

A DOUBLE FIRST BASE IS REQUIRED BEGINNING WITH THE 2027 SEASON FOR HIGH SCHOOL AND MIDDLE SCHOOL BASEBALL

Beginning with the 2027 baseball season, a double first base is required for all regular and post season baseball games. The fair territory base must be white. The foul territory base must be a contrasting solid color to the white fair territory base. The most common are green or orange. However, any color is acceptable. The single 18' base is NOT an option to use. The double first base is the only option for baseball in Michigan. There is to be no space between the two bases.
