# 2025 MHSAA Boys Basketball Finals

**March 13-15**

## Welcome

**W**elcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That's the beauty of educational athletics. The take-aways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

This is the 100th year of the MHSAA and there is much to celebrate during this special year. Let's remember and be thankful for the efforts of all those that have made this Final tournament experience so special.

Congratulations for reaching the end of the tournament road. Good luck to all!

— **Mark Uyl**

# Honest, Abe! Lincoln Nets 1st Title

**Y**ou can't say Warren Lincoln was wary of rematch-es. Not even when the opponent was ranked No. 1 in the state for most of the season.

The Abes proved winning a midseason meeting was no fluke by outlasting top-ranked Grand Rapids Christian 53-39 in the 2024 MHSAA Division 2 Final at the Breslin Center.

Lincoln had defeated the Eagles 49-47 in Grand Rapids on Jan. 20, but Abes players say that win had limited influence on the outcome of the championship game two months later – and that they had no problem facing Grand Rapids Christian a second time.

"Honestly, I thought it would be different," junior guard Da'Marion Bozeman said. "We beat them the first time, so we knew they'd be ready. But we wanted to win so bad, so there was that motivation."

The Abes used a 10-1 run in the fourth quarter to pull away for their first Finals title.

The Eagles (26-3) were within 34-33 during the waning seconds of the third quarter, but Lincoln junior guard Markus Blackwell went to work. He hit a pair of 3-pointers, a layup and two free throws over a four-minute stretch to up his team's lead to 47-39 with three minutes to go.

Blackwell has his own theory on playing Grand Rapids Christian a second time. If the teams' first meeting showed anything, it's that Warren Lincoln (24-4) – which then won 13 of 15 games after downing the Eagles the first time – had to play well inside.

"We knew what they can do and that was stopping their big man, but what we do best is play defense," he said.

"I was locked in offensively because you have to score to win. My teammates put me in a position to score, I just had to make the shots."

Blackwell finished with 24 points, including hitting 4-of-7 3-point attempts. Moses Blackwell added 12 points.

Jaylan Ouwinga had 16 points, six rebounds, three blocks and three steals for Grand Rapids Christian. Malachi Hooser had 14 points for the Eagles.

Grand Rapids Christian shot just 34.9 percent (15 of 43) from the floor this time, missing 13 of 15 3-point tries. Warren Lincoln also held a 53-39 rebounding edge.

"We knew they had the one-two punch with the (Blackwell) brothers, and they have others who can shoot," Eagles coach Eric Taylor said. "We cut the lead and had to weather the storm. I thought at the end of the third quarter and going into the fourth we were in good position. They went to a zone, and we went a little stagnant."

Lincoln coach Wydell Henry said going to a zone was risky but paid off.

"We don't typically go to zone, we want to press teams," he said. "We want to turn you over and speed up the game."

The championship game appearance was Lincoln's first. The Eagles were playing in their first Final since 2017.

"They're a big team. We knew that," Henry said. "We beat them in Grand Rapids, which was big. We weren't scared. We just told the kids to stick it out."

OLSM's  
Trey McKenney

#### DIVISION 1

##### Orchard Lake St. Mary's 63, North Farmington 52

At one point early in the fourth quarter of the 2024 Division 1 Final, Orchard Lake St. Mary's junior Trey McKenney had scored as many points as North Farmington had as a team.

That pretty much tells the story of who the man of the day — and arguably the season — was for 2023-24.

McKenney showed why he was one of the most highly-regarded juniors in the entire country, finishing with 32 points to lead St. Mary's to a 63-52 win over North Farmington and its first Finals title in Division 1 or Class A.

"We've been going at it every day," McKenney said. "Just being consistent. I don't think it's really sunk in, winning a state championship. It's kind of crazy."

McKenney finished 8 of 11 from the field overall and made all 14 of his free-throw attempts. He added 10 rebounds.

St. Mary's (27-1) won its fifth Finals title and first since earning the Class B crown in 2000.

"We've been dreaming about this a long time," St. Mary's head coach Todd Covert said. "This is a dream come true. It means everything."

St. Mary's was in control throughout, until late in the game when North Farmington made things interesting.

Trailing 46-26 with 6:27 remaining, the Raiders cut their deficit to 59-50 with 1:46 remaining after a free throw by senior Landon Williams.

But that was as close as the Raiders could get, as McKenney essentially wrapped up the game by hitting two free throws with 12.9 seconds remaining to give the Eagles a 63-52 lead.

