- The MHSAA will send ski bibs which the participants must wear for the competition. **All Regions and each Final will use MHSAA-issued Lycra bibs. Each skier must wear the bib and bib number assigned to them by the host management. AFTER the meet, the individual must return the bib to the meet manager. The school is responsible for any bib not returned to the host. A $50 fee (payable to the MHSAA) will be charged to the school for each missing bib.**

2026-27 SKI TOURNAMENT MANAGERS MANUAL

ADMISSION – If admission is charged, it will be $7/person for the MHSAA Regional Tournament and $7/person at the MHSAA Finals or $10/car. The policies of the local host site shall prevail regarding pets/animals. Without a local host policy, animals or pets shall not be permitted to enter MHSAA tournament venues, including spectator and team areas. However, properly marked or documented service animals that are leashed or harnessed may always accompany spectators who have paid admission or are attending with other approved teams or school personnel. Individuals who bring service animals are asked to bring their own waste-disposal bags and to request special seating before the event, if needed.

COACHES MANUAL—The MHSAA Ski Manual is the official rule book for MHSAA ski competition. Be sure to read it carefully, as important dates and other information are not duplicated. The Coaches' Manual is also available on the MHSAA Website.

COMMUNICATION WITH PARTICIPATING SCHOOLS—All tournament managers shall provide information packets to participating teams, including the time schedule, facility location, worker list, forms to be signed, hotel information, and any other important information.

CONCUSSION PROTOCOLS – "Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health care professional."

The language above, which will appear in all National Federation sports rule books, reflects a strengthening of rules regarding the safety of athletes suspected of having a concussion. This language reflects an increasing focus on safety and acknowledges that most concussions do not involve a loss of consciousness.

This protocol is intended to provide the mechanics to follow during contests when an athlete sustains an apparent concussion.

1. The officials will have no role in determining concussion other than the obvious one where a player is either unconscious or apparently unconscious. Officials will merely point out to a coach that a player is apparently injured and advise that a health care professional should examine the player to determine the extent of injury.
2. If it is confirmed by the school's designated health care professional that the student did not sustain a concussion, the head coach may so advise the officials during an appropriate stoppage of play and the athlete may reenter the competition pursuant to the contest rules.
3. Otherwise, if competition continues while the athlete is withheld for an apparent concussion, that athlete may not be returned to competition that day but is subject to the return to play protocol.
    a) The clearance may not be on the same date on which the athlete was removed from play.
    b) Only an MD, DO, Physician's Assistant or Nurse Practitioner may clear the individual to return to activity.
    c) The clearance must be in writing **and must be unconditional. It is not sufficient that the M.D., D.O., Physician's Assistant or Nurse Practitioner has approved the student to begin a return-to-play progression. The medical examiner must approve the student's return to unrestricted activity.**

d) Individual schools, districts, and leagues may have more stringent requirements and protocols including but not limited to mandatory periods of inactivity, screening, and post-concussion testing prior to the written clearance for return to activity.

4. Following the contest, an Officials Report shall be filed with a removed player's school and the MHSAA **if the situation was brought to the officials' attention.**
5. **Member schools are required to complete and submit forms designed by the MHSAA to record and track head injury events in all levels of all sports.**
6. In cases where an assigned MHSAA tournament physician (MD/DO/PA/NP) is present, his or her decision to not allow an athlete to return to activity may not be overruled.

DATES/START TIMES – Tournament management will select the day of the Regional Meet, Monday – Friday, during the assigned Regional week.

ENTRY MATERIALS/OPT-OUT PROCEDURES – Participating schools must submit a Running Order form, USSS profile form, and Master Eligibility List properly filled out to the Regional Manager by the Opt-Out due date of **4 p.m., Feb. 1, 2027.** Only schools assigned to an MHSAA Regional and listed on the MHSAA Website are eligible to participate. If a school contacts a manager regarding entry into the tournament, refer them immediately to the MHSAA. Do not accept any entries that are not included on your list of competing schools

To enter the 2027 MHSAA Alpine Ski Regional Meet, a school must recognize a bona fide high school team and comply with all MHSAA Regulations listed in the MHSAA Handbook and the MHSAA Ski Coaches Manual. To be eligible for post-season competition, a team must consist of a minimum of four (4) skiers in each discipline (four skiers must be entered and ski in each discipline). A girl to be eligible to compete on a boys' team must have at least four starts on the boys team prior to the Regional or State Finals race. Boys cannot compete on a girls ski team.

