This card is a reference to the officials that are working this particular contest. **ONLY RATE OFFICIALS LISTED ON THIS CARD**, even if additional names are listed on the contest in the online rating system. Ratings submitted should be assigned based on each individual official's performance and not for the crew as a whole. There is a 48-hour "cool down" period before ratings may be submitted; however, it is recommended that ratings be submitted within one week of the conclusion of the contest so that the details are still fresh on your mind. This card provides you a record of who worked and the back can be used to take notes that pertain to specific officials. Rate officials at [MHSAA.com](http://MHSAA.com).
