

2020 Football Postseason Crew Consideration Form

ONLY SUBMIT ONE FORM PER CREW.

FAILURE OF ANY LISTED CREW MEMBER TO HAVE COMPLETED THE MINIMUM ELIGIBILITY REQUIREMENTS FOR POSTSEASON CONSIDERATION MAY DISQUALIFY THE ENTIRE CREW FROM CONSIDERATION.

DUE ON OR BEFORE SEPTEMBER 17, 2020

MINIMUM ELIGIBILITY REQUIREMENTS:

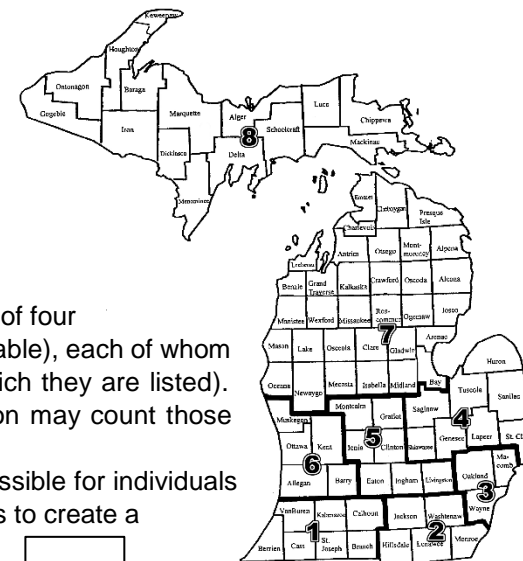

Each official seeking consideration for a postseason assignment must have:

- Completed the current year rules meeting.
- Submitted an individual online season schedule through the MHSAA website.
- Compiled at least 16 varsity ratings within the previous three seasons.
- Recognized as a Member in Good Standing with a Local Approved Association.
- At minimum, a 2.5 three-year average varsity rating.

Officials selected for Pre-District, District and Regional football contests will be assigned by crew. Crews may consist of four or five members (crews submitted with four members will be assigned a fifth member for consideration, if one is available), each of whom has officiated a minimum of five varsity games during the current season (at least four in the crew position for which they are listed).

EXCEPTION: Individuals that officiated at either the Side Judge position or Field Judge position during the season may count those games to qualify on a crew as a Head Linesman, Line Judge or Back Judge.

NEW: It is not necessary for all individuals listed below to have officiated together throughout the season. It is permissible for individuals that did not work on a regular crew during the season to fill in on a crew, or to combine with other "free agent" officials to create a full crew for postseason consideration.
