Please review the following information regarding the Finals. Any additional questions should be directed to our office at 517-332-5046 or e-mail at: cole@mhsaa.com. Please pay particular attention to the coaching duties, privileges and restrictions and player scoring responsibilities.

GENERAL INFORMATION – MHSAA BOYS GOLF FINALS

(Information listed alpha by subject)

ADMISSION – Spectator admission is \$10.00 per car, per day, payable at the parking lot entrance of each venue. Teams and/or individual golfers will be admitted at the entrance.

ALCOHOL/TOBACCO POLICY – Use of alcohol or tobacco, including e-cigarettes or other smoking devices is prohibited at MHSAA tournament events by players, coaches, and spectators. Managers should stress in coaches meetings that they are not to use tobacco at the tournament venue.

CARTS – Motorized carts are not allowed for competitors. Players with physical disabilities may receive authorization from the MHSAA to use motorized carts by submitting a physician's statement of need in advance to the MHSAA. Pull carts (non-motorized types) are allowed at player expense.

Policies regarding motorized carts for coaches are specifically stated in the Participating School Tournament Information. Although it is preferred that coaches walk with their team, motorized carts may be rented by coaches with tournament manager approval. While each school is allowed two school-designated coaches, each school is only allowed one coach cart. Coaches who rent carts may share cost with other school designated coaches. Cart rental, at coach's own expense, is \$20 per day at each Finals course. Carts are not to be used to provide transport for spectators. Any abuse of the cart policy will result in loss of cart use for the school coach for the remainder of the tournament. Should weather conditions prevent carts from being issued to coaches, they will be required to walk the course.

Use of spectator carts is not permitted at MHSAA Finals.

However, exceptions may be made to accommodate spectators with mobility-related disabilities. To request a spectator cart, individuals must provide either: (a) appropriate documentation, such as, a state-issued handicapped parking permit, a physician's statement, disability insurance award letter, or letter from the U.S. Department of Veterans Affairs confirming a mobility impairment; or (b) other credible assurance that mobility assistance is reasonably necessary for purposes of the event.

All cart requests are subject to approval by both the host course and the Finals Manager, on a case-by-case basis. Approval will depend on consideration of multiple factors, including course conditions and the availability of carts from the host course. If approved, carts will be made available on a first-come, first-served basis for those with verified disabilities. The MHSAA does not provide golf carts if none are available by the host course. In the event that carts are not available, shuttle service will be provided to assist individuals with mobility-related disabilities in reaching designated viewing areas on the course.

CELL PHONES/ELECTRONIC DEVICES – **CELL PHONES & ELECTRONIC DEVICES** – Cell phones can be used by players in four specific circumstances. (MHSAA Local Rule)

- To call a coach or tournament manager for a health or safety issue
- To call a rules official with questions
- To input scores for live scoring or other scoring programs being used
- To use as a distance measuring device

NOTE: See "Distance Measuring Devices" language regarding approved use of conforming device. Any player who receives information using electronic devices is subject to a two-stroke penalty for each occurrence (Rule 10.2a., Advice). Continued violation of this rule will result in disqualification. Spectators who use cell

phones or other electronic devices on the course to communicate with players or coaches are subject to removal from the course.

COACHES MEETING – Coaches are **required** to attend the coaches meeting prior to the start of competition each day of the Finals. The coaches meeting will begin at 8:00 a.m. both Friday and Saturday.

COACHING DUTIES & PRIVILEGES – All players are required to have school-designated coaching supervision at all levels of the MHSAA Golf Tournament. All coaches must have met the necessary [requirements](#) to be eligible to participate as a coach in the MHSAA tournament. Coaches are required to facilitate check-in of their team/individuals, ensure that all players have downloaded and can use the MHSAA Golf app, make substitutions, attend the coaches meeting, and be on-site throughout the round to communicate with tournament management and/or rules referees when necessary. Coaches are no longer required to act as group observers, but must adhere to the following:

Coaching Privileges Defined—During the MHSAA tournament, two school-designated coaches with proper ID issued by Finals tournament management will be allowed to coach players from their school team during play. The coaching period will be anytime during play except when a coach's player has physically reached the green, at which time coaching is no longer allowed.

