# 2025 MHSAA FOOTBALL FINALS

NOVEMBER 28 & 30

## Welcome

**W**elcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That’s the beauty of educational athletics. The takeaways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

Last year, the MHSAA celebrated its 100th year. As we begin the second century of school sports in Michigan, let’s remember and be thankful for the efforts of all those who have made this Final tournament experience so special.

Congratulations for reaching the end of the tournament road. Good luck to all!

— *Mark Uyl*

# CASS CRUSHES DOUBTERS IN D1

The players and coaches on the Detroit Cass Tech football team heard the rumblings when they started last season 2-2. They heard the calls for coach Marvin Rushing's job. They heard the doubts sprouting up about their ability to compete for a Finals title.

Rather than let the noise break them apart, they used it to rally.

Cass Tech QB Donald Tabron II threw for 176 yards and gthree TDs to help lead his team to the title.

The Technicians put it all to bed with a 42-20 victory against Hudsonville in the Division 1 championship game at Ford Field.

"Everything we did was intentional – we purposely played Rockford to get ready for Dakota – we played those teams knowing we'd have games like this. We went to Ohio intentionally to get ready for all this, and every lesson we seemed to get better from," Rushing said. "The biggest reason we're here is our two losses. Those prepared us for today. It's unfortunate that so many people don't understand that great things can come sometimes from setbacks."

The title was the fourth in program history for Cass Tech, and first since 2016, when it completed a remarkable run of three titles – and four Finals appearances – over six seasons.

"The day before check-in day, I chose to stay and play for my team and with my little brother James Johnson," said senior receiver and defensive back Alex Graham, a Colorado commit who was at IMG Academy in Florida a year ago. "One of my goals my whole season was to win a state championship, and we got the job done. So, I'm real happy to do that."

Graham had his usual stat-stuffing performance for the Technicians, who closed the season with 10 straight wins to finish 12-2. He had 54 yards and a touchdown on the ground, 57 yards on four catches through the air, and added six tackles, a forced fumble and an interception on defense.

His fellow wideout, Corey Sadler Jr., meanwhile, had six catches for 47 yards and two TDs.

All those catches and yards came from the hand of freshman quarterback Donald Tabron II, who finished the night 15-of-20 for 176 yards and three TDs.

"It's a great thing to have around me. It helps me play a balanced game on offense," Tabron said. "We can run the ball, pass the ball. When you have guys like CJ and Alex, it kind of makes it easy for me as the quarterback. I know that no matter where I put the football, they're going to make a play."

Cass Tech dominated the first half, and by the time Hudsonville found its footing, the hole was too deep.

The Technicians scored on their first three possessions, driving 81 yards in nine plays on their first, and taking advantage of short fields on the second two, putting Hudsonville in a tough spot early in the second quarter.

Jaylen Spates scored the first touchdown on a five-yard run, while Sadler scored the next two on passes of 16 and six yards from Tabron. Sadler's first score followed a short Hudsonville punt, while his second came after a Cass Tech fumble recovery deep in Hudsonville territory.

Tabron added a third TD pass late in the second quarter, hitting Will Sykes for a 19-yard score. That was also a short field, as Graham had intercepted a pass, setting Cass Tech up on the 19.

"We made some mistakes, and Cass Tech's a really good football team," Hudsonville coach Brent Sandee said. "Our kids battled the whole time and represented our school and our community real well. I'm really proud of us and the way we played."

Cass Tech had a chance to add another score after recovering a fumble in Hudsonville territory with 1:10 to play in the first half, but the Hudsonville defense made a stand to keep the score 27-0.

That didn't last long, though, as Graham scored on a 54-yard run two plays into the third quarter.

Hudsonville got on the board with a 1-yard QB sneak for a touchdown by Griffin Baker. The score was set up by a 22-yard throwback to Baker from Braden VanLaecke.

Baker finished 8-of-12 for 112 yards passing for the Eagles (12-2), with Carson Dykstra catching four passes for 74 yards. Owen Haarsma led the Hudsonville ground game with 95 yards on 13 carries.

