

13th ANNUAL 8-PLAYER FOOTBALL TOURNAMENT

2023 Rules and Regulations 8-Player

Introduction

The 13th Annual MHSAA 8-Player Football Tournament will be conducted on:
Oct. 27 or 28 (Regional Semifinal), Nov. 3 or 4 (Regional Finals), Nov. 11 (Semifinals), Nov. 18 (Finals).

The Representative Council has attempted to set up financial allowances for competing team expenses and for schools hosting playoff games. It should be kept in mind that participation in MHSAA tournaments is voluntary and that total expenses of teams are not guaranteed. Cooperation of all schools will assure an equitable return of funds to both entertaining and competing schools and will enable the MHSAA to continue services to member schools and promote meets and tournaments in all sports.

8-PLAYER SCORING SYSTEM

Will follow the point awards for 11-player, Division 8. **25 points** if you defeat an 8-player team. All varsity football games involving MHSAA member schools must result in a win or loss. Varsity games ending regulation play in a tie score must be decided by the MHSAA-approved overtime procedures. Sub-varsity games will **not use** the tie-breaking procedure.

Bonus points are earned as follows and are figured only based on games played:

8 bonus points are earned for each game one of the opponents you defeated wins.

4 bonus points are earned for each game one of the opponents you defeated ties.

4 bonus points are earned for each game one of the opponents you tied wins.

1 bonus point is earned for each game one of the opponents you tied ties.

1 bonus point is awarded when an opponent who defeated you wins. (No points for your defeat to the opponent.)

- Add the playoff points and write as a fraction. The sum of the playoff points is the numerator and the number of games played is the denominator. Add the bonus points for each opponent separately and write as a fraction. The bonus points of the opposing team are the numerator and the number of games played by that opponent is the denominator. Then add these two fractions for a total. (After adding the fractions, adjust to a decimal number to the nearest thousandth (92.8888 will become 92.889) to determine the playoff average.)
- Varsity games only are to be counted. Non-varsity games are not recorded.
- Out-of-state opponents are classified based on Michigan classification. Only the first **nine games** of an out-of-state opponent's schedule, played prior to the selection of Regional qualifiers, will be included in the strength of schedule playoff point calculation.
- The number of points a team scores against an opponent have no bearing on the playoff point system.
- **MHSAA Handbook policies on inclement weather (lightning and tornado specifically) shall be followed. The game resumption delays may be extended by host schools as a tournament policy superseding the game time and delay schedules used for regular season.** Regular season games cancelled because of acts of God or emergency closing of facilities will not be counted unless they are rescheduled and played before the fourth Sunday of October. All games contracted before second Saturday in September and played before the fourth Friday of October will count toward the playoffs even though the game may not have been reported to the MHSAA.
- **Games arranged/contracted after second Friday of September may count toward playoff points if the agreement to play is the result of game cancellations by previously contracted opponents for reasons of health or lack of available players and subject to MHSAA approval.**
- Students who transfer from one school to another and are eligible immediately under one or more of the exceptions to the transfer rule and eligible under all other regulations, are eligible for MHSAA tournaments only if they are enrolled in the new school (actual attendance in one or more classes and on the official records of the school) prior to Oct. 1 (fall sports).
- Eligibility lists shall be treated the same as during the regular season as in Regulation II, Section 4.
- Games forfeited for reasons including but not limited to:
 - Use of an ineligible player.
 - Refusal to play for any reason will be recorded as a win for the aggrieved school and a loss for the offending school. All playoff and bonus points will be awarded even if the game was not played.
 - If a member school forfeits a varsity football contest and it is alleged by the opposing school that the forfeit is for reasons other than health or risk issues or other compelling circumstances but rather to avoid competition, the forfeiting school principal, athletic director and head coach must appear before the Executive Committee to show cause why other sanctions should not be applied to the forfeiting school.
- Prearranged league games will be figured into the computations if designated prior to Oct. 1. Games played after the third Saturday of October will not be figured into the 2023 playoff computations. Leagues and conferences engaged in crossover matchups must submit to the MHSAA office prior to the start of the regular season, the exact method of matching teams in crossover games.
- Schools may play the same opponent more than once during the season and receive separate playoff and bonus point totals for each game.
- **Schools are responsible for reporting weekly scores to the MHSAA.** Also, schools are responsible for knowing their playoff total and average score. If a discrepancy occurs, the MHSAA is to be notified by the aggrieved school before 4:30 p.m. on the Thursday of that week.
- After the first week of competition football averages as determined by MHSAA systems will be released not later than each Wednesday. It is the intention of the MHSAA to publish names of schools in position to qualify for the playoffs by their team record and/or playoff average. School enrollments and number of scheduled games will be included in the report.
- Once qualifying teams are publicized Selection Sunday Oct. 22, 2023, if it is discovered that a qualifying team used an ineligible player during the regular season and the forfeiture of that game(s) would have caused that qualifying team to not qualify, that team will be withdrawn from the Playoffs, but no team will replace it. That team's scheduled Regional Semifinal opponent will receive a

'bye' and advance in the bracket. If it is discovered that a non-qualifying team used an ineligible player, no changes will be made in qualifying teams, their seeding or home and away designations.

- **8-Player games will count only in 8-player playoff points. 11-Player games will count only for 11-player playoff points.**

Reporting Procedure

Each home team is responsible for entering their own win/loss on the MHSAA Web site within one hour after game.