While players are conducting tee shots, it is recommended that coaching and/or communication with players in a group be kept to a minimum. Coaching shall not slow pace of play. Coaches shall exhibit good sportsmanship, monitor sportsmanship of players, keep spectators at a reasonable distance and keep pace of play moving. Violation of conduct expectations shall result in the loss of coaching privileges.

Coaches may not call rules violations or assess penalties, but are encouraged to remind players and rules referees of possible rules violations or penalties when they occur, and/ or assist in preventing any such rules violation.

Coaches may not be physically on the putting green to perform duties such as reading, lining up putts, tending the flagstick, or carry a player's clubs. Coaches should keep a reasonable distance from the putting green while players putt. **Coaches may rake bunkers to facilitate pace of play.**

Additional clarifications:

- Coaches should monitor sportsmanship and report player conduct issues to the Finals Manager immediately.
- Coaches should be on the course helping facilitate pace of play, checking scores on the golf app and keeping galleries at reasonable distance.
- Coaches **may** “intervene” with their own players and other players when advising or reminding a player to consult USGA rules and be proactive in matters of rules compliance. When doing so, coaches should not pose as a rules referee, or as a member of the rules committee.
- Coaches **may** communicate to a player they can request a rules referee and assist in summoning a rules referee for the player.
- Coaches **may not** assess penalties to players.
- Coaches **may not** give rules interpretations; only remind players of options and the need to follow rules.
- Coaches **may not** use carts to transfer players or spectators. Exception: Transport of players and/or spectators to safety in bad weather/lightning situations.

DISTANCE MEASURING DEVICES – Distance-measuring devices are permitted for use during MHSAA Regional and Finals tournaments in accordance with USGA Rule 4.3a, provided the device is used to measure distance only.

Devices shall not be used to access information beyond distance measurement. Prohibited information includes:

- The gauging or measuring of slope.
- The gauging or measuring of variable environmental conditions that might affect play, such as wind speed at the course or altitude.
- Recommendations that might assist the player in making a stroke or in his/her play (e.g., club selection, type of shot to be played, or any other advice-related matter).
- Calculating the effective distance between two points based on slope or other conditions affecting shot distance.

Multi-functional devices capable of operating prohibited functions (e.g., slope measurement) are permitted, provided these features are turned off or do not automatically activate and display prohibited information during the round.

If, during a stipulated round, a player accesses prohibited information on a distance-measuring device, the player is in breach of Rule 4.3a. Penalty for the first breach: General Penalty (two-stroke penalty). Penalty for a second breach during the same round: Disqualification.

NOTE: The use of GolfLogix within the MHSAA Golf App is compliant with USGA and MHSAA rules regarding distance measuring devices, and its use is permitted during MHSAA competition.

DISQUALIFICATIONS – Coaches and players are subject to MHSAA Regulation V, Section 3(D) regarding flagrant or unsportsmanlike conduct. If a player or coach is assessed such a DQ, they are disqualified from the next day of competition as coach or player. Therefore, if any player is disqualified under this regulation, they are eliminated from the entire competition. The penalty will be assessed at the end of the round.

A player, who has been disqualified on day one for a golf rules infraction, will be disqualified for the remainder of that day and from individual competition on the second day. That player may compete on the second day for team honors. If a player is disqualified on the second day for a golf rules infraction, that player's score for the first day will remain as posted.

If a participating team can only post three scores due to multiple disqualifications, the team is eliminated from consideration for team honors. The remaining individuals may continue to compete for individual honors.

DRESS CODE – Proper golf attire, including a golf shirt, will be required at the MHSAA Finals. Bermuda shorts are permitted. Short shorts, cut-offs, jeans, jean shorts and tank tops are NOT permitted. Hats worn backward are not allowed. Mock turtleneck shirts designed and sold as golf attire are allowed. Managers will ask to have all golfers change clothing prior to tee time if they are not dressed properly. Any player not dressed properly WILL NOT BE ALLOWED TO COMPETE. It is the coach's responsibility to familiarize players with the rules of play and etiquette.