## MILLINGTON ROLLS TO 1ST TITLE

Dallas Walsh and his Millington teammates achieved a childhood dream at the 2024 Division 7 Football Final. But for the sea of red in the Ford Field stands, and the few left watching at home, it was the fulfillment of a dream that started decades before the current Cardinals had taken a single snap.

A suffocating defense combined with a big day on the ground from Walsh gave the Cardinals a 24-0 victory against Monroe St. Mary Catholic Central, bringing a first Finals trophy to Millington.

"It's definitely an amazing feeling," Walsh said. "I've been playing with these guys since I was probably 8 years old. This is something we've all dreamt of, and it's really an amazing experience. Our whole community backed us the whole way."

The Cardinals were making the first Finals appearance in program history, as they were 0-6 in prior Semifinal appearances.

That just made getting over the hump that much more special.

"It means the world to us," Millington coach Jason Germain said. "We don't have a lot in our community, but we have our Friday nights and we have our football program. That's what it really, truly means. I'm telling you, it's going to be a good night in Millington tonight."

That fun night would no doubt include tales of a monstrous defensive effort from the Cardinals, which included three forced turnovers and allowing just 3.2 yards per play.

SMCC came into the Final averaging 36.3 points and 240.5 rushing yards per game, but wasn't able to get anything going against a stout Millington front. The Falcons were held to 131 yards of total offense and 68 yards on the ground.

The Cardinals held SMCC to 2.3 yards per carry, and when quarterback Ian Jones did drop back to pass, he was often greeted with a defender in his face. Millington finished the game with four sacks, getting two apiece from Logan Myers and Brevin Hendricks.

The Cardinals also forced three interceptions, with Truk Terbush picking off two and Owen Kreger snagging the other.

Offensively, Walsh, who had a team-high eight tackles, rushed for 114 yards and a touchdown, while Landon Russell had 67 yards on two carries, including a 64-yard TD run. Terbush finished 7-of-12 for 58 yards and a touchdown, and one interception.

Millington (13-0) had a significant field position advantage through most of the first half, and it was finally able to cash in on that late in the second quarter when Walsh opened the scoring with a 21-yard touchdown run.

Millington later took a 10-0 lead with a 25-yard Larry Shoens field goal.

Landon Russell added a 64-yard TD run late in the third quarter on what was by far the game's most explosive play. Russell's run covered more ground than the SMCC offense had been able to gain up until that point (50 yards).

## OLSM RETURNS TO TOP FORM

Orchard Lake St. Mary's football program already had won eight Finals titles and finished second six times. But before 2024, it hadn't played in a championship game since 2016.

Which for the Eaglets felt like an eternity.

"This is where Orchard Lake belongs – playing games after Thanksgiving," said third-year coach Jermaine Gonzalez, a former standout for the Eaglets.

That "drought" was wiped out in emphatic fashion as OLSM defeated a physical Byron Center team at its own game, at the line of scrimmage, in a 35-19 win in the Division 2 Final at Ford Field.

Byron Center, which finished 12-2 after advancing past Regionals for the first time in school history, came out of the gate on fire, thrilling its huge throng of orange and black-clad fans.

Senior Kellen Payne opened the scoring on a 9-yard run. After a seven-yard run by St. Mary's Darrin Jones Jr. tied the game, the Bulldogs went ahead early in the second quarter on a 56-yard burst around right end by sophomore Cam Payne, Kellen's younger brother, making it 13-7.

St. Mary's running back Darrin Jones Jr. led the Eaglets' ground attack with 181 yards.

Hockey Weekly Action Photos

But at that point, St. Mary's was able to swing the game's momentum. It started on offense late in the second quarter, as OLSM went 47 yards in eight plays, capped by a 12-yard run from Bryson Williams, which gave it a 14-13 halftime lead.

Jones and Williams proved to be a lethal 1-2 punch out of the backfield. Jones led all rushers with 21 carries for 181 yards and two touchdowns, while Williams added 13 rushes for 109 yards and two TDs.

