2026 MHSAA Lower Peninsula Cross Country Finals

November 7

Welcome

Welcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That's the beauty of educational athletics. The takeaways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

Recently, the MHSAA celebrated its 100th year. As we begin the second century of school sports in Michigan, let's remember and be thankful for the efforts of all those who have made this Final tournament experience so special.

Congratulations for reaching the end of the tournament road. Good luck to all!

Record Day at the Speedway in '25

What was up with all the incredible times being run by Michigan high school cross country girls last fall? Times that once seemed unapproachable were being run fairly regularly by the top girls in the state. Times that once guaranteed a spot on the all-state podium are no longer fast enough.

Otsego senior **Emma Hoffman** (right) won the 2025 MHSAA Lower Peninsula Division 2 championship with a time of 16 minutes, 50.1 seconds at Michigan International Speedway. It was a Division 2 record and the fourth-fastest time ever at MIS, but only the second-fastest time on a day in which Ann Arbor Pioneer sophomore Natasza Dudek ran a course-record 16:09.5.

Dudek's time was the fastest in the nation last year and Hoffman's 16:20.6 in her home invitational was fourth.

"It's crazy to have that happen here," Hoffman said. "Michigan's getting really, really good at running. Cross country times are getting crazier and crazier every year."

And, with Dudek only a sophomore, there might be more to come. Her record time shattered the mark of Pioneer alum Rachel Forsyth's 16:28.5 in 2023.

"It really is an honor," Dudek said. "I'm blessed to be out here healthy and able to run this fast."

Forsyth is someone Dudek looks to for advice, but she isn't the only mentor in her life. Dudek's sister, Zofia, was the 2019 Division 1 champion.

"Rachel's very sweet, very fast," Dudek said. "I look up to her a lot. She sometimes comes out to our practices, gives us some tips. She's a great person. Zofia is always out there for me. She's always supporting me, always calling me, texting me, telling me no matter what happens, everything's OK and she's proud of me."

Dudek's teammates were fast enough to win the school's seventh MHSAA Finals championship and first since 2021, as Pioneer got the sweep. The battle for the team championship was much closer than the individual race, with Pioneer scoring 96 points to beat two-time defending champion Romeo by seven.

The Pioneers had four runners break 18 minutes. Following Dudek across the line were Sienna Klemmer (eighth, 17:38.8), Hana Boggess (13th, 17:56.9) and Keira Von Blon (14th, 17:57.2).

In Division 2, Gaylord senior Katie Berkshire was second in 17:03.0, 11th fastest overall at MIS. It was a surreal race in which Hoffman had a large lead over Berkshire, who in turn had a large lead over a talented pack of runners with sub-18 credentials.

"My coach preaches all the time to get out hard and relax," said Hoffman, who won 10 of 11 races in 2025, the only loss being to Dudek. "So, I just knew going into this to just continue that."

Hoffman was second at the Finals as a freshman and junior, taking 17th as a sophomore. Hoffman hoped to take home two championships, but her team finished second in a close battle with Holland Christian – which scored 113 points to beat top-ranked Otsego by six for its first championship.

Avery Engbers was sixth in 18:05.0, Eliana Stob 17th in 18:29.1, Annika Stob 33rd in 18:45.1, Layla Geurink 42nd in 19:03.8 and Ellery Lampen 54th in 19:17 for Holland Christian.

Charlevoix Tradition Reborn with Boys Sweep

The Charlevoix boys cross country dynasty took place decades before Hunter Eaton was born, but that history is never far from him and his teammates.

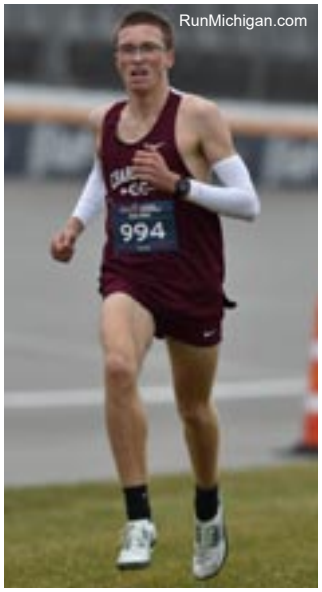

"You think of those guys and all the history and we've got to start it back up a little bit," Eaton said. "We've got to keep up with it."