If there is a question regarding a late entry, do not hesitate to call this office. (REMEMBER - NO ENTRY IS TO BE ACCEPTED AFTER 4 p.m. ON FEB. 1, UNLESS IT IS ACCOMPANIED BY A $50 CHECK AND BOTH ARE RECEIVED BEFORE THE FLIGHTS ARE DRAWN.)

FINANCES/EXPENSES – Regional and Final Managers shall submit a Financial Form to the MHSAA at the conclusion of competition including revenue and approved expenses. By action of the Representative Council, the MHSAA cannot assume responsibility for "hospitality" expenses. Managers may wish to furnish coffee and rolls, but the cost of the items will not be reimbursed. Competing schools will assume all expenses incurred during the tournament. This includes transportation, lodging and meals. The MHSAA does not reimburse workers hired by the local tournament manager for any activity that generates revenue for the local site. This includes concession workers, program or merchandise sellers, and parking attendants. All reimbursements are subject to approval by the MHSAA staff.

The MHSAA will not purchase or reimburse a school for equipment used to run a regular-season meet. (This includes, but is not limited to watches, gates, drills, computer cartridges, clipboards, officials' bibs, etc.) In addition, coaches whose teams are competing will not be compensated for "officiating" at the same meet.

Lift Tickets at the Final – The MHSAA will pay $15 per skier. If the lift ticket cost exceeds $15, each school team will be responsible for the additional cost.

INCLEMENT WEATHER – When teams are delayed in arriving at tournament sites because of inclement weather:

1. Management is encouraged to consider delaying competition for a few hours and/or playing games/matches in brackets of teams/individuals that are present and prepared to participate.
2. If, after a reasonable delay, fewer than 60% of the scheduled teams/individuals have not arrived, the tournament must be rescheduled.
3. If 60% or more of the scheduled teams/individuals are present, the tournament is to be conducted on the day scheduled.

Managers, after consulting with the MHSAA, shall have the final say if weather problems necessitate altering the scheduled meet format or plan.

INJUNCTION OR RESTRAINING ORDER PROCEDURE – Managers are reminded of the following statement adopted by the Representative Council and which is in effect for all MHSAA tournaments: "In the interest of fairness to all participants, if an injunction or restraining order is served or presented at an MHSAA tournament site and such purports to require the eligibility of or participation by a student or team which a school and/or the MHSAA has ruled to be ineligible under MHSAA regulations, the on-site tournament manager is to suspend the entire competition (team competition) or events in which that student is intending to participate (individual competition)." If the meet has begun, it shall be completed.

1. Individuals or teams which are defeated by an ineligible opponent or teams which allowed one or more ineligible students to participate do not advance in MHSAA tournaments.

2. If placements in MHSAA tournaments are vacated because of an individual being ineligible or a team allowing one or more ineligible students to participate, other individuals or teams neither advance to those placements nor receive awards for those places.

STREAMING – Teams participating in MHSAA Tournaments are prohibited from streaming live video of any portion of an event over the Internet, including social media platforms like Facebook, or by any other method.

Likewise, individual spectators are also prohibited from streaming video through any means.

Tournament Managers are to remind participating teams of this policy; ensure that team video equipment is not being used to stream live video; read the public address announcements and post the signage provided by the MHSAA; and enforce the policy if a member of a participating team party or a spectator is suspected of streaming video.

LOCKER ROOM PRIVACY POLICY – Using devices of any kind to capture or transmit images is strictly prohibited in locker rooms, dressing areas, training rooms, weigh-in rooms, showers, restrooms, or other areas where there is an expectation of privacy during MHSAA tournament events. Tournament managers or athletic directors who discover such use should move immediately to have the device removed and inform the head coach or athletic director of the identity and nature of the activity of the person involved.