In the third quarter, St. Mary's defense took over with a series of big hits. Defensive tackle Ryan Harrington came up with a huge sack on Byron Center quarterback Landon Tungate less than a minute into the second half, causing a fumble which teammate Kyrie Williams pounced on. Two plays later, Williams dashed in from three yards out – giving the Eaglets a 21-13 lead.

The most decisive moment came late in the third quarter, when the Eaglets faced a 4th-and-17 from the Bulldogs' 33-yard line. With Kellen Payne right in his face, 6-foot-4 senior quarterback Axel Newell hung in and delivered an absolute dime to Angelo Chapman running up the seam for a 33-yard score and a 28-13 lead.

The Bulldogs, who brought the biggest crowd of the day despite a snowstorm in West Michigan, kept coming back behind senior quarterback Landon Tungate, who finished 9-of-16 passing for 49 yards and rushed 16 times for 90 yards. Cam Payne rushed eight times for 122 yards and caught two passes.

## GOODRICH DREAM COMES TRUE WITH FIRST CROWN

Over his 32 years as head football coach at Goodrich, Tom Alward had come close once but was never able to hoist a state championship trophy.

But that all ended in 2024 as his Martians invaded Ford Field and rolled to a 35-6 victory over Niles in the Division 4 Final.

After falling 22-0 to Grand Rapids South Christian in the 2022 D4 championship game, Goodrich put on an impressive display in all three phases – offense, defense and special teams – to finish a 13-1 season and earn its first Finals title.

“I never gave up on a dream, and these guys are the ones who made it come true,” Alward said. “We tell the guys we want to get better every year. And I’ve had 32 of them get better. It’s been a great ride.”

To show how dominant the Martians were, Goodrich outgained the Vikings 424-96 in total yards.

Goodrich showed great balance offensively as junior quarterback Tanner Mazich was 6 of 9 passing for 168 yards and a touchdown, while senior running back Chase Burnett rushed for 157 yards on 28 carries and a pair of TDs. Junior Jakob Lagat contributed 76 yards on 12 carries along with another TD run.

It was only two years earlier when Mazich, then a freshman, was serving as a scout team quarterback during the Martians’ 2022 tournament run.

“I got to experience it,” the 5-10, 165-pound junior said. “I just remember how disappointed everyone was with the loss, but I think it helped us win this game today.”

The Martians took a 7-0 lead with a 10-play, 68-yard drive resulting in a Mazich 21-yard TD strike to senior Max Macklem with 4:38 to go in the first period.

Burnett then scored on a 1-yard TD run with 9:49 remaining in the second quarter as the Martians marched 74 yards on 11 plays to make it 14-0.

Goodrich’s Zaiden Hall then came up with an interception at his own 49 with 6:27 to go in the half to set up Burnett’s 6-yard TD

run just 78 seconds later for a 21-0 advantage following Landon Williams’ third straight PAT.

Goodrich got the ball to start the second half, and the Martians used 7:50 to score on a 16-play, 73-yard drive culminating in a Colton Burnett one-yard TD run to go up by 28 points. On the first play of the fourth quarter, Lagat scored a 12-yard run as the Martians pushed the lead to 35.

Niles, a winner of 12 straight after losing its season opener 30-7 to St. Joseph, couldn’t find any bargains offensively against the Martians’ suffocating defense. If there was any consolation for the Vikings, it came with 1:02 remaining when Peyton Gordon rushed 35 yards for the game’s final score.

## BEAL CITY STAYS GROUNDED IN CLIMB TO CHAMPIONSHIP

No stranger to MHSAA Finals appearances, Beal City put an exclamation point on its 2024 season by upending Riverview Gabriel Richard, 43-14, for the Division 8 title.

The Aggies (12-2), using a highly-effective ground attack, secured their third championship in 10 tries matching the feats of their 2009 (D8) and 1994 (Class D) title teams.

Beal City racked up 315 yards on the ground led by senior **Drew Block** (right), who finished with 112 yards on 20 carries and two touchdowns. Owen McKenny chipped in with 12 carries for 88 yards and a TD, while Garrison Zuker contributed seven for 64.

