

2022-23 GIRLS LACROSSE: Regional Draw Formula & Brackets

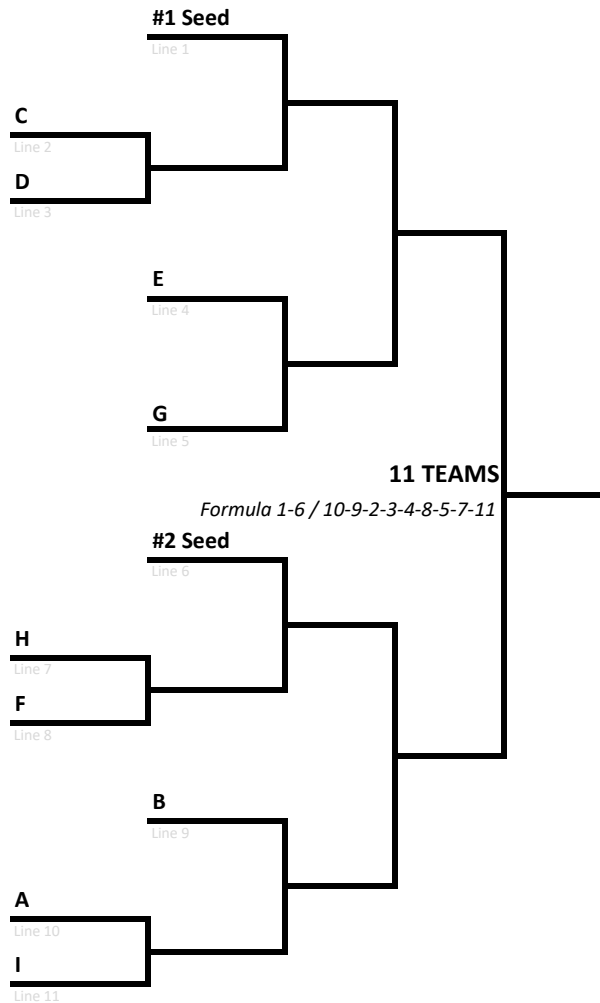

This is the final Regional draw formula, posted on 4/30/23

THE PROCESS: **1. LIST:** At the beginning of the season, the MHSAA provides an alphabetical LIST of teams in each Regional. **2. FORMULA:** The MHSAA determines the random FORMULA for each of the three bracket types: 10-team, 11-team, and 12-team. The formula is listed on this page for each bracket type. The first number is the line number for the #1 seed, while the second number is on the TOP of the opposite side of the bracket and is for the #2 seed. The rest of the numbers in the formula are listed after the "/" and are applied to the other schools in alphabetical order. **3. SEEDS:** On the Sunday 11 days before Regionals start, SEEDS are determined. **4. DRAW:** The number of Regional teams on the draw date determine the bracket type. SEEDS, random FORMULA and alphabetical LIST are then used to determine the DRAW for the Regional.
