Ratings submitted should be assigned based on each individual official's performance and not for the crew as a whole. There is a 48-hour "cool down" period before ratings may be submitted; however, it is recommended that ratings be submitted within one week of the conclusion of the contest so that the details are still fresh on your mind. This card provides you a record of who worked and the back can be used to take notes that pertain to specific officials. Rate officials at MHSAA.com.
