*** Please have your athletes to the starting line 10 minutes before the scheduled start of their race***

Team Tents: There is plenty of room for team tents. The Team Tent area is on the Southeast grass cove between the high school and the cross country course tree line. Please keep your tents and tarps within this area. **Absolutely no teams will be allowed to set up camp along the course straightaway, the soccer fields, nor the awards area.** Please remind your student-athletes that they are on school grounds and therefore should remove all trash from their area at the end of the meet.

Uniforms: Please remind your athletes that MHSAA rules governing uniforms & temporary adornment shall be upheld. Watches and jewelry are allowed.

Coaching: Per MHSAA mandate, coaches are NOT allowed to use any transportation aids such as bikes, scooters, etc. to move around the course.

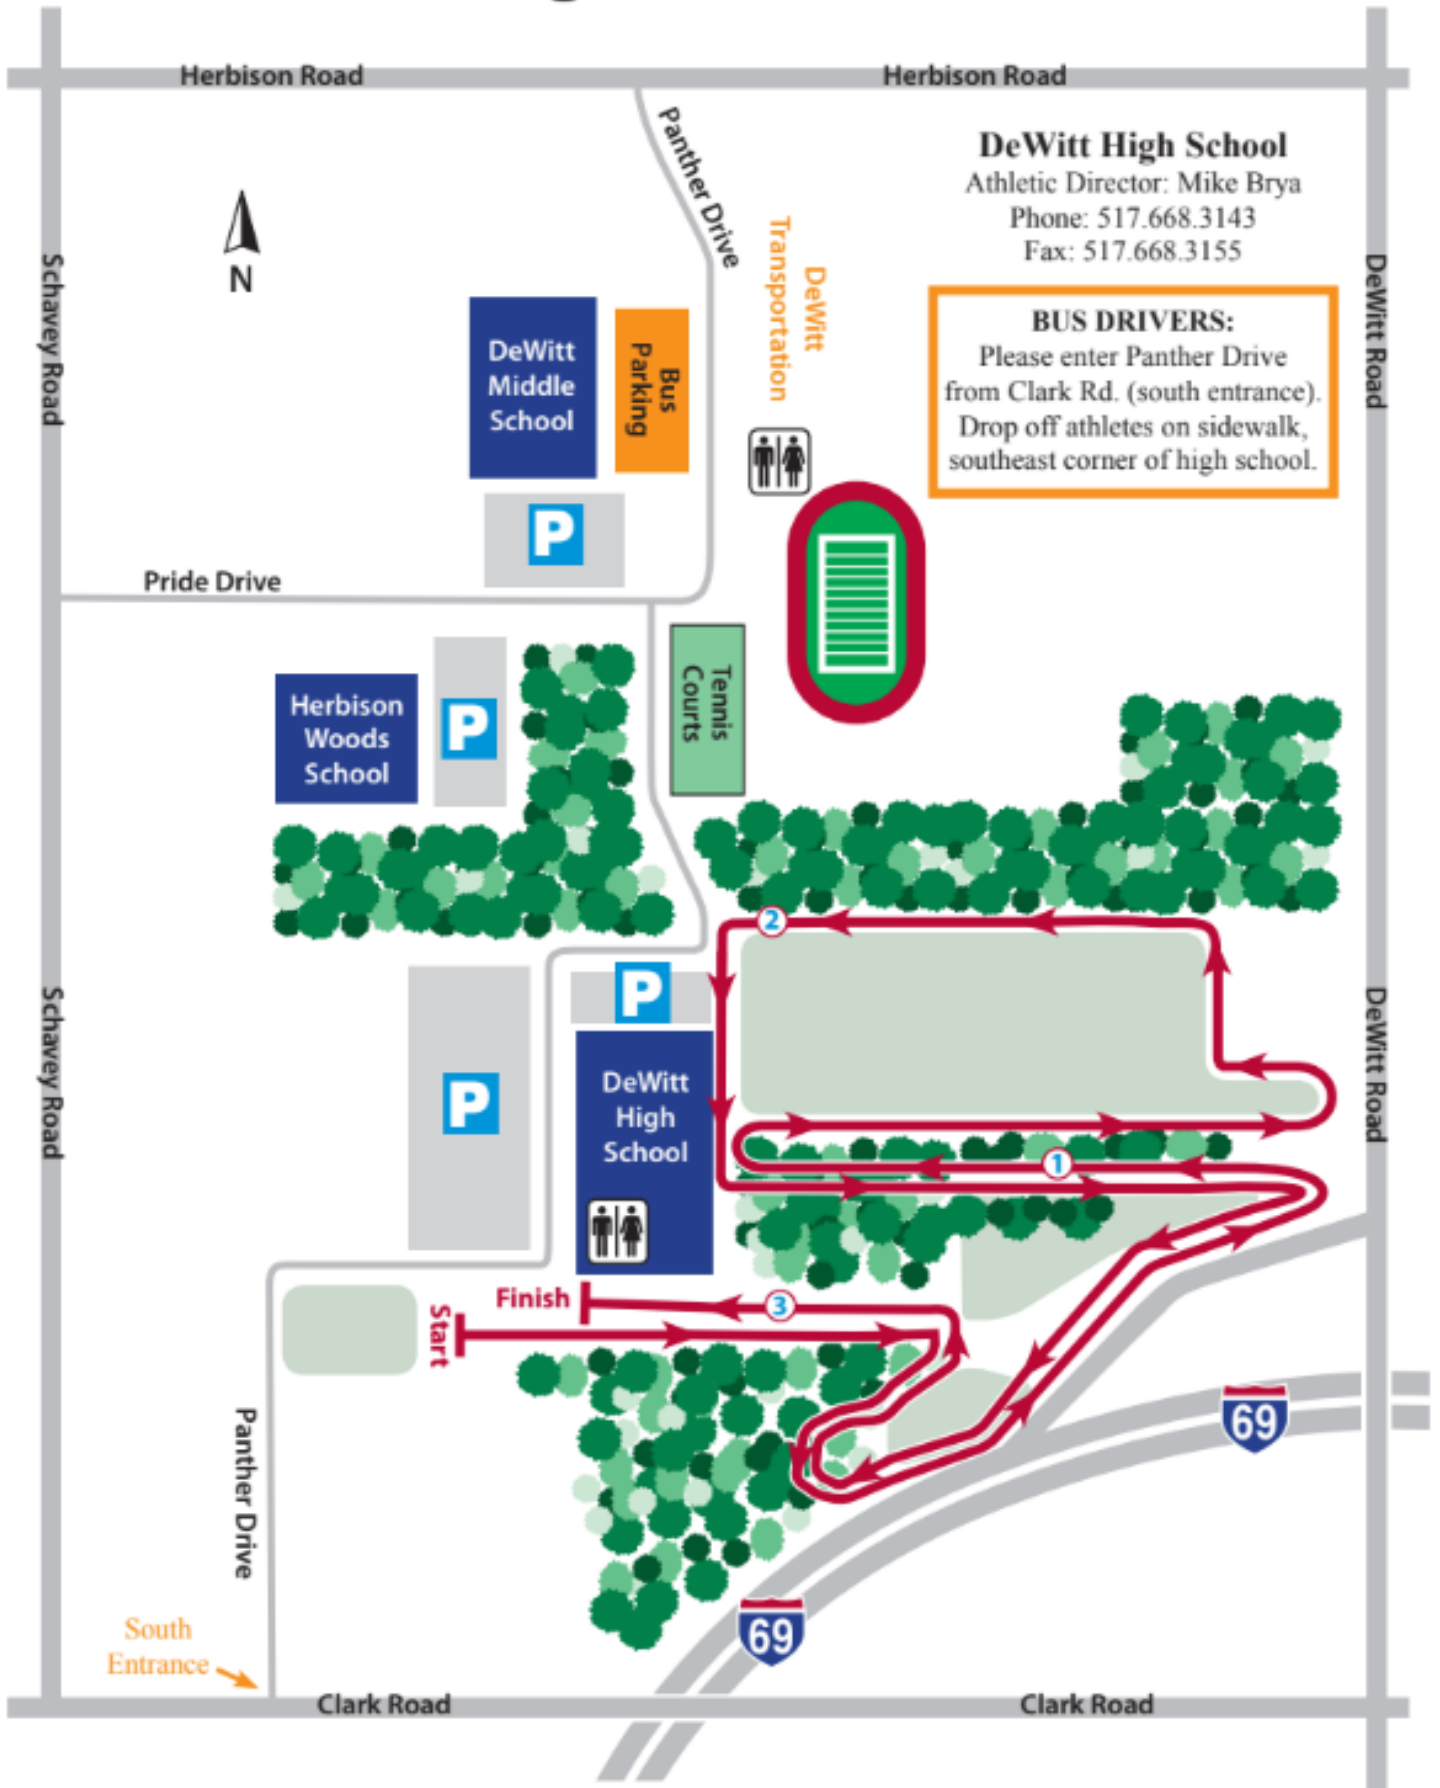

Pets: **NO PETS ALLOWED** at Regional or State Championship meets. Please advise your cross country enthusiasts and families of team members.

Awards: The Award Ceremonies will take place in the grass cove Southwest of the high school. Medals are awarded to the top 15 places in each Varsity race; 7 medals and a team trophy to the championship team from each division. If a student-athlete is not present for the awards ceremony, their coach should pick-up all medals earned before departing; medals will NOT be mailed.

- Scoring:** All events will be scored using Athletic.net. Traditional cross country scoring will be used. Runners will be given a number to wear on the front of their singlet. The number includes a tear off section at the bottom. Please check this for accuracy and report any mistakes to the scoring table located near the school marquee.
