June 6-7

## Welcome

**W**elcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That's the beauty of educational athletics. The take-aways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

This is the 100th year of the MHSAA and there is much to celebrate during this special year. Let's remember and be thankful for the efforts of all those that have made this Final tournament experience so special.

Congratulations for reaching the end of the tournament road. Good luck to all!

— **Mark Uyl**

# Brighton Makes it 3 Straight

**T**he Brighton High School girls lacrosse team was not at full strength when it faced — and lost to — Rockford earlier in 2024.

Neither Cecelia Mainhardt nor Ella Toth played in that game.

On the season's final day, the pair of all-staters introduced themselves to the Rams and carried Brighton to its third straight Division 1 Finals championship at the University of Michigan Lacrosse Stadium.

Mainhardt scored three goals and assisted on another, and Toth added a goal of her own to help Brighton to a 7-4 victory in the first Finals game contested at the U-M venue.

"It feels absolutely incredible. It's hard to put into words," said Brighton coach Ashton Peters, who capped her sixth season by capturing Brighton's fourth lacrosse championship. "To do it in this setting and this stadium, it was an absolute honor."

In a defensive game that was somewhat reminiscent of Rockford's 10-5 regular-season victory, Brighton (19-5) made the most of its opportunities and held the Rams to just four first-half shots.

Toth opened the scoring with a goal at the 5:05 mark of the first quarter after the Bulldogs controlled the ball for the first four minutes of the period. Brooke Gordon tied the score for Rockford with a goal at the 2:22 mark after two straight shots clanged off the crossbar.

The second period was all Brighton as Mainhardt sandwiched two goals between a Sophia Heady score that Mainhardt assisted on to give the Bulldogs a 4-1 halftime advantage. Mainhardt and Heady scored 19 seconds apart, and Mainhardt's second goal came with just 1.8 seconds left on the clock.

Brighton goalie Gabi Buckenberger came up with several clutch saves throughout the game to preserve the victory.

## Division 2 – Grand Rapids CC 10, Detroit Country Day 9

As the final minutes dwindled to seconds, Joe Curcuro was content knowing No. 22 possessed the ball.

It was fitting that **Claire Marosi** (below) had the ball last as the clock struck zero and the celebration was on for the Grand Rapids Catholic Central girls lacrosse team, which completed an undefeated season by beating defending Division 2 champion Detroit Country Day 10-9.

Marosi, a senior, added two massive fourth-quarter goals to the 152 she already had scored during the year as the Cougars completed a 23-0 season and collected their second Finals trophy.

But after defeating Country Day twice in 2024 by 17-7 and 20-7 scores, the Cougars needed just about every second to fend off the Yellowjackets.

Country Day outshot Catholic Central 21-7 over the middle two quarters, including 10-2 during the third.

Hadley Keating gave Country Day an 8-7 lead 1:34 into the fourth, and that seemed to ignite Marosi and the Cougars. Curcuro moved her to the draw circle, and Marosi responded with back-to-back goals 1:15 apart to restore her team's lead.

Sarah Rott scored what proved to be the game-winner midway through the fourth quarter, but Country Day was not done, pulling within one on Mary Pavlou's goal with 4:17 to play. Catholic Central goalie Samaya Dean, who finished with 10 saves, made a massive one with less than two minutes to play by turning away what would've been the game-tying goal.

# Second Half Shamrocks

The Detroit Catholic Central offense knew what it was capable of – but just needed to show it. After being shut out in the first period of the 2024 MHSAA Division 1 boys lacrosse championship game at University of Michigan, and trailing 6-3 at the break, the Shamrocks needed a spark.

Hockey Weekly Action Photos

That spark came in the form of a Lachlan Moffatt goal just 13 seconds into the second half, which started an 11-2 run for DCC on the way to a 14-8 victory.

“Hartland was playing really well. We just weren’t capitalizing, which is really kind of strange for us. I think when we got that first goal of the third quarter, that really changed the complexion of the whole thing,” Detroit Catholic Central coach Dave Wilson said.

Even after the Moffatt goal, the Shamrocks (21-3) still didn’t take the lead until late in the third quarter. Senior midfielder Matthew Aleva would fire off a laser that found the back of the net with 4:14 to play in the period, tying the game at 7-7.

Minutes later, Aleva would take a pass from Moffatt and find the net again to give the Shamrocks their first lead – one they wouldn’t relinquish.

The Shamrocks won all 14 faceoffs in the second half, which allowed them to control possession most of the final two periods and take a 32-8 shot advantage over Hartland (19-4).