Consider Charlevoix's tradition revived.

The Rayders clinched their first MHSAA Finals championship since winning seven Class C titles during a 10-year span from 1982-91 by emerging victorious in a three-way battle at Michigan International Speedway last fall.

Charlevoix scored 131 points to win by seven over Lansing Catholic. Jackson Lumen Christi was third with 143.

In the process, Eaton became the first Charlevoix boy to win an MHSAA Finals individual championship since two-time winner Scott Miller won the Class C team race in 1989. Eaton finished in 15:30.8 to win by three seconds over Gage Hoffman of Central Montcalm.

The Rayders did their alumni proud.

The team even has two Drenths, coach Doug, and junior Maxwell, who continue a family lineage. Walt Drenth coached at Charlevoix in the 1980s and is the former coach at Michigan State University.

"We have Walt Drenth come talk to us every year," Eaton said. "He's our coach's brother. They had a brother, Jeff Drenth, who passed away. We have another guy who came to us last summer, Bill Taylor (from the 1982 and 1983 championship teams). It's very motivating, because they want to see us do well."

Eaton was in a battle with Hoffman and Christian Craanen of Monroe St. Mary through two miles, as the runners were separated by one second. Eaton opened up a four-second lead in the third mile and had enough left for a kick at the finish. Eaton was ninth in 2024 and 42nd as a freshman.

Ryder Hopkins was 10th in 15:58.4, Matthew Solomon 19th in 16:10.2, Drenth 57th in 16:36.5 and Aurie Selph 119th in 17:12.2 for Charlevoix.

Repeat Champions Find Awards Podium

No course map was necessary for a few teams and individuals finding their route to the awards stand at the 2025 MHSAA Lower Peninsula Cross Country Finals.

Three teams and two individuals repeated as champions last fall, led by Northville's boys and Whitmore Lake's girls.

Division 1 Boys

Northville became the first boys team to win four consecutive championships in the MHSAA's largest classification since Kalamazoo Central won four in a row in the open division and Class A from 1925-28.

Only four other teams have won three championships in a row in Class A or Division 1.

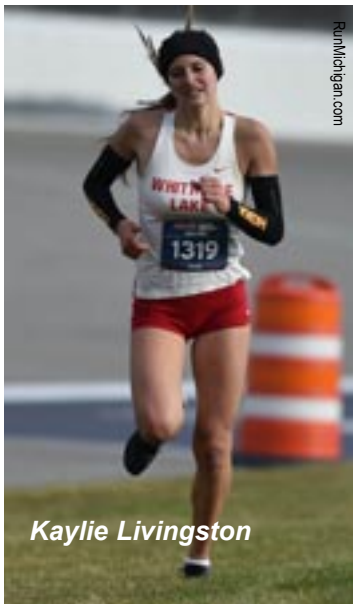

junior Brandon Cloud and senior Ben Hartigan have been part of Northville's last three championships. Hartigan came to MIS as an alternate but didn't run as a freshman.

Cloud finished second to Ann Arbor Pioneer's Kamari Ronfeldt, who won the race in 14:50.6, the fifth-fastest time ever at MIS. Senior teammate Beckett Crooks finished fourth in 14:59.0, making he and Ronfeldt the only teammates to break 15 minutes at MIS.

Northville offset Pioneer's firepower up front with some star power of its own. Following Cloud (14:52.8) across the line were Hartigan in eighth place (15:12.8), Ryan Stojov in 10th (15:17.6), Ethan Hertza in 61st (16:00.7) and Emmanuel Coates in 103rd (16:18.7).