- Results:** Final results will be available for coaches 15 minutes after the completion of each race. A copy will be posted on the backside of the school marquee, near the awards area. The results will also be submitted to the MHSAA and Athletic.net for publication on their websites. Results will be posted. There will NOT be printed copies.
- State Meet:** **(A) Team Qualification** – The top 3 teams (1st, 2nd, and 3rd) will automatically qualify from the Regional to the Final Run. If a school finishes fourth (4th) in the Regional meet with four or more runners in the top 20 places and eight (8) or more complete teams finish the race, that school will also qualify a team for the Final Meet.
- (B) Individual Qualification** – All individuals receiving a medal (top 15) will advance to the Final Meet. If the number of individual medalists is less than seven, then the additional qualifiers (up to seven) will be taken from the individual runners following the 15th place.
- If your team (or individuals) qualify to the State Meet be sure to pick up your State Meet packet prior to departing. State Meet packets will not be mailed.**
- Appeals:** The Head Referee will be the final authority on judgments and interpretations of the rules. A Board of Appeals will be called if deemed necessary by the Head Referee and the Meet Manager. The Board of Appeals will consist of a men's head coach and women's head coach. If called, please respond immediately. All decisions by the Appeals Board will be final. Judgment call made by officials may NOT be appealed.
- Security:** Coaches please inform your athletes NOT TO LEAVE BAGS OR PERSONAL ITEMS UNATTENDED FOR LONG PERIODS OF TIME. It is preferred that student-athletes leave "gear bags" at their team camp or on the bus. Meet personnel are instructed to pick up stray bags throughout the duration of the meet.