With Catholic Central not finding the net at its accustomed fre-

quency, it relied less on its passing to score and worked individual battles. Seven of the 11 second-half goals were unassisted.

The title game marked the first time the Division 1 Final didn’t feature Bloomfield Hills Brother Rice. The Warriors had appeared in every D1 Final since 2005.

The only two Finals Brother Rice had lost came against Catholic Central (2018) and Hartland (2022), respectively.

Catholic Central became the first program aside from Rice to win multiple MHSAA Division 1 titles.

## Division 2 – Detroit Country Day 18, Forest Hills Eastern 7

Heading into the 2024 MHSAA Division 2 Final, Detroit Country Day coach Chris Garland attributed a lack of offense to why his Yellowjackets came up short in the 2022 and 2023 championship games.

That issue was corrected this time around.

Detroit Country Day put up the second-most goals in D2 Finals history, defeating Ada Forest Hills Eastern 18-7 to claim its first championship since 2014 and fourth overall.

“We have so many skilled players. We are a complete team with tremendous depth,” Garland said of the offense. “We just want to keep putting the ball in the hands of our offense. If you stop one of them, we have another guy that can come at you.”

One player that Forest Hills Eastern didn’t have an answer for was Country Day sophomore Keaton Yearego. He matched a MHSAA Finals record with six goals, three coming during a 5-0 rally in the second period that put the Yellowjackets ahead for good at 8-4.

The Hawks (16-5) tried to set the tone early, posting the first two goals of the game when Jackson Arnold and Will Morgan each found the net during the opening minutes.

The Yellowjackets (19-2) didn’t let the early deficit affect them and answered with three straight goals, two coming from senior Oliver Aaron.

Aaron finished with four goals for Country Day to go with Yearego’s six. Preston Cook, Caden Daley and Rhys Kenney all found the net twice.

# Sportsmanship Extends to Online Behavior

**W**ith the changes that have occurred in college sports the past couple of years, high school sports is truly the last level of pure amateur competition in our country – and the NFHS and its member state associations want it to remain that way.

As football, volleyball, soccer, cross country and other sports begin this fall, high school coaches and athletic/activity directors will be involved in preseason meetings to emphasize the expected outcomes of education-based sports, as well as speech, debate, music, theatre and other programs.

Among those fundamental values of education-based activities that must be discussed is sportsmanship, or good sporting behavior. More than winning, more than learning the skills of a sport, a focus on sportsmanship has been one of the defining elements of high school sports and other activities for more than 100 years.

Along with maintaining the sound traditions of sports and minimizing the risk of injury, NFHS playing rules encourage sportsmanship, and the first page in all NFHS rules publications includes a statement noting that “each athlete is responsible for exercising caution and good sportsmanship.”

In the past, with an emphasis on conduct on the playing field or court – or in the auditorium or rehearsal hall – sportsmanship has been defined as those qualities of behavior that are characterized by generosity and genuine concern for others. More so than preparing students to play sports or another activity at the next level, one of the significant goals of education-based high school sports and activities is helping the 12 million-plus individuals in these programs to become responsible citizens.

And in today’s online world dominated by hand-held devices, that goal has become more challenging. Now, messages to students in high school sports and other activities about sportsmanship must be communicated before they hit the practice field or court because one inappropriate post, tweet or message could alter their lives forever.

At the recent virtual National Student Leadership Summit hosted by the NFHS, Christina Jontra of Neptune Navigate, one of the newest NFHS corporate partners, discussed the need for good sportsmanship online as much or more so than on the court or field.

In the digital age in which we live, participants in high school activity programs need to be aware that their character and respect for others should be the same, whether in the sport or activity itself, or online.

As the popularity and influence of social media continues to surge, it is imperative that student-athletes, as well as coaches, administrators, parents and everyone involved in education-based athletics, are aware of the ways they can endanger themselves with their online behavior and understand the techniques they can employ to prevent that from happening.

In her recent presentation, Jontra noted five characteristics of good sportsmanship online – honesty, compassion, respect, responsibility and courage. Just as a student would respect an opponent on the field or in the debate room, the same must occur online.

At preseason meetings this fall, coaches and athletic/activity directors should encourage students in their programs to be mindful of online contact with individuals on opposing teams – particularly any bantering that could be perceived as cyberbullying. As Jontra mentioned in her message during the NSLS, hurtful words can ruin a person’s life forever.

Fortunately, during the season, the millions of high school students involved in sports and performing arts have less free time to spend online on a daily basis, but the time spent must be done in a positive manner. Not only could damaging words on social media affect a student’s chances for an athletic scholarship, inappropriate messages could also negatively impact future job possibilities as employers are more actively auditing social media.