Beal City’s Brad Gross, in his 10th season as head coach, has been part of the program for nearly 23 years. He was a player on that ‘94 team and was the offensive coordinator in 2009.

“They all mean a lot,” Gross said. “To be the head coach and get your first one ... it’s just awesome. I’m a Beal guy; when I’m done coaching, it will be at Beal.”

Gabriel Richard quarterback Nick Sobush was 9 of 18 passing for 120 yards and a TD for the Pioneers (11-2). He also added 51 yards rushing on 12 carries with a score.

Gabriel Richard, making its inaugural Finals appearance,

scored first taking its opening possession 72 yards in just three plays. The drive was capped by Sobush’s 53-yard TD toss to Derek Lesko followed by Joey Calhoun’s 2-point conversion run to make it 8-0 just 1:19 into the game.

Beal City answered on its first offensive possession to make it 8-all after Drake Gatrell returned the ensuing kickoff to the 50. Six plays later Block scored on a 2-yard run and McKenny added the 2-pointer with 7:48 to go in the first.

With 4:39 remaining in the opening quarter, the Pioneers went for it on 4th-and-4 at their own 49 only to turn the ball over as Block intercepted a pass on his own 13. That led to a nine-play, 77-yard TD drive for the Aggies capped by Block’s 5-yard TD run followed by Kyle Martin’s PAT to give Beal City a 15-8 advantage with 39 seconds remaining in the first quarter.

On its next possession Gabriel Richard, going for it on 4th-and-9 from the Beal City 40, came up empty on an incomplete pass, which led to the Aggies increasing their lead to 22-8. Quarterback Cuyler Smith connected with McKenny, who made a leaping grab just over the goal line for an 8-yard TD catch on 4th-and-2 with 2:30 to play in the first half.

## ND PREP TAKES TO THE AIR

It had been hard to find room to run against Frankenmuth all of 2024, so in the Division 5 Final, Notre Dame Prep went to the air.

Quarterback **Sam Stowe** (below) threw for 293 yards and four touchdowns as the Fighting Irish made the most of their first Football Finals appearance with a 42-7 victory.

"The lights weren't too bright for our offense," Stowe said. "Having playmakers like Joey (Decasas) and Billy (Collins), Drew (Heimbuch) – they make me look good. I couldn't have asked for a better offense tonight."

The win capped a historic season for the Irish, who won a school-record 12 games and the first Regional title in program history. To end it with a win on the season's final day was, of course, special for everyone involved, but especially for NDP coach Pat Fox, who finished his

Hockey Weekly Action Photos

11th season with a Finals title win against his alma mater.

"I actually live there now, too," Fox said with a smile. "I was the benefit of tremendous coaching, and I played for the greatest head coach in the state, Ralph Munger. He raised all of us in a specific way, and because of him I have a great life. I owe my life to that program."

NDP outscored opponents 241-59 over five playoff games on their way to the title.

Stowe utilized his weapons on the outside to offset a Frankenmuth defense that was outstanding all season.

Frankenmuth entered the game having allowed just 473 yards on the ground all season, and the Irish didn't have a ton more luck for most of the game. But the passing game was lethal, and made all the difference.

Stowe did most of his damage in the first half, including all four touchdown passes. He hit Collins for 87- and 25-yard scores, Michael Wiebelhaus for a 23-yarder, and Decasas on a 47-yard score.

Collins caught four passes for 126 yards, while Decasas had three catches for 70 yards.

## RECORD DAY FOR DUX RB

Keaton Hendricks put his name atop the MHSAA Football Finals record book in 2024, scoring six touchdowns to lead Zeeland West to a 42-22 Division 3 victory against Detroit Martin Luther King.

But following his record-setting performance, the senior back made sure to rattle off the names of as many teammates as he could while dispersing the credit.

"The performance couldn't have gone without my offensive line, they blocked things up perfectly," Hendricks said. "Even the backs, Isaac (VanderZwaag), Jonah (Leslie), Brody (Maas) or Brandon (Holman), they carried out their fakes tremendously, and that's what led to the scores. Also Trey (Sloothaak) on those beautiful throws. He just dropped it right in there."