FINALS GROUPINGS – Day one pairings – players will be grouped in threesomes by team waves based on the coach's player ranking and team iWR ranking in [iWanamaker](#). The Team iWR stat used for the purposes of team waves was generated by using the best eight 18-hole rounds for the current season. Day two threesomes will be based on day one results. If a coach wishes to change the Regional player ranking for the Finals, the MHSAA should be contacted no later than 3 p.m. on Monday, June 2. Individuals qualifiers will be placed in groups after team waves based on individual iWR ranking in iWanamaker.

A 5-person team will therefore pay a total of \$320 greens fees for both days. An individual golfer will pay a total of \$64 greens fees for both days. Checks/payments must be made on Friday at the time of registration. Make checks payable to the Finals golf course. Checks for practice rounds and other expenses should be paid for separately from Finals greens fee payment to the course. Contact the course directly for credit card payment.

HOTELS/TRAVEL EXPENSES – The MHSAA does not reimburse participating schools for hotel/travel expenses, nor does the MHSAA book rooms. A list of area hotel contact information for each finals community is included in this file for your convenience.

PACE OF PLAY – Each player is responsible for playing without undue delay under USGA Rule 6.7. An acceptable time frame for playing a stroke is no longer than 40 seconds once a ball has been found and identified and it is clearly his/her turn to play. Each player is responsible for his/her group maintaining a proper position on the course, i.e. no more than approximately one starting interval behind the preceding group throughout the round. When a group is out of position due to slow play, tournament management will issue a warning prior to penalties being assessed.

RANGE POLICIES – Participating teams and individuals will be assigned practice range times and locations on the range by host course personnel upon arrival at the course. Range fees the day of the Finals are included in the Finals greens fees.

SCORING – MHSAA local rule – Maximum allowable score of **10** strokes will be used in MHSAA play at Regionals and Finals.

SCORING RESPONSIBILITIES – Tournament competitors will keep score for each other at MHSAA Finals Tournaments using the **MHSAA iWanamaker Golf app**. Each player in the group must download the MHSAA app and use this to score during the round. **Live scoring is mandatory for each player.**

The scores for each hole should be recorded before starting play on the play on the next hole. All questions on number of strokes shall be settled before starting play on next hole. Scores should be verified before first tee

shot is made on next hole. At the end of the round all members of the playing group must bring scorecards/phones to the scoring area together and review scores and questions with tournament management and score recording personnel. Scoring issues can be corrected while players remain in the scoring area. All players in the group shall remain in the scoring area until electronic scorecards are confirmed, scores are verified and attested.

The following will be the **hole-by-hole scoring procedure** during MHSAA competition:

- 1) At the end of each hole, the marker should tell their player what score they had on their hole. Specifically, the marker should NOT ask what score they had.
- 2) The score shall be verbalized by players so all in group can hear.
- 3) If there are any disagreements with the number of strokes, the player and scorer should count back the number and location of each shot.
- 4) All questions on number of strokes should be settled before starting play on next hole.
- 5) The score should be verified and entered in the MHSAA Golf App before the first tee shot is made on the next hole.
- 6) If a group cannot come to an agreement on the number of strokes, then a coach or Rule Referee should be called before teeing off on the next hole.
- 7) Players should attest their scores accurately before teeing off on the next hole.
- 8) No changes should be made on any scorecard after those players have teed off on the following holes.
- 9) If a mistake was found after teeing off, the players are to call a coach and/or Rule Referee to explain why the score was not accurately entered and not accurately attested. This is to keep players from changing scores 3-4 holes later where the accuracy of the score could be in question.