Division 4 Girls

Whitmore Lake made it three team crowns in a row behind junior Kaylie Livingston, who won her second individual title in a row in 18:30.7.

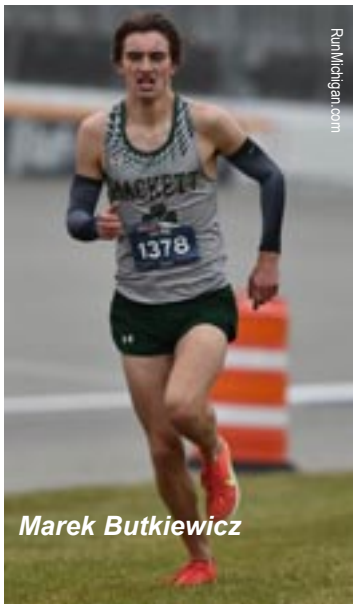

Yet, of even more importance to Livingston was being part of a championship team at the Finals for the third year in a row.

The Trojans achieved the three-peat by scoring 140 points to finish ahead of runner-up Hillsdale Academy by 18. It was the sixth Finals championship for Whitmore Lake.

Livingston has been the front-runner leading the Trojans to all three titles. She took second as a freshman behind Buckley senior Aiden Harrand, who won with a Division 4 record of 17:38.9.

In addition to Livingston, Carina Burchi, Sofia Robertson and Elodie Weaver have been members of all three championship teams at Whitmore Lake. Malynda Lambros and Caroline Darrah ran for the last two championship teams.

Division 4 Boys

Kalamazoo Hackett Catholic Prep senior Marek Butkiewicz won his second title in a row last fall with a time of 15:27.0. He won by 10.6 seconds ahead of Harbor Beach senior Brody Karg.

Butkiewicz gave up soccer in 9th grade and threw himself into his new sport. He was 52nd at the Division 4 Final as a freshman in 17:42.2 before moving all the way up to sixth as a sophomore in 16:12.2.

As a junior, he set the Division 4 Final record by winning in 15:09.7.

In the team race, second-ranked Holland Calvary Christian scored 110 points to outpace Maple City Glen Lake by 21. The Crusaders were Division 4 runners-up the previous two years.

Christian Getz was eighth in 16:13.9, Noah Schipper 18th in 16:29.5, Gibson White 27th in 16:46.4, Brody VanTuinen 43rd in 17:05.2 and Regan Downing 70th in 17:29.5 for Holland Calvary.

Division 3 Girls

In dominating fashion, Lansing Catholic repeated as team champion with 69 points to win by 110 over Pewamo-Westphalia.

The Cougars put four runners on the all-state (top 30) podium. Josie Bishop was sixth in 18:38.4, Grace Wonch seventh in 18:38.7, Anna Drauer 11th in 18:51.1 and Isabelle Currie 17th in 19:06.0. Frances Melinn was 42nd in 19:49.1 to complete Lansing Catholic's score.

It was the third Finals championship for the Cougars, who also won in 2017.

The race for individual honors was much closer. With time nearly running out, Jackson Lumen Christi junior Samantha Schroeder unleashed a furious kick to win the race with a time of 18:07.0 seconds. Hailey Creisher of Leslie Creisher finished second in 18:11.2.

Division 2 Boys

Whitehall junior Bobby Jazwinski won a kick to the finish against East Grand Rapids senior Jonah Workman, finishing in 15:07.1 to win the Division 2 championship last fall. Workman finished in 15:12.1.

Four runners were within 2.6 seconds of each other in the lead pack through two miles before it came down to Jazwinski and Workman at the end.

Bobby's sister Jessica won two Finals championships and set the girls Division 3 record of 17:08.8 in 2023.

In the team race, Flint Powers Catholic won its first Finals championship since 1999 by a 98-106 margin over East Grand Rapids one year after not even reaching MIS.

The Chargers finished fourth at their Regional in 2024, sending Bryce Gross and Lennox Naswell to the Finals as individual qualifiers.