Brandywine's  
Jareemiah  
Palmer

#### DIVISION 3

##### Niles Brandywine 56, Detroit Old Redford 48

It may be a stretch to believe one play early in a third quarter could decide a state championship game, but that's the best explanation Niles Brandywine could offer.

A steal and ensuing slam dunk ignited eight dominating minutes that earned the Bobcats their first MHSAA Finals title with a 56-48 win over Detroit Old Redford in the Division 3 Final at the Breslin Center.

The dunk by senior guard Jareemiah Palmer during the third period's opening seconds were what players credited with turning around a contest which saw Brandywine actually outscore Old Redford in just that one quarter.

"Jareemiah got the steal and the dunk, and we just kept it going after that," senior guard Byron Linley said. "We saw his intensity, and we wanted to match it."

Prior to Palmer's steal and basket, Niles Brandywine had led only 4-1 midway through the first quarter and for less than three minutes of the second quarter, entering halftime down 24-23.

But Palmer's exploits kicked off a 20-5 third-quarter surge which led the Bobcats to as much as a 44-31 lead halfway through the period.

"Our goal was to come here and win and finish (the season) in a good way, and we did," Palmer said.

Old Redford (21-8) shot just 38 percent from the floor while missing 16 of 18 3-point attempts.

Jareemiah Palmer finished with 18 points, six rebounds and three steals while Ja'Torian Smith had seven points and 10 rebounds.

Tri-unity's  
Akais Giplaye

#### DIVISION 4

##### Wyoming Tri-unity Christian 79, Mount Pleasant Sacred Heart 59

Wyoming Tri-unity Christian may have the nickname Defenders, but for the last year "Avengers" might have been more appropriate.

Ever since losing the 2023 Boys Basketball Division 4 Final by two points to Munising, Tri-unity Christian was on a mission to get back on top of the division it had ruled the previous year.

"That was our motivation for the whole year," Tri-unity Christian senior Owen Rosendall said. "We all thought about the (loss) every other day. It was living rent-free in our heads."

Consider that loss avenged, and now the Defenders will get to spend the next year trying to be defenders of another Division 4 title following a 79-59 win over Mount Pleasant Sacred Heart.

The big difference was the second quarter, which saw Tri-unity Christian score 22 points and turn a 17-14 lead after the first quarter into a 39-25 lead at halftime.

Tri-unity Christian kept up the pressure in the third quarter, taking a 53-34 lead with 4:11 to go in the third and a 64-43 advantage into a fourth quarter that was more of a coronation than anything.

Senior Jordan VanKlompenberg led five players in double figures with 19 points. Rosendall scored 14 points, junior Keaton Blanker had 11 points and 12 assists, senior Akais Giplaye scored 11 and senior Wesley Kaman added 10.

Sacred Heart (26-3) advanced to the Final for the first time since 2006 and was seeking its first title since winning the Class C crown in 1975.

# Student Advisory Council Aids MHSAA

**E**ight student-athletes who will be juniors at their schools during the 2024-25 academic year have been selected to serve two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of MHSAA championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to serve on the Student Advisory Council in 2024-25 are: **Itzel Albarran**, Bronson; **Harper Barnhart**, Brownstown Woodhaven; **Diamond Cook**, Southfield Christian; **Henry Ewles**, Pontiac Notre Dame Prep; **Cole Haist**, Big Rapids; **Frannie Keeley**, Jenison; **Trey LaValley**, Romeo; and **Ethan Stine**, Bridgman.

Those eight new members were selected from 90 applicants. The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 142 schools from 51 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 10 MHSAA sports, and five will be the first SAC members from their respective schools.

The Student Advisory Council generally meets seven times each school year, and once more for a 24-hour leadership camp. In addition to assisting in the promotion of the educational value of interscholastic athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

This school year, the Council handed out championship trophies at Finals events, led sessions during four Sportsmanship Summits and provided assistance at the

## Student Advisory Council Belief Statement

As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.

We believe athletes should be competitive, sportsmanlike and excel academically. We believe students in the stands should have fun, but not take the focus away from the game. We believe coaches should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that parents should always be positive role models and be supportive of their child's decisions. We believe officials commit their own time to high school sports and respect should always be shown and given to them.

The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.

Women In Sports Leadership Conference, provided feedback to the MHSAA Representative Council on proposed rule changes, worked on a mental health initiative, and wrote the script for a public service announcement on adult spectator sportsmanship that will be included in broadcasts beginning this upcoming school year.

