck!
