NOTES FOR TIMER

- Start the clock on kickoffs and free kicks when the ball is put into play, NOT when the official blows the whistle.
- Stop the clock when the referee signals to do so: injury, PK, red/yellow card, goal and when otherwise ordered.
- In the last five minutes of the game (and the last five minutes of the second OT period), stop the clock when the leading team substitutes.
- PA Announcer: Count down the last 10 seconds of each period, and announce when there are 2 minutes left in each period
