2026 MHSAA BOYS SOCCER FINALS

NOVEMBER 7

Welcome

Welcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That's the beauty of educational athletics. The takeaways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

Recently, the MHSAA celebrated its 100th year. As we begin the second century of school sports in Michigan, let's remember and be thankful for the efforts of all those who have made this Final tournament experience so special.

Congratulations for reaching the end of the tournament road. Good luck to all!

First-Goal Gamewinner

Howie Kropp netted the clinching penalty kick goal to give Leland the Division 4 title.

Hockey Weekly Action Photos

As he made the walk toward the ball, all Leland senior Howie Kropp could think about was his late father.

With Leland mired in a shootout against Grosse Pointe Woods University Liggett in the MHSAA Division 4 Boys Soccer Final, Kropp approached the ball facing the dream scenario – an opportunity to give his team the championship.

He could have been thinking about the fact that he hadn't scored a goal all year, or that he had never taken a shot in a penalty kick shootout before. Instead, all that was on his mind was his father, who passed away when he was 8 years old.

"My Dad, he's up there. I knew he would take over if I just put the ball on the ground," Kropp said. "He coached me in soccer throughout my entire life. I know he helped me put it in the back of the net. Ending on this note meant the world to me."

Kropp stepped up and calmly delivered the winning goal, giving Leland a 4-2 advantage in the shootout for a 2-1 overall win and Leland's first Finals championship since 2018.

Leland head coach Rob Sirrine knew Kropp, who was a goalkeeper his first three years of high school before transitioning to the field as a senior, entered the game having not scored this year.

However, that didn't prevent Sirrine from putting Kopp as the fifth shooter for his team.

"He couldn't buy a goal in the regular season," he said. "We kept telling him that you're going to get an important one in the playoffs. He kept going and he kept going, and didn't get one. I was like, 'Howie, now is your time.'"

Leland took a 1-0 lead after the first round of the shootout following a successful conversion by senior Ignacio Creamer and a save by senior keeper Ravello Smith.

After Leland's Weston Burda and Liggett's Ollie Cooley traded conversions, Liggett tied the shootout at 2-2 on a goal by Brady Ancona.

Leland then went up 3-2 in the fourth round with a goal by senior Adrian Spencer and another save by Smith, which set up the title-clinching opportunity for Kropp.

DIVISION 1: Portage Central 1, Ann Arbor Huron 0 (SO)

No one should be blamed for being a little confused when first glancing at Portage Central senior Gunnar Thorhallsson. At 6-foot-8 with a wingspan over seven feet, many probably look at Thorhallsson and ask how long he's been playing basketball.

"I do not play basketball," he said. "I was a former basketball player and wasn't very good at it, so I decided to stick to soccer."

It became clear to all who saw the Division 1 Boys Soccer Final between Portage Central and Ann Arbor Huron in 2025 why Thorhallsson is indeed a soccer player.

Thorhallsson pitched his 18th shutout of the fall to lift Central to a 1-0 shootout win (4-2 in the penalty kick portion) over Huron in a battle of two teams making their first Finals appearance.

Thorhallsson made 11 saves in regulation and overtime, one in the shootout and then saw another Huron shooter miss the net on his attempt, most likely affected by Thorhallsson's wingspan.

Thorhallsson made a save to start the second round, and Max Bailey gave Central a 2-1 lead with a successful conversion.

Chris Zou and Marshall Neumann then traded successful conversions to make it 3-2 Central after the third round.

Central (24-0-2) finished it off on a miss by Huron and a successful conversion by Jayce Handley to start the Mustang celebration.

DIVISION 2: Warren DeLaSalle Coll. 2, Hudsonville Unity Christian 0

Call this the continued resurgence of a program that's long been a state boys soccer power. Before 2024, tradition-rich Warren DeLa Salle Collegiate hadn't won a Finals championship in nearly two decades after claiming five from 1990-2005.

DeLaSalle seems to have returned to its glory days, capping back-to-back crowns for the first time since 1992-93 with a 2-0 triumph over Hudsonville Unity Christian in the 2025 Division 2 Final.

It was the seventh title in school history, all under legendary head coach Thaier Mukhtar.

"Credit goes to the boys," Mukhtar said. "It goes to them for just listening to what they were supposed to do, and they got it done."

In winning title No. 7, De La Salle (21-4-2) did something no other team was able to do before the championship game – defeat a Unity Christian contender also looking for its seventh Finals title.

DeLaSalle scored first with 29:03 remaining in the first half on a goal by senior James Spicuzzi.

DeLaSalle then took a 2-0 lead with 3:41 to go in the first half when senior Nikolai Zacharko converted a penalty kick after Wyszczelski was fouled in the box.

