

MI Safer Sports COVID-19 Testing Program: Participant Code of Conduct

The Michigan Department of Health and Human Services is pleased to provide COVID-19 rapid antigen tests for all athletics. All participants must be tested consistent with MDHHS Interim Guidance for Athletics issued on March 20, 2021.

As a participant in the MI Safer Sports program, I understand and agree to the following:

- My participation in the practices and competitions over the course of this program is voluntary.
- I have reviewed and will comply with the additional mitigation measured outlined in the MDHHS Interim Guidance for Athletics.
- I agree to receive a COVID-19 test (rapid test) at the cadence prescribed in the MDHHS Interim Guidance for Athletics.
 - If I test positive, I understand that I cannot return to practice or compete unless I receive a negative molecular (PCR) test within 48 hours of the rapid test results and I continue to have no symptoms.
- If I exhibit any symptoms of COVID-19, I will self-isolate and not attend practice or competition, regardless of any negative test result.
- If I test positive for COVID-19, show symptoms, or am exposed in close contact to someone who tests positive, I will cooperate with local and state public health officials in the case investigation and contact tracing process.
- Inside and outside of practice and competition, I will follow all state and local health orders that apply in my area, including wearing a face mask when around others, limitations on gatherings outside my immediate household, including non-team gatherings and social gatherings with my team outside of practice or competition.

I understand that failure to follow the above agreements could result in my removal from competition and practices and may result in disqualification of my entire team.
