

2025 BOYS REGIONAL ROSTER

Players will be grouped in team wavers for the Regional Tournament based on their team's iWanamaker Ranking (iWR). **Each participating school is responsible for entering its five golfers and assigning player seeds in iWanamaker by noon, seven days prior to the scheduled date for their Regional.**

The roster below, due on the opt-out date, notifies the Tournament Manager of your two school-designated coaches and serves as a backup in case your school does not complete its iWanamaker entry by the deadline. It represents your projected lineup, including player rankings from 1 to 5.