The new additions to the SAC will join the Class of 2025 members who were selected a year ago: **Cale Bell**, Sault Ste. Marie; **Drew Cady**, Oxford; **Macy Jenkins**, Milford; **Isaiah Kabban**, Harbor Beach; **Ella Knudsen**, Leland; **Kaylee Kranz**, Clinton; **Joey Spada**, Kalamazoo Central; and **Aynalem Zoet**, Grandville Calvin Christian.

# MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, non-public schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

# Arnetta Thompson Recieves Hampton Award

A leader on the basketball court as a high school and college standout, and then a leader in the classroom and at every level of educational administration over a 33-year career, **Arnetta Thompson** has been a staunch advocate for underrepresented groups in sports.

To recognize her work in creating opportunities for those groups, and all students, the Wyoming Godfrey-Lee Public Schools superintendent has been selected as the recipient of this year's Nate Hampton Champion of Progress in Athletics Award by the Michigan High School Athletic Association.

The Hampton Award was created by the MHSAA's Representative Council to honor Nate Hampton, who retired in 2021 after serving in education and educational athletics for 50 years, including the last 32 as an MHSAA assistant director. Honorees have championed the promotion and advancement of opportunities for women, minorities and other underrepresented groups within interscholastic athletics, while serving as an administrator, coach, official, educator or school sports leader in Michigan.

Thompson is the second recipient of the award, as Novi principal Nicole Carter received the inaugural honor last year. Thompson will receive the Hampton Award during the MHSAA Boys Basketball Division 1 Final Saturday at the Breslin Student Events Center in East Lansing.

**Arnetta Thompson**

"I just feel honored that I'm allowed to be in these spaces, to be selected as a principal or a superintendent, that people believe in me enough to believe I can help their students become better people and reach their goals," Thompson said. "The rewarding part is seeing those students that you reconnect with or those you stay connected with and see what their paths in life become as a result of crossing paths with me.

"I'm passionate about students – especially students that are not always the top of the class, not the typical student – and helping guide them with the resources and with people that look like them and then opportunities to do some things they hadn't done and didn't even think they could do."

Thompson is in her second school year as superintendent of Godfrey-Lee schools. She previously served 20 years in Grand Rapids Public Schools – as a teacher for six, then as an athletic director, assistant principal, instructional assistant principal and K-8 principal – and also served as an elementary curriculum specialist for Muskegon Public Schools and in multiple roles in the Muskegon Heights Public School Academy System including as superintendent during the 2021-22 school year. She began her professional

career as a teacher in Memphis City, Tenn., schools after graduating from Tennessee Tech University.

She is a two-time appointee to the MHSAA Representative Council – previously serving from 2009-13 and currently a two-year term.

"Arnetta Thompson's work to empower her students and those who have worked for her and with her is simply inspiring," said MHSAA Executive Director Mark Uyl. "She has brought compassion and vision to every district with which she's served. The Hampton Award recognizes promotion and advancement of underrepresented groups within interscholastic athletics, and Arnetta has continuously provided leadership in that area including now during a second tenure on the MHSAA Representative Council."

Thompson earned her bachelor's degree in secondary education biology from Tennessee Tech in 1990, and her master's in education with a concentration in educational leadership from Western Michigan University in 2001. She went on to also earn an educational specialist degree from Grand Valley State University in 2011 and her doctorate in philosophy from Eastern Michigan University in 2017.

During six years teaching at Memphis City, Thompson also served as varsity head coach of the girls basketball, volleyball and track & field teams. Coming to Grand Rapids Public Schools in 1997, she served as a lead teacher at Grand Rapids Union's alternative high school, then as athletic director and assistant principal at Grand Rapids Creston. She also served as an assistant girls basketball coach at Grand Rapids Ottawa Hills for one season and coached the Grand Rapids Central varsity for four.

Thompson entered college on a pre-medical track. A professor noticed how she provided assistance to another student during a lab and suggested she consider education.

"My grandmother told me one time she thought I had a gift, and she wanted me to use that gift to fight for those who could not fight for themselves. Going into college with the mindset to go into medicine, and then my professor saying that, and talking with some of my colleagues at that time, I was moving in the direction of becoming an educator, and I thought that was the place for me," Thompson said. (Education) has been even more than I anticipated. ... Just the feeling of being an educator, just to give people opportunities, to mold our younger kids into great community leaders."

Thompson earned eight varsity letters across three sports for Ottawa Hills before graduating in 1985, garnering all-state recognition in basketball and all-city in volleyball and also competing in track & field. She then played four seasons of basketball at Tennessee Tech, starting on the team that reached the NCAA Tournament in 1988-89.

Thompson has been married to her husband Willie for more than 30 years. They have two daughters, Daenetta Joseph and Arnell Thompson.