- T-shirts:** A limited number of event-specific merchandise from E. A. Graphics will be available.
- Concessions:** Concessions will be available.
- Medical Needs:** There will be an EMT available. Ice and water will be available at the finish line.
- Additional Information:**
- Spectator admission fee is \$10 per vehicle (except buses). Cash ONLY.
 - Please set up your team tents in the designated area. Don't make our volunteers or meet officials ask you to move. It's a hassle and annoyance for everyone involved—coaches, student-athletes, and meet personnel.
 - Please warn parents and spectators NOT to crowd the finish area. It will be roped off, but this does not stop some determined individuals. Please try to monitor your people so that they do not interfere with staff working at the finish line.
 - Ask your athletes to collapse after they exit the chute as it makes everything a lot easier for our finish line workers. (They just ran 5000 meters, walking 50 more should not be an issue.)
 - Coaches, please enter runners that are capable of being competitive in a Regional race. It is a tight time schedule and waiting for non-competitive runners who are jogging the race places a real strain on the schedule. Results cannot be computed until the last runner has crossed the finish line. (A good reference point would be girls that cannot finish in under 30 minutes and boys that cannot finish in under 25 minutes.)
 - Please make parents aware that meet officials will not deal with any protest lodged by a parent. Meet officials will work with coaches only.

Good Luck to all runners and coaches!