Whether the setting is before hundreds of people at an actual game or event, or a private experience alone online, positive and respectful behavior should be the choice every time.

# Student Advisory Council Aids MHSAA

**E**ight student-athletes who will be juniors at their schools during the 2025-26 academic year have been selected to serve two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of MHSAA championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2025-26 are: **Nichole James**, Detroit Edison; **Mia McGregor**, Mio; **Camryn Siegers**, Holland Christian; **Lucy Weber**, Fenton; **Brody Hammer**, Middleville Thornapple-Kellogg; **Sam Bentley**, Ypsilanti Lincoln; **Mason Mireles**, Hartford; and **Joey Smokevitch**, Johannesburg-Lewiston.

Those eight new members were selected from 125 applicants, the second largest group of applicants in the 20 years of the council. The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 148 schools from 53 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 11 MHSAA sports, and six will be the first SAC members from their respective schools.

The Student Advisory Council generally meets eight times each school year, and once more for a 24-hour leadership camp. In addition to assisting in the promotion of the educational value of interscholastic athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

This school year, the Council handed out championship trophies at Finals events, led sessions during four Sportsmanship Summits, provided feedback to the MHSAA Representative Council

## Student Advisory Council Belief Statement

As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.

We believe athletes should be competitive, sportsmanlike and excel academically. We believe students in the stands should have fun, but not take the focus away from the game. We believe coaches should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that parents should always be positive role models and be supportive of their child's decisions. We believe officials commit their own time to high school sports and respect should always be shown and given to them.

The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.

on proposed rule changes, worked on a mental health initiative, and wrote the script for a public service announcement on adult spectator sportsmanship that was included in broadcasts throughout the last school year.

The new additions to the SAC will join the Class of 2026 members who were

selected a year ago: **Itzel Albarran**, Bronson; **Harper Barnhart**, Brownstown Woodhaven; **Diamond Cook**, Southfield Christian; **Henry Ewles**, Pontiac Notre Dame Prep; **Cole Haist**, Big Rapids; **Frannie Keeley**, Jenison; **Trey LaValley**, Romeo; and **Ethan Stine**, Bridgman.

# MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, non-public schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

# Finals Notes

## Your Officials Today

Just as the participants on the teams at this year's Finals are realizing a dream of vying for top honors, another group of individuals are also reaching a goal for the hard work they have put in by being assigned to officiate the action.

Officials for MHSAA Finals are selected from an Association committee of member school personnel from across the state, based on the recommendations and ratings by schools, as well as from input from local officials associations.

These officials believe that interscholastic athletics are truly educational in nature, and work to uphold that standard. Like the athletes in the Finals, officials come from all points on the map.

Selected to work this year's Girls Finals are: **Anne Acluche**, West Bloomfield; **Ellery Blasch**, Alto; **Gretchen Geist**, Bloomfield Hills; **Justin Hayes**, Canton; **Steven Johns**, Grand Rapids; **Daniel McKinney**, Haslett; **Crathman Stephens**, Lathrup Village; **Paige Winne**, Lansing.

Selected to work this year's Boys Finals are: **Brady Driver**, Sturgis; **Steven Garbarino**, Roseville; **Scott Mitchell**, Ann Arbor; **Kyle Nussdorfer**, Ada; **Michael O'Neil**, South Lyon; **Jessie Read**, Holt; **Roy Strickland**, Grand Blanc; **James Sundstrom**, Lansing.

Congratulations to this year's Finals officials. If you are interested in becoming a registered game official in any sport, contact the MHSAA at 1661 Ramblewood Drive, East Lansing, MI 48823 or e-mail [register@mhsaa.com](mailto:register@mhsaa.com) Registration for the 2024-25 school year is now underway at [MHSAA.com](http://MHSAA.com).

## Behind The Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, nearly 10,000 game officials and 50,000-plus administrators and coaches at over 1,500 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of district, regional and final level tournaments by school administrators who serve as the site managers for these games.

The behind the scenes work of these individuals and their staffs make sure that tournament competition is a memorable experience for the participants.

The MHSAA would like to thank the **Brighton High School** staff for their great assistance at today's Finals.

Coordinating the Finals from the MHSAA office are **Kathy Vrugink Westdorp** in Girls Lacrosse and **Dan Hutcheson** in Boys Lacrosse. Assisting this weekend are staff members **Kiersten Anstead**, **Camala Gillette**, **Laura Roberts** and **Jon Ross**.

The MHSAA would like to recognize the efforts of these individuals and the other individuals who have donated their time to make the Finals a success.