# Isom to Recieve Forsythe Award

**F**or 39 years, **Kris Isom** poured herself into education and educational athletics as a teacher, coach, class advisor, athletic director, league president and advocate statewide as a member of the Representative Council of the Michigan High School Athletic Association.

To celebrate nearly a lifetime of contributions – including several that continue to impact this state's student-athletes – Isom has been selected as the 2025 honoree for the MHSAA's Charles E. Forsythe Lifetime Achievement Award.

The annual award is in its 48th year and named after past MHSAA Executive Director Charles E. Forsythe, the Association's first full-time and longest-serving chief executive. Forsythe Award recipients are selected each year by the MHSAA Representative Council, based on an individual's outstanding contributions to the interscholastic athletics community at the local, regional and statewide levels. Isom will be honored during the MHSAA Boys Basketball Division 1 Final Saturday at Michigan State University's Breslin Student Events Center.

Isom retired at the close of the 2023-24 school year after 38 at Adrian Madison and one at Clinton, where she attended high school and then began her teaching career before moving to Madison and becoming a pillar locally and statewide for nearly four decades.

In addition to serving as part of the MHSAA's Council from 2008-23, Isom served as the president of the Tri-County Conference for more than two decades, on top of all the daily responsibilities that come with serving as a school athletic director. She also was one of the few athletic directors who also coached every year at some level, leading teams in basketball, volleyball, sideline cheer, softball and track & field.

"What I miss the most is the interaction with the kids. The coaching of course, but then everyday them coming into the office or giving me a hug or asking me what's up," Isom said. "It's not always the athletes you intermingle with; it's the kids in need, and even today when I see them or run into them, I get a hug or thank you, and that makes it all worth it."

Isom has been recognized several times in the past for her contributions. She received the MHSAA's Women In Sports Leadership Award in 2019, after previously being honored with an MHSAA Allen W. Bush Award in 2016 to recognize her behind-the-scenes contributions to school sports. She also was named Region 6 Athletic Director of the Year in 2000 by the Michigan Interscholastic Athletic Administrators Association (MIAAA).

During her time at Madison, she saw several of her school's athletic programs enjoy success. Among recent highlights, Madison's competitive cheer team finished Division 4 runner-up in 2022, the girls track & field team won a Lower Peninsula Division 3 Finals championship in 2017 and finished runner-up in 2016, and the 2016 volleyball team reached the Class C Semifinals with her daughter Rachel a contributor.

Isom indeed was a significant contributor to MHSAA work from a behind-the-scenes point of view, as she was a frequent host of District, Regional and Quarterfinal competitions and also MHSAA Coaches Advancement Program (CAP) sessions at her school. She also has been a longtime member of the MIAAA and National Interscholastic Athletic Administrators Association.

"For nearly four decades, Kristen Isom served as an excellent example of how to navigate the daily challenges of athletic administration while making a difference in the lives of her students and an impact on educational athletics on a larger scale as well," said MHSAA executive director Mark Uyl. "She often showed a way forward as the MHSAA worked through complex topics, and always with the best interests of students first and foremost."

A graduate of Clinton High School, Isom received her bachelor's degree in science and teaching certification in physical education and health in 1984 from Michigan State University. She earned her master's in elementary education in 1986 from Eastern Michigan University and also has completed graduate courses from Fresno Pacific University.

In addition to the MIAAA and NIAAA, Isom also has been a member of the Michigan Association for Health, Physical Education, Recreation and Dance (MAHPERD) and the Michigan State University Alumni Association. She's been active with the Clinton United Church of Christ and Land & Lakes Ladies Club in various service efforts, and participated in local Meals on Wheels and roadside cleanup projects.

Isom is married to her husband Jerry, and she's also maintained her real estate license for 30 years and is continuing in that work.

"Obviously (the Forsythe Award) being a high achievement, and being nominated by your peers, it doesn't get any better than that. They know everything that goes into this job," Isom said. "I think, like my daughter said, most people said you got paid to go watch games – that's a perception many people have and that's OK, because everybody's job has ups and downs."

"But to have done something 38 years, at the same place, there must have been something you're doing right, and you must have enjoyed it. And it's hard to find that. It kinda makes you feel like everything you've done was worthwhile, that you made a difference in someone's life."

## Behind the Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, nearly 10,000 game officials and 50,000-plus administrators and coaches at over 1,300 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of District, Regional and Final level tournaments by school administrators who serve as the site managers for these games.

The behind the scenes work of these individuals and their staffs make sure that tournament competition is a memorable experience for the participants.

Coordinating the the Finals from the MHSAA office is Assistant Director **Will McKoy**.