Selection Process

There will be 32 Division 1 and 32 Division 2 teams selected to participate in a four-week playoff in two divisions. The top 32 teams from each division with the highest playoff point average will qualify. A minimum of **seven** 8-Player games must be played to be declared a qualifier. If the original field of qualifiers includes more than 32 teams because of ties, the field will be reduced to that number using the 11-player tie-breaker procedure.

Regional/Semifinal Pairings & Game Hosts

- On Selection Sunday the 16 qualifying schools will be divided into four geographic regions of four teams each.
- Using playoff point averages, teams will be seeded within each Regional Semifinal to determine opponents and hosts. The highest average team will host the fourth highest seed, and the school with the second highest average will host the third highest seed.
- If two or more qualifying teams finish with identical point averages within a Regional Semifinal, the tie will be broken as follows:
 - If the tied teams played each other, the winner would receive the higher ranking.
 - If a tie still exists, the wins of your opponents will be totaled and divided by the total games played and the higher percentage will be selected for the higher ranking.
 - If a tie still exists, the team will be selected by a coin toss conducted by the MHSAA staff in the East Lansing office.
- Changes in home and away designations and opponents within a Regional Semifinal may be made no later than 10 a.m. Monday, Oct. 23, if they are the result of MHSAA clerical error. Games may be played on Friday at 7 p.m. or 7:30 p.m., Saturday at 1 p.m., 7 p.m. or 7:30 p.m., unless teams mutually agree to a different time.
- In the second week of playoffs the Regional Semifinal winner with the highest playoff average will host the Regional championship game.
- When the distance between competing schools is within 75 miles, the host school will determine the day and time of game. Games may be played at 7 or 7:30 p.m. Friday, 1 p.m. Saturday afternoon or at 7 or 7:30 p.m. Saturday. If the distance between schools is over 75 miles, agreement as to date and time must be made by both schools. If agreement is not reached, the game must be played Saturday afternoon.
- Schools listed as being on a probationary status with no hosting or reimbursement privileges may not host any level of competition and will not receive any share of competition receipts or reimbursement for participation.

Regional Final Game Hosts

Regional championship games will be hosted by the Regional Semifinal winner with the highest regular season playoff average. If both teams have the same average, the tie will be broken by the published tiebreaker procedure. Game times will be determined on the same basis as Regional Semifinal games.

Semifinal Game Host

Semifinal contest will be hosted by the Regional Final winner with the highest regular season playoff average. If both teams have the same average, the tie will be broken by the published tiebreaker procedure. Game dates and times may be Friday (11/10/23) or 1:00PM on Saturday (11/11/23), or a mutually agreed upon time.

The Point Differential Rule will be in effect during regular season and playoffs. There is to be no practice by the opponent on game fields the week prior to Regional Semifinal, Regional, Semifinal and Final games (unless approved by the MHSAA). Host schools are exempt from this regulation. Roster: A maximum of seven (7) school coaches and four (4) managers/statisticians will be permitted in the team boxes during all playoff games. Cheer squads shall follow either the MHSAA **Cheerleading Guidelines** or the guidelines approved by their local school district for regular cheerleading, whichever is more restrictive & limiting. Local school districts are **RESPONSIBLE** for enforcing restrictions which are more limiting than the MHSAA guidelines. All cheer squads shall adhere to all guidelines provided by the tournament manager. Representative Council action in May of 2004 prohibits tunnels for players by spectators, bands, or others (but permitted for cheerleaders) at any location and any level of MHSAA tournament play.

Schools should furnish their own **TEAM PHYSICIAN**. The host manager, however, is required to have medical personnel on duty and to secure emergency ambulance service if possible. Schools are to notify the MHSAA if they do not have a physician for the Final game.

A report of such activity shall be made to legal authorities and to the MHSAA Executive Director or his designee.

Image taking Devices in Locker Room and Locker Room Privacy Policy

Using devices of any kind to capture or transmit images is strictly prohibited in locker rooms, dressing areas, training rooms, weigh-in rooms, showers, restrooms, or other areas where there is an expectation of privacy during MHSAA tournament events. Tournament managers or athletic directors that discover such use should move immediately to have the device removed and inform the head coach or athletic director of the identity and nature of the activity of the person involved.

Tournament Game Ball

Each competing school will present (3) NFHS legal, and MHSAA approved game balls of its choice from those listed in the Wilson product line. **Each tournament qualifying team will receive one Wilson ball after the tournament.** The Representative Council has affirmed that all games of the MHSAA Football Playoffs will use any of the models of the Wilson Footballs that are consistent with National Federation Football Specifications. If one of the participating schools does not provide appropriate game balls that school will use one of the approved Wilson models provided by the opposing school. If the school refuses to use the opposing team ball the game will be forfeited.

Tobacco and Alcohol Policy

Use of alcohol or tobacco, including e-cigarettes or other smoking devices, is prohibited at MHSAA tournament events by players, coaches, and spectators. Managers should stress in coaches' meetings that they are not to use tobacco at the tournament venue.

Pre-game and Halftime Entertainment for all Playoff Games

Participation by school bands is optional. If the participating schools do not have a band, the MHSAA will determine the pre-game and halftime entertainment at the Finals. Representative Council action in May of 2004 prohibits tunnels for players by spectators, bands, or others (but permitted for cheerleaders) at any location and any level of MHSAA tournament play. **Representative Council action in May of 2007 requires the following policy: Bands may play during the pregame, any dead ball, halftime and after the game, and bands may play from the official's dead ball whistle until players break the huddle for traditional huddle offenses or to the official's whistle for ready to play when non-traditional, no-huddle offenses are used.** Bands will play either from the stands or in either end zone, no further than the 25-yard line. The following will prevail if both bands desire to participate.
