GIRLS COMPETITIVE CHEER TOURNAMENT MANAGER'S MATERIALS

(Alphabetical by topic)

ADMISSION: Ticket prices for the MHSAA Competitive Cheer Tournament are \$7 per person at the District level, \$9 at the Regional level and \$10 per person (per session) at the Finals. Digital tickets will be sold via GoFan at the District and Regional rounds of the tournament. The cost for Competitive Cheer finals is \$13 for each Division. All spectators are expected to pay an admission charge at all levels of the tournament.

It is suggested that a separate area be set up to allow entrance and registration of competing teams and coaches. All team members who are eligible to compete with their qualifying team at all levels of the tournament must enter the facility together with their coach in order to be considered part of that team for admission purposes.

The policies of the local host site shall prevail with respect to pets/animals. In the absence of local host policy, animals or pets shall not be permitted to enter MHSAA tournament venues; including spectator and team areas. However, properly marked or documented service animals which are leashed or harnessed at all times may accompany a spectator paying admission or attending with other approved team or school personnel. Individuals who bring service animals are asked to bring their own waste disposal bags and request special seating in advance of the event if this is needed.

ANNOUNCER: At Districts and Regionals, each Tournament Manager shall secure his/her own personnel for announcer duties. Among other duties, the announcer will use team "commands" throughout the meet, which are: "Team C" you are holding, "Team B" you are on deck, "Team A" you may take the floor and begin when ready. At this time, the team must move without delay to the area.

ASSIGNED SCHOOLS: Only those schools assigned to your District Tournament are allowed to compete. Any other requests for entry must be referred to the MHSAA Office before competition is granted. Please notify the MHSAA if a school fails to attend the competition without notification. The Master Eligibility List and Roster constitute entry into the Competitive Cheer Tournament Series. Additions or updates to the Master Eligibility List (except transfer students who enroll after the dates in Regulation I, Section 9F – February 1, 2026 for winter sports) may be accepted by the Tournament Manager if submitted and received prior to the start of competition for any team in the first level of that tournament to which the school is assigned. All players on the Master Eligibility List submitted are eligible for tournament play even if the individual names are not on the roster.

To be eligible for MHSAA sponsored tournaments, a school must have a bona fide Competitive Cheer team with an actual schedule and have participated in four or more meets in which the competition consists of the Round 1, 2 and 3 MHSAA Competitive Cheer format. By completing the Roster and Master Eligibility Form, the school is attesting to meeting this requirement.

AWARDS PRESENTATION: District and Regional Managers shall make arrangements for a brief awards presentation. Presenters may be school administrators, tournament managers or Representative Council members. Only MHSAA approved awards are to be presented to student athletes at MHSAA tournaments. Award presentations at the Finals will be conducted after each division champion is determined. Presentations at the Finals will be arranged by MHSAA staff.

COACHES TABLE: A coaches table in close proximity to the score table is recommended. One coach may approach the score table area to review scoresheets any time after the routine is completed, but no later than 10 minutes after all scores are recorded for that round.

COMMUNICATION WITH PARTICIPATING SCHOOLS: All District and Regional tournament managers shall provide information packets to participating teams including time schedule, location of facility, locker room assignments, parking policies, restaurant, and hotel information. In addition, information regarding the size and surface of the mat to be used as well as a warm-up schedule and locker room assignments should be provided. Include in your information the fax number where the Round 1, Round 2 and Round 3 scoresheets, all penalty sheets and Round 3 routine description must be sent as well as the date and time this information must be received. Managers may request the information early however, may not penalize a school unless they do not meet the 2 p.m. prior to the day of the meet deadline.

The MHSAA, in conjunction with the event center, will prepare packets of the listed information for each Regional Manager to share with all schools which will be represented in the Finals Tournament.

CONCUSSION PROTOCOLS: “Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health care professional.”

This protocol is intended to provide the mechanics to follow during the course of contests when an athlete sustains an apparent concussion.