MEDIA/MULTIMEDIA –Media/Streaming information
https://www.mhsaa.com/sites/default/files/Media/Media-Info-for-Schools.pdf
Providing accommodations and services to the media covering MHSAA tournaments is the responsibility of the host tournament manager.

The tournament manager shall communicate the results of the draw and game results at the conclusion of each contest to

Media should also be provided information about the participating teams (usually in the form of a program for team sports, or heat/flight sheets), and printed results as available (if you're providing printouts for participating schools, they should also be provided to the media).

Photographers – still and video – may be granted appropriate access to shoot (i.e., sidelines, baselines), if they are from an accredited media outlet, or an individual identified by a school administrator to the Tournament Manager who is authorized to capture such content exclusively for the school's publication, promotional, educational, or public relations uses. For outdoor team events (baseball, football, lacrosse, soccer, softball), a school may have a maximum of two authorized representatives to capture still images, and one to capture moving images. For indoor team events (basketball, competitive cheer, ice hockey, volleyball, team dual wrestling), a school may have a maximum of one authorized representative for still images, and one for moving images. Because of the large number of teams involved for individual events (bowling, cross country, golf, gymnastics, skiing, swimming & diving, tennis, track & field, individual wrestling), no passes or access will be authorized for schools.

Photographers **MAY** use electronic flash/strobe cameras during the progress of a sporting event as long as, in the opinion of the contest officials, the flash does not hinder the actions of or endanger the contestants. The final decision regarding electronic flash/strobe equipment rests with the judgment of site management and contest officials when MHSAA staff is not present at an event. **IMPORTANT** -- When determining whether or not the use of electronic flash/strobe equipment represents a hindrance to an event, do not evaluate the situation while looking directly at the strobe, but rather by taking the view of the game participant or the official who is focusing on the action, not the strobe, and is not aware of when the strobe is about to go off. Strobes properly positioned **DO NOT** pose a threat to the conduct of most contests. If, after careful consideration, the strobe is determined to be a problem, game management should work with the photographer using the strobe to review the strobe's placement, flash strength and direction. Sometimes, adjusting a strobe so the flash bounces off the walls or ceiling can correct potential problems. The only sports in which the use of electronic flash/strobe equipment is prohibited are: competitive cheer, gymnastics, and diving. Requests to use strobe lights mounted to fixed positions shall be made well in advance of the contest. As a courtesy, contest managers or the MHSAA should inform participating coaches and contest officials that photographers have been approved to use strobe lights in fixed positions. Strobes should be placed in corner or ceiling positions and should never be placed in the direct line of a basket in basketball or focal point common to that sport. Camera-mounted strobes must always be positioned similarly as fixed strobes. A camera operator with an on-board strobe shall shoot outside the free-throw lane in basketball, for example.

MEDICAL EMERGENCY POLICY – Host school Tournament Managers should follow all local school district policies regarding medical emergencies for participating athletes, coaches, students, and adult spectators for competition conducted in school facilities. It is mandatory that AED devices be readily available during tournament competition (within 1-3 minutes of the race). In addition:

- Trainers are an allowed expense and encouraged, but not required.
- All MHSAA concussion protocols will be followed.
- MHSAA policy on tornado watches and warnings shall be followed.
- MHSAA policy on managing heat and humidity shall be followed.