Hendricks (below) finished with 129 yards and three TDs on the ground, and had three catches for 25 yards and three scores.

His three receiving TDs are tied for second most in a Finals game with 10 others.

The title is the fifth in program history for Zeeland West, and first since 2015.

The Dux (13-1) never trailed, and held at least a two-score lead for much of the game. That had a lot to do with an opportunistic defense, which forced three turnovers, including two in the red zone. But anytime King did break through, it couldn't find a way to back it up by stopping Zeeland West's powerful T-formation run game.

Zeeland West rushed for 327 yards in the game, averaging seven per carry. It wasn't just Hendricks, as Sloothaak added 124 yards on 12 carries, and VanderZwaag had 54 yards on his 10 carries.

Hockey Weekly Action Photos

Much of the damage was done in the first half, when the Dux rushed for 194 yards. Hendricks had 104 yards and three touchdowns (49, 14 and 30 yards) on nine carries in the first half.

He also had a 6-yard touchdown reception on a play that wasn't designed for him. Sloothaak, the quarterback, rolled and looked to his left, but with all options covered, made a last-second glance to his right, where Hendricks was all alone.

Hendricks scored on a very similar play early in the third quarter, this one coming from 11 yards out and stretching the lead to three scores at 34-14.

## LUMEN ADDS TITLE NO. 14 USING FAMILIAR FORMULA

The more things change in high school football – with the proliferation of spread offenses and sophisticated passing attacks – the more things stay the same at Jackson Lumen Christi.

The Titans won their MHSAA-record 14th title of the MHSAA playoff era with an old-fashioned power running attack which didn't look a whole lot different than what they rode to their first championship at the Pontiac Silverdome back in 1977.

Only the names have changed, and the big name for these Titans was senior running back **Kadale Williams** (right), who rushed 27 times for a Finals-record 314 yards and five touchdowns in a 56-18 victory over Lansing Catholic at Ford Field.

"It's a very special moment," said Williams. "I couldn't have done it with those guys up front. We have a special chemistry and bond and, honestly, it's going to be sad moving on."

Lumen Christi, which finished 13-1 with its only loss coming at Pontiac Notre Dame Prep in Week 2, simply couldn't be stopped, as its offense scored touchdowns on its first eight possessions, building up a 21-6 lead after one quarter, 42-12 by halftime and 56-

18 after three quarters.

Williams registered scoring runs of 36 and 6 yards in the opening quarter, 76 and five yards in the second quarter and, finally, a 2-yard run in the third quarter.

Williams was able to get a head of steam on many of his runs behind the offensive line of senior center Tim Smiley, senior guards Drew Sweeney and Andy Salazar, senior tackle Maverick Stergakos and junior tackle Antwon Baker. Salazar was also 8-for-8 on extra-point kicks.

By the time the trophy was raised, Lumen held a commanding 435-87 edge on the ground.

# Participating in Multiple Sports, Activities Continues to be Best Route to Success

**T**here has been an ongoing debate for years regarding the advantages or disadvantages of focusing on one sport during teen and high school years vs. playing multiple sports.

Some people have argued to be successful in a particular sport at the college level requires a person to devote all energy to that sport throughout high school. While this approach may work for some, an ever-increasing majority of athletes believe playing multiple sports leads to more success – on the athletic front and careers outside sports as well.

And recent events would substantiate that viewpoint regardless of age. Athletes who competed in high school sports many years ago, as well as current and recent participants, have similar views.

All four former high school athletes who were inducted into the NFHS National High School Hall of Fame this summer played multiple sports in high school.

Anna Maria Lopez participated in volleyball, basketball, and track and field at St. Mary's Academy in Portland, Oregon, before excelling at volleyball at the University of Southern California. Caryn Schoff-Kovatch, the leading scorer in New York high school girls basketball history at St. Johnsville High School, also was all-league in soccer and softball.

Tim Dwight was a standout football and track athlete at City High School in Iowa City, Iowa, before his stellar college and professional careers. And Prince Amukamara played football, basketball, and track and field at Apollo High School in Glendale, Arizona, before his 11-year NFL career.