DIVISION 3: Detroit Country Day 4, South Haven 1

Detroit Country Day captured its 16th MHSAA Boys Soccer title with a 4-1 win over South Haven in the 2025 Division 3 Final. It took Country Day seven years since winning its 15th title in 2018, but Country Day delivered in dominant fashion.

Country Day scored three goals during the first 18:50 of the game and never looked back in a one-sided effort, outshooting South Haven 31-5.

If not for 14 saves and overall brilliant play by South Haven senior keeper Alex Jaimes, the score might have been more lopsided.

Senior Micah Zacks had two goals and an assist, and senior Tino Haratsaris had two assists to lead Country Day (22-2-1).

South Haven (18-5-4) was attempting to win its first Finals title since being co-champion with Jackson Lumen Christi in 2003, but simply ran into a buzzsaw in Country Day.

Country Day opened the scoring with 29:29 when Rye Clegg headed the ball into the goal. The Yellowjackets took a 2-0 lead with 24:50 left in the first half on a goal by senior Yousef Darwich.

The Yellowjackets then went up 3-0 with 21:10 to go in the first on a goal by Zacks, who sent home the ball off of a corner kick. His second goal of the game completed their scoring with 36:35 left.

Protecting What Makes High School Sports Different

In a changing sports landscape, one question matters more than ever: What do we want high school sports to be?

College athletics is having a national conversation about its future and what it wants to become. Those debates are a good reminder that high school sports are unlike any other level of athletics, and that distinction is worth protecting.

The scoreboard matters, but the purpose of education-based athletics and activities extends far beyond wins and losses. High school athletics gives students the opportunity to compete, grow, learn valuable life lessons and develop the character and skills that will prepare them for success long after their playing days are over.

In a time when many Americans feel increasingly disconnected from one another, schools remain places where people come together.

Change is inevitable, and high school athletics must continue to evolve to meet the needs of today's students. But as the landscape changes, we must make sure the experience remains recognizable for what it has always been: designed to serve high school students as a supplement to the educational experience.

That responsibility becomes even more important as outside forces continue to shape the sports landscape, and leaders in high school athletics have an opportunity to be intentional about preserving the distinct identity of high school sports.

That is where the 51 NFHS-member state high school athletics and activities associations play such an important role.

Across the country, these state associations work every day to create opportunities for students to participate while establishing the guardrails necessary to protect student-athletes and their schools.

Those guardrails are not restrictions; they are protections designed to promote competitive equity, establish consistent eligibility standards, protect the well-being of students and keep athletics connected to the educational mission of schools.

The decisions being made at the collegiate level today could shape expectations for athletics at every level tomorrow, and the best time to decide what high school athletics should be is now – before someone else makes that decision.

High school athletics is more than a collection of games and competitions. Every week during the school year, thousands of communities across the country come together around high school athletics and activities. In a time when many Americans feel increasingly disconnected from one another, schools remain places where people come together.

A Friday night football game, a basketball tournament, a state championship, a concert or a theater performance can bring students, families, educators and entire communities together around a shared experience.

That is the power of education-based athletics and activities. They not only benefit the participants, but society as well, and it's why protecting the purpose of high school sports matters and why the work of our 51-member state associations matters.

The NFHS will continue to support our state associations as they work to ensure that students across the country have meaningful opportunities to play, perform and compete – together.

Sports will continue to change, and it's our responsibility to ensure that, through that change, high school athletics remains true to its purpose and focuses on the students it serves.

Scholar-Athlete Award in 38th Year Awarding Scholarships to Students

Thousands of students voluntarily extend their classroom day by taking part in extracurricular activities, often improving their academic achievements in the process. The value that such programs play in the total education of a high school student is highlighted through the MHSAA/Farm Bureau Insurance Scholar-Athlete Award, which will award $2,000 scholarships to 32 top student-athletes and recognize over 2,000 other outstanding individuals in 2026-27.

Underwritten by Farm Bureau Insurance, the Scholar-Athlete Award is now in its 38th year, and presents scholarships to students in every MHSAA enrollment classification. The scholarships may be used at any institution of higher learning.

"It is amazing to see the number of young people who are proven achievers in academics and activities," said Mark Uyl, executive director of the MHSAA. "At a time when our educational system is coming under fire, the Scholar-Athlete Award is something that proves how important athletics are to the development of a well-rounded person."

Students applying for the Scholar-Athlete Award must be graduating during the 2026-27 school year, carry a 3.5 grade-point average, and have previously won a letter in a varsity sport that the MHSAA sponsors postseason competition.

Applicants will also be required to show involvement in other school/community activities and submit an essay on the importance of sportsmanship in educational athletics.

Application materials can be found on MHSAA.com. Scan the QR code to access the page.