When MHSAA tournament contests are conducted at non-school facilities, plans should be developed for the following needs and/or circumstances:

- Student, coach and spectator shelter for outdoor events
- Host facility emergency equipment such as AED's, fire escape, etc.
- Emergency communications and action plans, i.e. phone numbers, school administration contact
- Coordination with facility management regarding emergency action plans, evacuation, first aid, on-site responsibilities
- Medical transport or first responder contact procedures
- Proximity/directions of nearest medical facility

Tournament Medical Incident Report –
https://www.mhsaa.com/portals/0/Documents/AD%20Forms/medical%20incident.pdf

MERCHANDISING – Concession stands, whether operated by school or non-school groups, must confine sales to non-alcoholic beverages, edible items and general school spirit items that were available at regular-season home contests. The sale of tournament-related merchandise is limited to programs offered by the MHSAA and its authorized vendors, who may contact you regarding their availability. Such programs may include, but are not limited to, the following categories: T-shirts, DVDs and photography. Regardless of the availability of such authorized programs, schools may not produce their own tournament-specific merchandise for sale at MHSAA tournament sites. Raffles, 50-50 drawings or games of chance on the premises of or in connection with any MHSAA event are not allowed.

QUALIFIERS TO FINALS –
Team Qualifiers – The top three teams from each regional will advance to the Finals.

Individual Qualifiers – Any individual in the top ten who isn't on a team that qualified will advance to the Final Meet or, at minimum, the top four individuals not on a qualifying team will advance. **If an individual skier qualifies for the MHSAA Final in one discipline (Giant Slalom or Slalom) while competing at the MHSAA Regional, the skier will compete in both disciplines at the MHSAA Ski Final.**

SPORTSMANSHIP – When a student is disqualified during a contest for flagrant or unsportsmanlike conduct, that student shall be withheld by his/her school for the remainder of that day of competition and for at least the next day of competition for that team.

When a coach is disqualified during a contest for unsportsmanlike conduct, that coach shall be prohibited by his/her school from coaching for the remainder of that day of competition and from coaching at or attending at least the next day of competition for that coach's team.

In individual sports, a student or coach who is disqualified in the first round of a tournament which progresses over more than one day may not participate on any subsequent day in that tournament because the student has not qualified for additional rounds. This includes MHSAA tournaments in tennis, and individual wrestling.

Failure of the school for any reason to enforce this regulation will prohibit the school from entry in the next MHSAA tournament for that sport, or from the remainder of the current tournament if the disqualification occurs during an MHSAA tournament or during the last regular-season contest. For misconduct purposes, the Regional and Final are considered one meet. If a disqualification is given at the Regional level, the student/coach is eliminated from Final competition.

Disqualifications from one season carry over to the next season in that sport for undergraduates and coaches, or the next season in any sport for seniors. If the playing rules for a sport specify an additional penalty or more rapid progression, or use of such a progression for other violations, the playing rules apply.

Any coach who is disqualified for unsportsmanlike conduct two or more times during a season, any player who is disqualified for unsportsmanlike conduct three or more times during a season, and any coach or player who is ejected for spitting at, hitting, slapping, kicking, pushing or intentionally and aggressively physically contacting an official at any time during that season, is not eligible to participate in the MHSAA tournament for that sport that season. If the tournament disqualifying ejection for that individual occurs during the MHSAA tournament, that player or coach is ineligible for the remainder of that tournament.

If a team is removed from competition in protest, the contest is forfeited to the opponent and the coach and principal of the removed team must appear before the Executive Committee to indicate why additional action should not be taken. The Executive Committee may also require the appearance of personnel from other schools and game officials.
If the coach is ejected from the contest and an assistant coach, or an assigned school representative is not available to continue as the coach the event is terminated and forfeited to the opponent.
When a contest is interrupted or it ends prematurely because of breakdown of proper sportsmanship and whether or not the on-site officials forfeit the contest to one team, one or both schools may be subjected to any or all, but not limited to, the following: censure, probation with competition, probation without competition, forfeiture, loss of privilege of revenue sharing, expulsion. In addition, it may be required of one or both schools that their coaches and administrators appear before the Executive Committee to indicate why additional action should not be taken.

Taunting – Regulation V, Section 3, "Sportsmanship"
Taunting includes any actions or comments by coaches, players or spectators which are intended to bait, anger, embarrass, ridicule or demean others, whether or not the deeds or words are vulgar or racist. Included is conduct that berates, needles, intimidates or threatens based on race, gender, ethnic origin or background, and conduct that attacks origin or background, and conduct that attacks religious beliefs, size, economic status, speech, family, special needs or personal matters. Examples of taunting that would lead to ejection include, but are not limited to, "trash talk"; physical intimidation outside the spirit of the game; reference to sexual orientation; "in the face" confrontation by one player to another; standing over/straddling a tackled or fallen player.