The following shall be the **procedure after a round is completed** at all MHSAA competitions:

- 1) A designated scoring area will be established for players to report to at the conclusion of their round.
- 2) At the end of the round, all players are to report to the scoring area with their playing group to attest their complete round using the MHSAA Golf app. A member of the Tournament Management Team or their designee will be present with the group in the scoring area.
- 3) The players are asked to review and verify that all hole scores are correct. Players click on their name in the MHSAA Golf app and it will show all their hole-by-hole scores and total.
- 4) The players are asked if a second ball was played under Rule 20.1c(3) at any time during the round.
- 5) The players are asked if there were any rules questions during the round.

Once all players in the group have verified their scores, they must attest to their accuracy. This is done by selecting the "Attest: Touch to Sign Your Scorecard" option in the MHSAA Golf app, which serves as their digital signature.

- 6) After scores have been attested, they will be officially posted, and the players may leave the scoring area.

Player Scoring Responsibilities Statement – All players in the MHSAA Tournament are responsible for the accuracy of their own score and that of the player for which they are scoring. Players who record false scores for themselves or knowingly allow other members of their group to record false scores or violate USGA rules are subject to penalty and/or disqualification. This means that you are to be honest about your scores and the scores of your competitor. Golf is a game rooted in honesty, integrity, and respect, emphasizing adherence to the rules, good sportsmanship, and fostering friendship.

SPECTATOR CARTS – Spectator carts are not allowed. However, exceptions may be made to accommodate spectators with mobility-related disabilities. To request a spectator cart, individuals must provide either: (a) appropriate documentation, such as, a state-issued handicapped parking permit, a physician's statement, disability insurance award letter, or letter from the U.S. Department of Veterans Affairs confirming a mobility impairment; or (b) other credible assurance that mobility assistance is reasonably necessary for purposes of the event.

All cart requests are subject to approval by both the host course and the Finals Manager, on a case-by-case basis. Approval will depend on consideration of multiple factors, including course conditions and the availability of carts from the host course. If approved, carts will be made available on a first-come, first-served basis for those with verified disabilities, and those spectators will be responsible for the cost of the cart. The cart cost is \$20 a round at each site if carts are available. The MHSAA does not provide golf carts if none are available by the host course. In the event that carts are not available, shuttle service will be provided to assist individuals with mobility-related disabilities in reaching designated viewing areas on the course.

SPECTATOR CONDUCT – During play, spectators may not give advice to a player, nor shall players ask for advice from spectators. Once play begins, spectators shall maintain a reasonable gallery distance from all players, approximately 25 yards is considered the minimum distance while observing play between tee & green. Violations are subject to penalties under USGA rule and spectators may be removed from the course. General encouragement of players is acceptable but there shall be no communication between spectators and players. At the turn, a spectator/family member may have appropriate communication (non-golf advice not in violation of rule 10.2a.) with players.

START TIMES – Scheduled starting time is 9 a.m. on both Friday and Saturday at the Finals, with check in time starting at 7 a.m. both days. Coaches meetings will be at 8 a.m. on Friday and Saturday and player meetings at 8:30 a.m. on both Friday and Saturday. Course conditions may delay start of play. Coaches are responsible to check in their teams and must do so to play the round.

SUBSTITUTIONS – Substitutions are allowed each day of competition and must be on the Master Eligibility List. A coach may re-rank players for the Finals first day by **3 p.m. Monday, June 2** by logging in to iWanamaker.com.

TIEBREAKER PROCEDURES – At the **MHSAA Finals**, the team champion is based on the total score of Friday and Saturday competition. The lowest 4 scores from each day comprise the total score regardless of whether or not they are the same 4 players. When a tie for Finals team championship honors occurs, the tie shall be broken by adding the 5th scores from Friday and Saturday competition. If the tie is still not broken:

1. The 5 players from each team shall compete in a sudden victory playoff to break the tie.
2. All 5 players' scores count in the play-off to break the tie.
3. Place two members and three members from each team into fivesomes.
4. The tournament host and golf course professional will determine the hole where the play-off will begin.
5. If a team with four players ties a team with five players, the five-player team wins the tiebreaker by default.