1. The officials will have no role in determining concussion other than the obvious one where a player is either unconscious or apparently unconscious. Officials will merely point out to a coach that a player is apparently injured and advise that the player should be examined by a health care professional for an exact determination of the extent of injury.
2. If it is confirmed by the school’s designated health care professional that the student did not sustain a concussion, the head coach may so advise the officials during an appropriate stoppage of play and the athlete may reenter competition pursuant to the contest rules.
3. Otherwise, if competition continues while the athlete is withheld for an apparent concussion, that athlete may not be returned to competition that day but is subject to the return to play protocol.
 - a. The clearance may not be on the same date on which the athlete was removed from play.
 - b. Only an MD, DO, Physician’s Assistant or Nurse Practitioner may clear the individual to return to activity.
 - c. The clearance must be in writing and must be unconditional. It is not sufficient that the M.D., D.O., Physician’s Assistant or Nurse Practitioner has approved the student to begin a return-to-play progression. The medical examiner must approve the student’s return to unrestricted activity.
 - d. Individual school, districts and leagues may have more stringent requirements and protocols including but not limited to mandatory periods of inactivity, screening and post-concussion testing prior to the written clearance for return to activity. Following the contest, an Officials Report shall be filed with a removed player’s school and the MHSAA.
4. Following the contest, an Officials Report shall be filed with a removed player’s school and the MHSAA if the situation was brought to the officials’ attention.
5. Member schools are required to complete and submit the forms designated by the MHSAA to record and track head injury events in all levels of all sports.
6. In cases where an assigned MHSAA tournament physician (MD/DO/PA/NP) is present, his or her decision to not allow an athlete to return to activity may not be overruled.

Regional Tournaments:	Saturday, February 28, 2026

DRAW FOR TOURNAMENT ROUNDS: After team rosters and Master Eligibility Lists are due and received, the Host Manager will conduct a blind draw for each round of competition to determine the order in which teams perform. The following guidelines shall be used when conducting the draw.

- **No team shall compete first more than once and no team shall compete last more than once in the three rounds.**
- **No team which competed last in the previous round should be first to compete in the next round.**

Schools should be contacted regarding the time and date of the draw. This draw should be held between the dates of February 3 – February 6, 2026 and the order as drawn shall be printed and made available to each school prior to the day of the event. It is also appropriate for the order to be placed in a souvenir program and/or be made available in the form of a handout to spectators.

Regional and Finals order will be drawn by the Competitive Cheer Committee.

FINALS TOURNAMENT QUALIFIER: Teams which are defeated by an ineligible opponent or teams which allowed one or more ineligible students to participate; or teams or individuals found to be in violation of contest limitations or maximums do not advance in MHSAA tournaments. If placements in MHSAA tournaments are vacated as a result of an individual being ineligible or a team allowing one or more ineligible students to participate, other individuals or teams neither advance to those placements or receive awards for those places.

FINANCES/EXPENSES: The Financial Report Form must be returned to the MHSAA as soon as possible following the completion of the tournament. All revenue and approved expenses should be included in the report. Payment by check or money order should be made payable to the Michigan High School Athletic Association, Inc. and sent to 1661 Ramblewood Drive, East Lansing, Michigan 48823.

Approved expenses of member schools which host MHSAA Competitive Cheer Tournaments will be reimbursed, plus the site will receive \$300 or 10% of gross ticket sales, whichever is greater. The site will also retain a portion of revenue from MHSAA merchandise sales and 100% of revenue from concessions. No additional rental fee is appropriate. Hospitality rooms, lunches at drawings for order of competition, refreshments for teams, etc., are not to be included in tournament expenses to the MHSAA. The MHSAA does not reimburse workers who are hired by the local tournament manager for any activity which produces revenue for the local site. This includes concession workers, sellers of programs or merchandise and parking attendants.

By Representative Council action, the MHSAA is not permitted to reimburse tournament hosts for refreshments served to coaches and other invited guests. Such hospitality is generous and recommended, however the host school will assume the financial responsibility.

All MHSAA tournament sports sites are subject to audit. These sites are to be randomly selected and require documentation of all income and expenses. Tournament expenses different from regular season host site expenses in that same sport will require justification before expenses are approved for payment to or retention by the host site.

FORFEITURE: Failure to be ready for competition 30 minutes after the scheduled starting time of the tournament will result in forfeiture, unless the team in question has communicated with tournament management of a delay due to unforeseen circumstances. Please also refer to the Inclement Weather Policy.

INCLEMENT WEATHER: Prior to the tournament date, the tournament manager should have the home phone/cell phone number of each coach or school personnel and should also know the time each team will depart from their home school to travel to the tournament site. This information will assist the tournament manager if he/she must contact competing teams to notify them of a later starting time or of a rescheduled date.

