

2017 MHSAA SPORTSMANSHIP SUMMIT REGISTRATION

For more than 20 years the MHSAA has provided a Sportsmanship Summit experience to students across Michigan. The Summits are back again in 2017, but this time with new breakout topics, more interaction within the sessions, and additional time for students to present ideas to other students.

Workshop sessions will focus on sportsmanship both on and off the court and feature hands-on activities including one session developed and instructed by members of the MHSAA Student Advisory Council. The day provides a unique setting for students to interact with other students from across the state while talking about social media and sportsmanship, finding common ground for sportsmanship rules, and discussing officiating issues with local game referees. At the end of the day the delegation from each participating school will meet to develop a sportsmanship campaign to implement upon returning to school.

While there will be a lot of talk about sportsmanship in general, the workshops at each Summit also provide a great opportunity for student sections to learn about good conduct and appropriate cheers at athletic events. As a kick-off to the seventh annual Battle of the Fans Contest, we will pass on what we have learned from the best student cheering sections in the state. There will be information for the veteran student sections, as well as guides for schools that want to start their own organized student sections for the first time. There also will be a special announcement about the new-and-improved 2018 Battle of the Fans competition.

Sportsmanship Summits last from 9 a.m. to 1:30 p.m. and the cost is \$30 per participant. Lunch is included. Registration at each site is limited to the first 250 students and administrators. Schools are welcome to bring as many as 10 total representatives, including two administrators. Reserve your spots today by emailing, mailing or faxing (517-332-4071) the registration form below.