In all sports, officials are to consider taunting a flagrant unsportsmanlike foul that disqualifies the offending bench person or contestant from the contest/day of competition (and next contest/day of competition). A warning may be given but is not required before ejection.

At all MHSAA tournament venues, tournament management may give spectators one warning for taunting. Thereafter, spectators who taunt others are to be ejected by security.

TOBACCO AND ALCOHOL POLICY – Use of alcohol or tobacco, including e-cigarettes or other smoking devices, is prohibited at MHSAA tournament events by players, coaches and spectators. Managers should stress in coaches meetings that they are not to use tobacco at the tournament venue.

TROPHIES/MEDALS – The MHSAA Tournament trophies and medals will be provided by ESCO of Milwaukee, Wisconsin. Tournament managers will receive the trophies and medals together in one shipment from ESCO. The box containing the trophies and medals should be opened immediately upon delivery and inspected for the correct number, engraving, etc. Tournament managers should

contact ESCO directly (not the MHSAA) at 800-852-4266 with any questions or problems regarding trophy and medal shipments.

Regionals – The winning team will receive a team trophy, and team members will receive medals. Medals will be presented to the top ten individuals in each event. In the case of a tie for first place (two or more teams), duplicate trophies and medals should be ordered through the MHSAA.

Finals – The winning and runner-up teams will receive trophies. Members of the championship and runner-up teams will be awarded twelve team medals. Individual medals will be awarded to the top ten individuals in each event.

There shall be no awards of any kind made to any person or group except those provided by the MHSAA for those players competing in MHSAA tournaments.

Extra Medal Order Form –
http://www.mhsaa.com/Portals/0/Documents/AD%20Forms/medal%20form.pdf

UNIFORMS – The MHSAA will send ski bibs that participants must wear during the competition. **All Regions and each Final will use MHSAA-issued Lycra bibs. Each skier must wear the bib and bib number assigned to them by the host management. AFTER the meet, the individual must return the bib to the meet manager. The school is responsible for any bib not returned to the host. A $50 fee (payable to the MHSAA) will be charged to the school for each missing bib.**

UNMANNED AERIAL VEHICLE (DRONE) POLICY – The use of unmanned aerial vehicles ("UAV"), also known as drones, is prohibited for any purpose by any persons at MHSAA tournament venues. Tournament management shall refuse admission or entry to anyone attempting to use a UAV; and if necessary, tournament management shall remove anyone attempting to use a UAV and/or confiscate the UAV until the event has been completed. For purposes of this policy, a UAV is any aircraft without a human pilot aboard.

An exception to this policy may be made in specific cases for MHSAA broadcast partners, provided that the management of the tournament facility permits the presence of UAVs for broadcast purposes under MHSAA control.

WITHDRAWAL POLICY - Tournament management is to contact the MHSAA office if a school withdraws or fails to show for scheduled competition after the draw is completed for team sports or the pairings, heat assignments or flights are determined for individual sports of the first level of the MHSAA tournament in a sport. The MHSAA staff person responsible for the sport will request from the school principal a written explanation for the no-show/withdrawal. If the reason is determined to be unacceptable by MHSAA staff, the MHSAA Executive Director will place the school on probation for the next two school years. A second offense within the two-year-probationary period will cause the school to be prohibited from tournament play in that sport for the two years following the second offense.

YOUTH PROTECTION POLICY – During the MHSAA Tournament events, the MHSAA expects all designated managers, volunteer or paid staff assisting in the event, officials or any other personnel to follow local school district policy and state statute regarding the mandatory reporting of child abuse, bullying, hazing and sexual harassment. A report of such activity shall be made to legal authorities and to the MHSAA Executive Director or his designee.