"I think it is truly beneficial to play multiple sports," Amukamara said. "I was just a natural-born competitor, and I felt like I was good at a lot of things, so I never thought the one-sport mindset was for me. Growing up, I was so thankful for a program out here in Arizona called GRASP (Glendale Recreation After School Program). They really encouraged us to do a lot of sports. I was pretty good at a lot of sports, and I loved competing, so I tried them all."

In the recent NFL Draft, 222 of the 253 athletes (88 percent) who were drafted participated in multiple sports in high school. Miami quarterback Cam Ward, the No. 1 selection, played basketball and football at Columbia High School in Texas. Other first-rounders who excelled at multiple sports included Tyler Warren, tight end from Penn State who played football, basketball and baseball at Atlee High School in Mechanicsville, Virginia, and Jaxson Dart, University of Mississippi quarterback who played football and baseball in Draper, Utah.

Emeka Egbuka, wide receiver from Ohio State, played football and baseball at Steilacoom High School in Washington and credits baseball as a contributing factor to his athleticism.

More recently, similar stories of playing multiple sports were shared at the NFHS National Student Leadership Summit held last week in Indianapolis. During one of the general sessions, more than 90 percent of the 211 attendees, all

of whom were junior or seniors currently involved in high school sports or other activity programs, indicated they currently were participating in multiple sports.

Playing multiple sports in high school is truly a winning formula. In addition to enhancing chances for a college scholarship and playing a sport at the highest level, there are innumerable benefits for the 95 percent of high school athletes who will not play at higher levels.

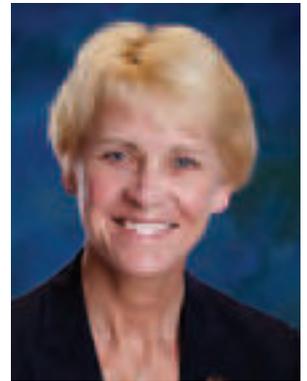

Multiple-sport participants have a reduced risk of overuse injuries, are able to learn from multiple coaches, participate in cross-training which leads to better athleticism, have better mental development and teamwork skills, and have a reduced chance of burnout in sports. Further, students can enjoy multiple activities concurrently, such as participation on a sports team while also belonging to a performing arts group.

It is incumbent on coaches, administrators and state associations to pave the way for students to be involved in multiple sports – and other activity programs. Many have done a great job at opening these doors, including Jane Berry-Eddings, longtime speech and debate coach at Sprague High School in Salem, Oregon, who was inducted into the National High School Hall of Fame earlier this summer.

"I've had students who were drum majors and students who were on the track and cross country teams, and I've had football players and basketball players who were involved in speech and debate," said Berry-Eddings. "I've always encouraged them to look at their schedule and pick what they wanted to do."

NFHS member state associations continue to add more sport offerings, which make it possible for more students to be involved in a sport or activity of their choosing. Most recently, the Hawaii High School Athletic Association added its 21st sport – surfing – to its offerings of state championships.

Whether the goal is to participate in high school sports and activities to have fun with their peers, or to achieve a college athletic scholarship, or to be a lifelong participant, the best route to achieving a successful, healthy balance in life is to participate in multiple sports and other activities. time.

# Scholar-Athlete Award in 37th Year Awarding Scholarships to Students

Thousands of students voluntarily extend their classroom day by taking part in extracurricular activities, often improving their academic achievements in the process. The value that such programs play in the total education of a high school student is highlighted through the MHSAA/Farm Bureau Insurance Scholar-Athlete Award, which will award \$2,000 scholarships to 32 top student-athletes and recognize over 2,000 other outstanding individuals in 2025-26.

Underwritten by Farm Bureau Insurance, the Scholar-Athlete Award is now in its 37th year, and presents scholarships to students in every MHSAA enrollment classification. The scholarships may be used at any institution of higher learning.

“It is amazing to see the number of young people who are proven achievers in academics and activities,” said Mark Uyl, executive director of the MHSAA. “At a time when our educational system is coming under fire, the Scholar-Athlete Award is something that proves

how important athletics are to the development of a well-rounded person.”

