

This memo serves as the MHSAA's official notice that the decertification process has been triggered for the Marucci CAT5 33-inch model. **Effective immediately and until further notice, this bat will not be allowed for use in any MHSAA baseball competition.** This bat no longer complies with NF Baseball rules 4-1-3b and 7-4-1a.

For ease of reference, a photo of the bat is below:

This is the only bat at this time that is illegal that displays the BBCOR stamp.

If you have any questions, please contact the MHSAA.
