

2022-23 Parade of Champions

NOTES: Those tournaments in which competition is conducted in separate Peninsulas will have their division designated as UP for Upper Peninsula and LP for Lower Peninsula. Unified tournaments involving schools from both peninsulas list only the numeral of the division in which the competition was conducted. Repeat champions from 2021-22 are in bold face. The overall and consecutive titles won figures are taken from the MHSAA Website. Names of coaches are taken from program information kits submitted or from the list of coaches each school is responsible for maintaining in the MHSAA database. If you find overall or consecutive titles totals in error because of consolidations, schools changing names, etc., please contact Geoff Kimmerly at the MHSAA office.