When a tie for team runner-up honors occurs, the tie shall be broken by adding the 5th scores from Friday and Saturday competition. If there is still a tie after checking 5th player scores, co-runners-up will be declared, there is no playoff and both teams receive trophies & medals. The medalist honor will be awarded to the player with the lowest total score over the 2-day event. Only ties for medalist will be broken by a sudden victory playoff with the Finals host determining the starting hole. **TEAM TIES SHALL BE BROKEN VIA PLAYOFF BEFORE INDIVIDUAL TIES.**

TOURNAMENT FORMAT – The MHSAA Finals will be conducted in stroke play over 36 holes on two days of competition. A shotgun start will be used. Team scores will consist of the top four scores from the team. Individual golfers who qualify will compete with their scores matched against team competitors to determine individual order of finish.

Team waves will be determined using coach's player ranking and team iWanamaker ranking. Individual qualifiers are placed using the same protocol, only using individual iWanamaker ranking.

For additional questions regarding Finals policies and procedures contact:

Cole Malatinsky, MHSAA Golf Director cole@mhsaa.com 517-332-5046 (MHSAA Office)

FINALS PRACTICE ROUND POLICY

Schools that qualify teams or individuals for the MHSAA Golf Finals are reminded of the policy adopted by the Representative Council regarding practice rounds at the Finals course.

Teams and individuals that qualify for the MHSAA Finals golf tournament are allowed **one** practice round at their respective Finals course **after the Regional and before the first day of the Finals**. It is recommended that the school coach or school designated adult coordinate and supervise the practice round. All practice round tee times must be reserved by contacting the Finals course directly. If a non-school event is scheduled on that course between Regional and Finals play, that event will count as their practice round for that player.

Students may not schedule a second round on their own at the Finals course during this period, as that is a violation and the player is subject to disqualification. The allowed practice round is to be scheduled over one day, not multiple days.

MHSAA FINALS CART POLICY FOR COACHES

Policies regarding motorized carts for coaches are specifically stated in the Participating School Tournament Information. Coaches may rent carts at their own expense (\$20) with tournament manager approval. **Courses may restrict or prohibit cart use by coaches due to weather conditions, cart availability or health and safety factors.**

When carts are rented by coaches they shall not be used to transport players, clubs, or equipment except in cases of emergency (bringing players/spectators to shelter during lightning, severe weather). Coaches who rent carts may share with other coaches but under no circumstances shall more than two school coaches be on a single cart. Carts are not to be used to provide transport for spectators. Any abuse of the cart policy will result in loss of cart use for the school coach for the remainder of the tournament.

SPECTATOR CART POLICY

Spectator carts are not allowed. However, exceptions may be made to accommodate spectators with mobility-related disabilities. To request a spectator cart, individuals must provide either: (a) appropriate documentation, such as, a state-issued handicapped parking permit, a physician's statement, disability insurance award letter, or letter from the U.S. Department of Veterans Affairs confirming a mobility impairment; or (b) other credible assurance that mobility assistance is reasonably necessary for purposes of the event.

All cart requests are subject to approval by both the host course and the Finals Manager, on a case-by-case basis. Approval will depend on consideration of multiple factors, including course conditions and the availability of carts from the host course. If approved, carts will be made available on a first-come, first-served basis for those with verified disabilities, and those spectators will be responsible for the cost of the cart. The cart cost is \$20 a round at each site if carts are available. The MHSAA does not provide golf carts if none are available by the host course. In the event that carts are not available, shuttle service will be provided to assist individuals with mobility-related disabilities in reaching designated viewing areas on the course.

MEDICAL NEED CART POLICY

During MHSAA tournament golf competition, use of motorized carts by competitors is not allowed. **EXCEPTION:** Permission for use of motorized carts for medical reasons may be granted by the MHSAA with a written request is made by a school administrator. The written request must include a physician's statement specifying the medical need. Permission will be granted only when the medical need is due to a legitimate physical disability, recovery from a serious surgical procedure or a chronic medical illness such as a serious heart condition or debilitating illness. A physician's statement by itself does not automatically allow for use of a motorized cart. Fees associated with such use are the responsibility of the student and/or school.

Coaches should contact Cole Malatinsky at the MHSAA (517-332-5046) with questions.