It was Naswell who led the charge, placing fifth in 15:24.7. Gross was 11th in 15:38.2, Tommy Beiter 30th in 16:00.3, Caleb Carignan 48th in 16:17.5 and Ryan Rathsburg 51st in 16:19.6.

Michigan International Speedway

Michigan International Speedway is the site for the 2026 Michigan High School Athletic Association Lower Peninsula Cross Country Finals — the 31st time the Finals for all classes, both boys and girls, will be held on the same course on the same day.

Michigan International Speedway opened in 1968. Over 2.5 million tons of earth was moved to construct the two-mile oval and two, 1.9-mile road courses. The road courses wind through the infield and behind the backstretch, parts of which form the route the runners will follow today. Runners could see a variety of wildlife while winding through the hilly terrain behind the backstretch, including many deer which live on the property. MIS is home to one of Michigan's largest paid-admission sporting events each year. Fans also enjoy NASCAR and ARCA Menard Series events during race weekends in June and August.

Michigan International Speedway has provided the use of this unique, 1,400-acre facility, as well as many of its services to the MHSAA for this meet at a discounted rate. The MHSAA hopes you enjoy your visit to the beautiful Irish Hills.

Protecting What Makes High School Sports Different

In a changing sports landscape, one question matters more than ever: What do we want high school sports to be?

College athletics is having a national conversation about its future and what it wants to become. Those debates are a good reminder that high school sports are unlike any other level of athletics, and that distinction is worth protecting.

The scoreboard matters, but the purpose of education-based athletics and activities extends far beyond wins and losses. High school athletics gives students the opportunity to compete, grow, learn valuable life lessons and develop the character and skills that will prepare them for success long after their playing days are over.

In a time when many Americans feel increasingly disconnected from one another, schools remain places where people come together.

Change is inevitable, and high school athletics must continue to evolve to meet the needs of today's students. But as the landscape changes, we must make sure the experience remains recognizable for what it has always been: designed to serve high school students as a supplement to the educational experience.

That responsibility becomes even more important as outside forces continue to shape the sports landscape, and leaders in high school athletics have an opportunity to be intentional about preserving the distinct identity of high school sports.

That is where the 51 NFHS-member state high school athletics and activities associations play such an important role.

Across the country, these state associations work every day to create opportunities for students to participate while establishing the guardrails necessary to protect student-athletes and their schools.

Those guardrails are not restrictions; they are protections designed to promote competitive equity, establish consistent eligibility standards, protect the well-being of students and keep athletics connected to the educational mission of schools.

The decisions being made at the collegiate level today could shape expectations for athletics at every level tomorrow, and the best time to decide what high school athletics should be is now – before someone else makes that decision.

High school athletics is more than a collection of games and competitions. Every week during the school year, thousands of communities across the country come together around high school athletics and activities. In a time when many Americans feel increasingly disconnected from one another, schools remain places where people come together.

A Friday night football game, a basketball tournament, a state championship, a concert or a theater performance can bring students, families, educators and entire communities together around a shared experience.

That is the power of education-based athletics and activities. They not only benefit the participants, but society as well, and it's why protecting the purpose of high school sports matters and why the work of our 51-member state associations matters.

The NFHS will continue to support our state associations as they work to ensure that students across the country have meaningful opportunities to play, perform and compete – together.

Sports will continue to change, and it's our responsibility to ensure that, through that change, high school athletics remains true to its purpose and focuses on the students it serves.

Scholar-Athlete Award in 38th Year Awarding Scholarships to Students

Thousands of students voluntarily extend their classroom day by taking part in extracurricular activities, often improving their academic achievements in the process. The value that such programs play in the total education of a high school student is highlighted through the MHSAA/Farm Bureau Insurance Scholar-Athlete Award, which will award $2,000 scholarships to 32 top student-athletes and recognize over 2,000 other outstanding individuals in 2026-27.

Underwritten by Farm Bureau Insurance, the Scholar-Athlete Award is now in its 38th year, and presents scholarships to students in every MHSAA enrollment classification. The scholarships may be used at any institution of higher learning.