If weather is inclement, management is encouraged to consider delaying competition for a few hours. If, after a reasonable delay, fewer than 60% of the scheduled teams/individuals have not arrived, the tournament must be rescheduled. If 60% or more of the scheduled teams/individuals are present, the tournament is to be conducted on the day scheduled. Managers must also contact judges if there are delays or if the tournament is rescheduled.

If a MHSAA tournament meet or contest is postponed or suspended because the facility becomes unusable as a result of acts of person or nature, and the playing rules require that the meet or contest must be played or resumed, the meet or contest must be played or completed on the first available subsequent date, at the same facility. If that facility is unavailable at any future time within the tournament schedule, MHSAA staff shall determine if other facility options are available.

INJUNCTION, RESTRAINING ORDER, PROTESTS: Managers are reminded of the following statement adopted by the Representative Council and which is in effect for all MHSAA Tournaments: "In the interest of fairness to all participants, if an injunction or restraining order is served or presented at an MHSAA tournament site and such purports to require the eligibility of or participation by a student or team which a school and/or the MHSAA has ruled to be ineligible under MHSAA regulations, the on-site tournament manager is to suspend the entire competition (team competition) or events in which that student is intending to participate (individual competition)." If the meet has begun, it shall be completed. Protests will not be reviewed by the MHSAA. All disputes must be decided at the site before the contest proceeds. The judges will make the final decision regarding meet events. The Tournament Manager will resolve all next contest concerns.

INQUIRIES BY COACHES: A coach is allowed to question the addition or scores and check areas left blank on the scoresheet. If a penalty is imposed that needs to be addressed, the steps to follow are: (1) Approach the safety judges (at the safe judge's table) respectfully after they have judged the last team in the round; (2) Inquiries may only be made regarding the coach's own team; (3) The final outcome of the inquiry will be made by the judge.

INTERNET STREAMING: Teams participating in MHSAA Tournaments are prohibited from streaming live video of any portion of an event over the Internet - including using social media platforms like Periscope and Facebook – or any other method. Likewise, individual spectators are also prohibited from streaming video through any means.

Tournament Managers are to remind participating teams of this policy; ensure that team video equipment is not being used to stream live video; read the public address announcements and post the signage provided by the MHSAA; and enforce the policy if a member of a participating team party or a spectator is suspected of streaming video.

JUDGES / ASSIGNMENTS & PROCEDURES: The MHSAA Competitive Cheer Judges Selection Committee will use athletic director's/coach's recommendations and judge's schedules to assign judges to each District, Regional and Finals site. Each manager will be emailed a copy of the contracts sent to judges. Should a judge decline a contract, the manager should contact the MHSAA so a replacement can be found.

Tournament Managers must notify judges of the location of the tournament, parking availability, entrance to the facility and location of the judges' room. The judges' room should be available at least 2 hours in advance of the start of the event in order to review Round 1 and 2 scoresheets and Round 3 routine descriptions.

The judge's fees are set by Representative Council and are as follows:

- District tournament judges will be paid by the District Manager on the day of the tournament a \$125 fee. Mileage is paid to officials traveling at distances over 50 miles (round trip). For each mile traveled over 50 miles (round trip), an official will receive \$.40 per mile.

Judges may wear a designated quarter-zip with the MHSAA horizontal logo in place of a jacket/blazer.

If you have not had access to this group in the past, you will see an invitation to be added in the upper righthand corner of your page in the dropdown menu once you've logged in. Please accept that invitation in order to view and pay the officials assigned to your games.

LOCKER ROOM PRIVACY POLICY: Using devices of any kind to capture or transmit images is strictly prohibited in locker rooms, dressing areas, training rooms, weigh-in rooms, showers, restrooms, or other areas where there is an expectation of privacy during MHSAA tournament events. The performance area shall be padded with mats of uniform thickness which must cover a minimum area of 38' X 38". The tournament manager shall communicate the results of the draw and game results at the conclusion of each contest to the MHSAA and the local media outlets of the participating schools. Draw results shall include the dates, locations and starting times. Game officials and host management have the authority to remove any member of the media for not staying in their designated area in any sport.

MEDICAL EMERGENCY POLICY: Host school Tournament Managers should follow all local school district policies regarding medical emergencies for participating athletes, coaches, student and adult spectators for competition conducted in school facilities. It is advised that AED devices be readily available during tournament competition. In addition:

- Trainers are an allowed expense for the tournament host and are encouraged, but not required.