Each MHSAA member school is allowed to nominate a number of student-athletes based on the size of the school. Class A schools can nominate six boys and six girls, Class B four boys and four girls, Class C three boys and three girls and Class D two boys and two girls. The first 30 scholarships will be awarded based on this graduated scale, with two additional scholarships intended for minority applicants.

FARM BUREAU INSURANCE®

A committee composed of school administrators from across the state will select regional and statewide winners.

The 32 scholarship recipients will be recognized at the MHSAA Boys Basketball Finals at the Breslin Student Events Center in East Lansing in March 2027.

The annual MHSAA Scholar-Athlete ceremony is one of the highlights of the winter season. More information about the awards may be obtained by contacting your local school principal, athletic director or guidance counselor. The online application form can be found at MHSAA.com/scholarship.

Student Advisory Council Aids MHSAA

Eight student-athletes who will be juniors at their schools during the 2026-27 academic year have been selected to serve two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of MHSAA championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2026-27 are **Addi Diepenbrock**, Ada Forest Hills Eastern; **Avery Edwards**, Kingsford; **Maci Godfrey**, Hudson; **Karly Grant**, St Ignace; **Liam Arnold**, Macomb Dakota; **Kyle Hunter**, Detroit Voyageur College Prep; **Rahul Prasanna**, Novi; and **Eli Wolters**, Holland.

Those eight new members were selected from 127 applicants, the second-largest group of applicants during the 20 years of the council. The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 155 schools from 53 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 12 MHSAA sports, and six will be the first SAC members from their respective schools.

The Student Advisory Council generally meets eight times each school year, and once more for a 24-hour leadership camp. In addition to assisting in the promotion of the educational value of interscholastic athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

This school year, the Council handed out championship trophies at Finals events, led sessions during four Sportsmanship Summits, provided feedback to the MHSAA Representative Council on proposed rule changes, and provided behind-the-scenes social media coverage at MHSAA championship events. They also were featured in public service announcement videos broadcast throughout the last school year.

Student Advisory Council Belief Statement

As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.

We believe athletes should be competitive, sportsmanlike and excel academically. We believe students in the stands should have fun, but not take the focus away from the game. We believe coaches should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that parents should always be positive role models and be supportive of their child's decisions. We believe officials commit their own time to high school sports and respect should always be shown and given to them.

The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.

The new additions to the SAC will join the Class of 2027 members who were selected a year ago: **Nichole James**, Detroit Edison; **Mia McGregor**, Mio; **Camryn Siegers**, Holland Christian; **Lucy Weber**, Fenton; **Brody Hammer**, Middleville Thornapple Kellogg; **Sam Bentley**, Ypsilanti Lincoln; **Mason Mireles**, Hartford; and **Joey Smokevitch**, Johannesburg-Lewiston.

MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, nonpublic schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

FINALS NOTES

Your Officials Today

Just as the participants on the teams at this year's Finals are realizing a dream of vying for top honors, another group of individuals is also reaching a goal for the hard work they have put in by earning officiating assignments.

Officials for MHSAA Finals are selected based on the recommendations and ratings by schools, as well as from input from local officials associations.

These officials believe that interscholastic athletics are truly educational in nature, and work to uphold that standard. Like the athletes in the Finals, officials come from all locations in Michigan.

Selected to work this year's Finals are: **Branden Bennett**, Big Rapids; **Simon Blackwell**, Bridgeman; **Brian Chan**, West Olive; **Dena Conine**, Leslie; **Jason Cross**, Ann Arbor; **Andy Fuehr**, Kalamazoo; **Noah Litwiller**, Grandville; **Patrick McDonnell**, DeWitt; **Daniel Milz**, Madison Heights; **Edward O'Brien**, Traverse City; **Chad Pilbeam**, Allegan; **Nathan Rose**, Sandusky; **Steven Seward**, Trenton; **Richard Thoma**, St Clair Shores; **Greg VanderVeen**, Tawas City; **Trevor Zonnefeld**, McBain.

Congratulations to this year's Final officials. If you are interested in becoming a registered game official in any sport, contact the MHSAA at 1661 Ramblewood Drive, East Lansing, MI 48823, or register online at **MHSAA.com**.

Behind The Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, more than 8,000 game officials and 50,000-plus administrators and coaches at over 1,500 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of District, Regional and Final level tournaments by school administrators who serve as the site managers for these games.

The behind the scenes work of these individuals and their staffs make sure that tournament competition is a memorable experience for the participants.

The MHSAA would like to thank Grand Ledge athletic director **Steve Baker** for serving as tournament manager for the Boys Soccer Finals. Coordinating the Finals from the MHSAA office is **Andy Frushour**. Assisting with the Finals are **Paige Winne**, **Andrew Sniesak** and **Korey Knapp**.

Statistical summaries are provided by **Bobby Lee** and **Nikki Lee**.