"It is amazing to see the number of young people who are proven achievers in academics and activities," said Mark Uyl, executive director of the MHSAA. "At a time when our educational system is coming under fire, the Scholar-Athlete Award is something that proves how important athletics are to the development of a well-rounded person."

Students applying for the Scholar-Athlete Award must be graduating during the 2026-27 school year, carry a 3.5 grade-point average, and have previously won a letter in a varsity sport that the MHSAA sponsors postseason competition.

Applicants will also be required to show involvement in other school/community activities and submit an essay on the importance of sportsmanship in educational athletics.

Application materials can be found on MHSAA.com. Scan the QR code to access the page.

Each MHSAA member school is allowed to nominate a number of student-athletes based on the size of the school. Class A schools can nominate six boys and six girls, Class B four boys and four girls, Class C three boys and three girls and Class D two boys and two girls. The first 30 scholarships will be awarded based on this graduated scale, with two additional scholarships intended for minority applicants.

FARM BUREAU INSURANCE®
Michigan's Insurance Company

A committee composed of school administrators from across the state will select regional and statewide winners.

Farm Bureau Insurance, a long-time supporter of MHSAA activities, also sponsors other educationally oriented programs.

The 32 scholarship recipients will be recognized at the MHSAA Boys Basketball Finals at the Breslin Student Events Center in East Lansing in March 2027.

The annual MHSAA Scholar-Athlete ceremony is one of the highlights of the winter season. More information about the awards may be obtained by contacting your local school principal, athletic director or guidance counselor. The online application form can be found at MHSAA.com/scholarship.

Student Advisory Council Aids MHSAA

Eight student-athletes who will be juniors at their schools during the 2026-27 academic year have been selected to serve two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of MHSAA championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2026-27 are **Addi Diepenbrock**, Ada Forest Hills Eastern; **Avery Edwards**, Kingsford; **Maci Godfrey**, Hudson; **Karly Grant**, St Ignace; **Liam Arnold**, Macomb Dakota; **Kyle Hunter**, Detroit Voyageur College Prep; **Rahul Prasanna**, Novi; and **Eli Wolters**, Holland.

Those eight new members were selected from 127 applicants, the second-largest group of applicants during the 20 years of the council. The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 155 schools from 53 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 12 MHSAA sports, and six will be the first SAC members from their respective schools.

The Student Advisory Council generally meets eight times each school year, and once more for a 24-hour leadership camp. In addition to assisting in the promotion of the educational value of interscholastic athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

This school year, the Council handed out championship trophies at Finals events, led sessions during four Sportsmanship Summits, provided feedback to the MHSAA Representative Council on proposed rule changes, and provided behind-the-scenes social media coverage at MHSAA championship events. They also were featured in public service announcement videos broadcast throughout the last school year.

Student Advisory Council Belief Statement

As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.

We believe athletes should be competitive, sportsmanlike and excel academically. We believe students in the stands should have fun, but not take the focus away from the game. We believe coaches should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that parents should always be positive role models and be supportive of their child's decisions. We believe officials commit their own time to high school sports and respect should always be shown and given to them.

The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.

The new additions to the SAC will join the Class of 2027 members who were selected a year ago: **Nichole James**, Detroit Edison; **Mia McGregor**, Mio; **Camryn Siegers**, Holland Christian; **Lucy Weber**, Fenton; **Brody Hammer**, Middleville Thornapple Kellogg; **Sam Bentley**, Ypsilanti Lincoln; **Mason Mireles**, Hartford; and **Joey Smokevitch**, Johannesburg-Lewiston.

MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, nonpublic schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

Finals Notes

Behind The Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, nearly 8,000 game officials and 50,000-plus administrators and coaches at over 1,500 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of District, Regional and Final level tournaments by school administrators who serve as the site managers for these games.

The behind the scenes work of these individuals and their staffs make sure that tournament competition is a memorable experience for the participants.