Each Regional Manager will submit a Regional Manager's Report and the computer-generated Master Tally and email it to kwestdorp@mhsaa.com immediately following the Regional Tournament.

SCORE TABLE: A coach may approach the score table to review scoresheets anytime after the routine scores are verified, but no later than 10 minutes after all scores are recorded for Round 3. Coaches are allowed to see team scores of all other teams. Each round score will be visible to all coaches. Coaches are allowed to review previous round scoresheets up until 10 minutes after Round 3 is completed. Scores that are the result of a clerical error made by the scoring table may be reviewed for correction. All scores are final 10 minutes after posted and judges have signed the master scoresheet.

SCORER AND TIMER: At Districts, Regionals and Finals, each Tournament Manager shall secure his/her own personnel for scoring duties. When possible, the head scorer should wear a badge or item of clothing for identification purposes. Score table personnel usually consists of 3 people. One person receives the scoresheets from the runner and peruses the scoresheets for score boxes that have been missed, and/or scoresheets with no identification. The second person communicates the score and the third person enters the total score into the computer tally system. The MHSAA reimbursement fees are listed on the District, Regional and Finals Financial Report forms.

The District scorekeepers should use the high school 3-judge panel scoresheet which is found on mhsaa.com (Competitive Cheer). The Regional and Finals scorekeepers should use the high school 5-judge panel scoresheet which is found on mhsaa.com (Competitive Cheer). Scores should not be posted for spectators until the completion of the competition in each round. A "P" for penalty may be placed next to a score to indicate that a penalty was assessed. When possible, the score should be shown (only after each round of competition).

Back-up handheld timing devices will also be provided by the host school. The safety judge will begin timing Rounds 1, 2 and 3 with the first word of the routine by a team member on the competition floor and judging begins. (The ready-set call is part of the routine). The safety judge will end timing the routine when the last team member steps off the competition mat; at which time judging is completed.

There must be at least 10 minutes of intermission between each round of competition to allow coaches to check scoresheets and have time with their team. This also allows coaches to make substitutions in case of illness or head injury and to change the routine.

SPORTSMANSHIP: When a student is disqualified during a contest for flagrant or unsportsmanlike conduct, that student shall be withheld by his/her school for the remainder of that day of competition and for at least the next day of competition for that team. Failure of the school for any reason to enforce this regulation will prohibit the school from entry in the next MHSAA tournament for that sport, or from the remainder of the current tournament if the disqualification occurs during an MHSAA tournament or during the last regular season contest. Disqualifications from one season carry over to the next season in that sport for undergraduates and coaches, or the next season in any sport for seniors. If the playing rules for a sport specify an additional penalty or more rapid progression, or use of such a progression for other violations, the playing rules apply.

Any coach who is disqualified for unsportsmanlike conduct two or more times during a season, any player who is disqualified for unsportsmanlike conduct three or more times during a season, and any coach or player who is ejected for spitting at, hitting, slapping, kicking, pushing or intentionally and aggressively physically contacting an official at any time during that season, is not eligible to participate in the MHSAA tournament for that sport that season. If the tournament disqualifying ejection for that individual occurs during the MHSAA tournament, that player or coach is ineligible for the remainder of that tournament.

If a team is removed from competition in protest, the contest is forfeited to the opponent and the coach and principal of the removed team must appear before the Executive Committee to indicate why additional action should not be taken. The Executive Committee may also require the appearance of personnel from other schools and game officials.

If the coach is ejected from the contest and an assistant coach, or an assigned school representative is not available to continue as the coach the event is terminated and forfeited to the opponent. When a contest is interrupted or it ends prematurely because of breakdown of proper sportsmanship and whether or not the on-site officials forfeit the contest to one team, one or both schools may be subjected to any or all, but not limited to, the following: censure, probation with competition, probation without competition, forfeiture, loss of privilege of revenue sharing, expulsion. In addition, it may be required of one or both schools that their coaches and administrators appear before the Executive Committee to indicate why additional action should not be taken.

