

# ACCESS YOUR DIGITAL **BASEBALL MECHANICS ILLUSTRATED**

## TO ACCESS THE TRAINING MATERIALS, FOLLOW THESE STEPS:

- 1** Go to the Android or Apple app store and search for “Referee Digital Portal” to download the app.
- 2** To log in, you will use your email address that you have on file with us and enter **temp\_pass** in the password field the first time you sign in.
- 3** You will then be prompted to set a new password for your account that you’ll remember.
- 4** Once you’re in the app, you’ll see the items you or your group have purchased. If you have an existing Digital Portal account under the same email address and don’t see the manual, log out and log back in.
- 5** From there, you can open and view your training resources.

You may also access the materials on your desktop computer at [digital.referee.com/books](https://digital.referee.com/books)

The initial log-in procedure is the same as the app.

## **NAVIGATION IS EASY WITH THE FOLLOWING FUNCTIONALITY:**

When in a book or guide, the three dots in the upper right corner allow you to navigate quickly to different pages by swiping, selecting the desired page and then tapping the back arrow in the upper left corner.

You can also tap on a page when reading to open that page as larger text, which you can enlarge or make smaller depending on your reading preferences.

Selecting the heart icon at the top of a page will save that page in your “Saved Pages” tab accessible from the button in the upper left corner of the screen.