Students applying for the Scholar-Athlete Award must be graduating during the 2025-26 school year, carry a 3.5 grade-point average, and have previously won a letter in a varsity sport that the MHSAA sponsors postseason competition.

Applicants will also be required to show involvement in other school/community activities and submit an essay on the importance of sportsmanship in educational athletics.

Application materials can be found on MHSAA.com. Scan the QR code to access the page.

Each MHSAA member school is allowed to nominate a number of student-athletes based on the size of the school. Class A schools can nominate six boys and six girls, Class B four boys and four girls, Class C three boys and three girls and Class D two boys and two girls. The first 30 scholarships will be awarded based on this graduated scale, with two additional scholarships intended

for minority applicants.

A committee composed of school administrators from across the state will select regional and statewide winners.

Farm Bureau Insurance, a long-time supporter of MHSAA activities, also sponsors other educationally oriented programs.

The 32 scholarship recipients will be recognized at the MHSAA Boys Basketball Finals at the Breslin Student Events Center in East Lansing in March 2026.

The annual MHSAA Scholar-Athlete ceremony is one of the highlights of the winter season. More information about the awards may be obtained by contacting your local school principal, athletic director or guidance counselor. The online application form can be found at [MHSAA.com/scholarship](https://MHSAA.com/scholarship).

# Student Advisory Council Aids MHSAA

**E**ight student-athletes who are juniors at their schools during the 2025-26 academic year are serving two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of MHSAA championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2025-26 are: **Nichole James**, Detroit Edison; **Mia McGregor**, Mio; **Camryn Siegers**, Holland Christian; **Lucy Weber**, Fenton; **Brody Hammer**, Middleville Thornapple-Kellogg; **Sam Bentley**, Ypsilanti Lincoln; **Mason Mireles**, Hartford; and **Joey Smokevitch**, Johannesburg-Lewiston.

Those eight new members were selected from 125 applicants, the second largest group of applicants in the 20 years of the council. The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 148 schools from 53 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 11 MHSAA sports, and six will be the first SAC members from their respective schools.

The Student Advisory Council generally meets eight times each school year, and once more for a 24-hour leadership camp. In addition to assisting in the promotion of the educational value of interscholastic athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

This school year, the Council handed out championship trophies at Finals events, led

## Student Advisory Council Belief Statement

As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.

We believe athletes should be competitive, sportsmanlike and excel academically. We believe students in the stands should have fun, but not take the focus away from the game. We believe coaches should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that parents should always be positive role models and be supportive of their child's decisions. We believe officials commit their own time to high school sports and respect should always be shown and given to them.

The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.

sessions during four Sportsmanship Summits, provided feedback to the MHSAA Representative Council on proposed rule changes, worked on a mental health initiative, and wrote the script for a public service announcement on adult spectator sportsmanship that was included in broadcasts throughout the last school year.

The new additions to the SAC will join the Class of 2026 members who were selected a year ago: **Itzel Albarran**, Bronson; **Harper Barnhart**, Brownstown Woodhaven; **Diamond Cook**, Southfield Christian; **Henry Ewles**, Pontiac Notre Dame Prep; **Cole Haist**, Big Rapids; **Frannie Keeley**, Jenison; **Trey LaValley**, Romeo; and **Ethan Stine**, Bridgman.

# MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, non-public schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

## Behind The Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, over 8,000 game officials and 50,000-plus administrators and coaches at over 1,300 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of District, Regional and Final level tournaments by school administrators who serve as the site managers for these games. The behind-the-scenes work of these individuals ensures a memorable experience for the participants.

The MHSAA thanks tournament staff for the 2025 Finals: **Donta Favors**, **Ricky Gonzalez**, **Paris McCarthy**, **John Clair**, **Keith Stephens**, **Tyler Smith**, **Justin Terry**, **Bobby Wirick**.

Coordinating the Finals from the MHSAA office is Assistant Director **Will McKoy**, along with several MHSAA staff.

The MHSAA would like to recognize the efforts of these individuals and the other individuals who have donated their time and talents to make the Finals a success.