TAPING/FILMING: Media credential requests for District and Regional meets are processed by local managers. Credential requests for the Competitive Cheer Finals will be handled by the MHSAA. Competing schools may videotape games in which that school competes. The tape is not to be used to second-guess decisions made by meet officials. Spectators may tape games from their normal seating area but are not to interfere with the view of other spectators or news media personnel covering the activity. A MHSAA event may not be filmed or taped for showing in its entirety without advance clearance through the MHSAA.

Spectators must receive permission from the Tournament Manager for any live action taken of athletic events other than snapshots. If permission is granted for spectators to film the entire event or take clips, it is to be with the understanding the tape/film may not be sold, leased, borrowed, or rented for commercial purposes or shown on television. The Tournament Manager should not permit spectators to interfere with the view of other spectators or news media personnel covering the activity. The Tournament Manager may require spectator videotaping from a designated location, and if there is any question as to the purpose of filming or taping, the request will be denied by the local tournament management. Video shot by schools and spectators may not be distributed on the internet; nor may it be otherwise distributed, sold, rented or loaned for commercial purposes.

TEAM CHECK-IN: Each coach is required to declare the number of competitors that will compete in each round. Each coach must email, FAX or send the Round 1, Round 2, and Round 3 scoresheets, all penalty sheets and the Round 3 Description Form by 2 p.m. the day prior to the competition or the time designated by the tournament manager. Although the tournament manager may request an earlier time to receive the tournament materials, there is no penalty to the team unless the Round 1, Round 2, and Round 3 scoresheets, all penalty sheets and the Round 3 Description Form are not received by 2 p.m. the day prior to the event. After the information is sent, changes on previously submitted round sheets or the routine description may be changed the day of the event one half hour prior to the start of the meet.

Similarly, spectators shall not run on the floor. Athletes shall not enter spectator areas and physically contact spectators in the stands. Any cost for repair or replacement to facilities damaged as a result of celebrations shall be paid by the school involved directly to the host facility within 30 days of the bill being submitted to the school. MHSAA reimbursement or revenue sharing will be withheld until paid by the offending school. Future tournament hosting privileges or school reimbursements to offending schools may be withheld if payment is not made.

TIES: Should there be a tie for fourth place at District or Regional tournament competition, both fourth place teams will qualify for the next tournament level. Should there be a tie for first place at Finals tournament competition, a tiebreaker procedure will be instituted. A tie will be broken by checking the final score of Round 3. If a tie still remains, co-champions will be named.

Tournament managers will receive both trophies and medals together in one shipment from ESCO. The box containing the trophies and medals should be opened immediately upon delivery and inspected for accuracy in quantity and engraving. Tournament managers should contact ESCO directly at 1-800-852-4266 with any questions or problems regarding trophy and medal shipments.

One District and one Regional trophy will be awarded at each site per Division. A Champion and Runner-up trophy will be awarded per Division at the MHSAA Finals. UNMANNED AERIAL VEHICLE (DRONE) POLICY: The use of unmanned aerial vehicles ("UAV"), also known as drones, is prohibited for any purpose by any persons at MHSAA tournament venues. Tournament management shall refuse admission or entry to anyone attempting to use a UAV; and if necessary, tournament management shall remove anyone attempting to use a UAV and/or confiscate the UAV until the event has been completed. For purposes of this policy, a UAV is any aircraft without a human pilot aboard the device.

An exception to this policy may be made in specific cases for MHSAA broadcast partners, provided the management of the tournament facility permits the presence of UAVs for broadcast purposes under the control of the MHSAA.

WITHDRAWAL POLICY: Tournament management is to contact the MHSAA office if a school withdraws or fails to show for scheduled competition after the Opt Out Due Date for team sports or the pairings, heat assignments or flights are determined for individual sports of the first level of the MHSAA tournament in that

sport. The MHSAA staff person responsible for the sport will request from the school principal a written explanation for the no-show/withdrawal. If the reason is determined to be unacceptable by MHSAA Staff, the MHSAA Executive Director will place the school on probation for the next two school years. A second offense within the two-year probationary period will cause the school to be prohibited from tournament play in that sport for the two years following the second offense.

YOUTH PROTECTION POLICY: During the MHSAA Tournament events, the MHSAA expects all designated managers, volunteer or paid staff assisting in the event, officials or any other personnel to follow local school district policy and state statute regarding the mandatory reporting of child abuse, bullying, hazing and sexual harassment. A report of such activity shall be made to legal authorities and to the MHSAA Executive Director or his designee.
