**June 13-14**

## Welcome

**W**elcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That's the beauty of educational athletics. The take-aways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

This is the 100th year of the MHSAA and there is much to celebrate during this special year. Let's remember and be thankful for the efforts of all those that have made this Final tournament experience so special.

Congratulations for reaching the end of the tournament road. Good luck to all!

— **Mark Uyl**

# Must-Watch Season

Hockey Weekly Action Photos

**E**lla Andree and Clara Saunders started recording a three-part Tik Tok on the opening day of Spring Lake's 2024 girls soccer season, knowing that in order to film Parts 2 and 3 they would need to advance to, and win, the MHSAA Division 2 Final.

Last June, they finished the video.

Spring Lake defeated Bloomfield Hills Marian 1-0 at DeMartin Stadium to avenge a 2021 championship match loss to the Mustangs and claim the first Finals title in school history.

"If we won, we had it ready," Andree said. "We did win, so I hope it looks good."

"The start of our season was a little rough, we had a lot of ties, and we didn't really know where we were going to end up. But we pulled it together and figured out what players needed to do what, and to be here is super crazy."

Andree assisted Aveya Patino on the game's lone goal, and goalkeeper Jessica Stewart made four saves behind a stout Spring Lake defense to give coach Becky May her first title in her eighth season coaching at her alma mater. That it came on the campus where May played collegiately only made it more sweet.

"Extremely proud of my girls, but just proud of West Michigan, our community and how we've been able to step up and really make a name for ourselves in the soccer world," May said. "I played on this field in college, so as a homecoming for me, here's why it's important: When I got announced the first time I started at Michigan State, they announced me from Spring Lake, Michigan, and the girl next to me said, 'Where in the world is Spring Lake?' No one heard of anyone outside the sub(urb)s of Detroit. Well, they've heard of us now. So I'm very proud."

The 2021 championship match appearance was Spring Lake's first, and that ended with a 3-0 defeat at the hands of Marian. Andree, Saunders and Stewart were among the players on the field Saturday who had played in that game as freshmen.

The 2024 match was tightly contested, with both teams having long stretches of possession but not creating many big scoring chances.

The one that hit the back of the net started when Andree won a ball in the corner and played it across the goal. Marian keeper Dani Mertz was able to get a hand on it, but not all of it, and Patino was there to clean it up, scoring the 29th goal of her freshman season. It was also the first goal Marian (15-4-3) had allowed during the post-season.

## DIVISION 1: Rochester Adams 2, Hartland 0

Rochester Adams tentatively held onto a one-goal lead in the 2024 MHSAA Division 1 girls soccer championship match at Michigan State University's DeMartin Stadium.

The Highlanders had chance after chance to distance themselves from Hartland, which was being stifled by sophomore goalkeeper Lexi Calcamuggio.

Junior Sadie Rogers had one of those chances, and whiffed on a shot. But she did find the net with 4:39 to play, and Adams went on to claim its third Finals championship with a 2-0 victory.

"My only thought was to help the team out as much as possible," said Rogers, a junior. "I knew this season I was more of an assister. I had the chance, so I took it."

Adams (16-2-2) came into the Final seeking its first Division 1 championship since 1999. The Highlanders also won Class A in 1992, and its two runner-up finishes came during that decade as well.

Both teams missed on early scoring chances until Adams senior Evelyn Kekhoua took a pass from Danielle Danko and scored with 23:46 on the clock to give their team a 1-0 lead.

## DIVISION 3: Hudsonville Unity Christian 3, Grosse Ile 0

There were plenty of new faces on the field in 2024 for the Hudsonville Unity Christian girls soccer team, but the result ended up being very familiar.

The Crusaders claimed their second-straight Division 3 Finals title at DeMartin Stadium, and for the second-straight year did so with a 3-0 victory over Grosse Ile.

"We had 12 seniors graduate last year from that state title team, and I think 15 kids total that didn't return," Unity Christian coach Randy Heethuis said.

It was the 12th title for Heethuis and Unity Christian, tying Madison Heights Bishop Foley for most in MHSAA history.

Ava Lutke set up Unity Christian's first goal as she found Emma Vrugink in the box, and Vrugink smashed the ball into the open net 14:27 into the first half.

Unity Christian (22-1-1) consistently put pressure on the Grosse Ile defense, but the score remained 1-0 through the first 10 minutes of the second half.

At that point, however, Unity Christian found some cracks and scored a pair of goals in less than two minutes. First, Lutke jumped on a loose ball near the top of the box and slotted it inside the post.

Tessa Ponstein scored 1:43 later, with a curling left-footed shot from outside the box that found the opposite corner.

## DIVISION 4: Jackson Lumen Christi 2, Kalamazoo Christian 1 (SO)

Jackson Lumen Christi keeper Izzy Ermatinger stepped up to kick first as the Titans began a Division 4 championship-deciding shootout Kalamazoo Christian in 2024.

She scored, then was brilliant in net stopping all but one of the Comets' shots to clinch the Titans' first Finals title in this sport with a 2-1 victory at DeMartin Stadium.

Lumen won the shootout 3-1, as Paige Lefere and Paityn Petitto also buried shots in the deciding portion following 100 minutes of regulation and overtime.

The Titans gave up only two goals over seven tournament games during this run. Lumen Christi endured the marathon while subbing only once, making the performance even more impressive.

The Titans struck first when Petitto sent a 40-yard pass to Codi Ruge, who blasted a shot into the net just under four minutes into the match. It was the her 17th goal of the year, and Petitto's 10th assist.

Kalamazoo Christian (18-5-2) wasted no time scoring to start the second half, as Ari Allen capitalized on a Lumen Christi miscue on a pass and scored from the left side to tie the score 1-1.

Both goalies – the Comets' Elizabeth Netz, and Ermatinger – were excellent in goal, making four and seven saves, respectively.

# Sportsmanship Extends to Online Behavior

**W**ith the changes that have occurred in college sports the past couple of years, high school sports is truly the last level of pure amateur competition in our country – and the NFHS and its member state associations want it to remain that way.

As football, volleyball, soccer, cross country and other sports begin this fall, high school coaches and athletic/activity directors will be involved in preseason meetings to emphasize the expected outcomes of education-based sports, as well as speech, debate, music, theatre and other programs.

Among those fundamental values of education-based activities that must be discussed is sportsmanship, or good sporting behavior. More than winning, more than learning the skills of a sport, a focus on sportsmanship has been one of the defining elements of high school sports and other activities for more than 100 years.

Along with maintaining the sound traditions of sports and minimizing the risk of injury, NFHS playing rules encourage sportsmanship, and the first page in all NFHS rules publications includes a statement noting that “each athlete is responsible for exercising caution and good sportsmanship.”

In the past, with an emphasis on conduct on the playing field or court – or in the auditorium or rehearsal hall – sportsmanship has been defined as those qualities of behavior that are characterized by generosity and genuine concern for others. More so than preparing students to play sports or another activity at the next level, one of the significant goals of education-based high school sports and activities is helping the 12 million-plus individuals in these programs to become responsible citizens.

And in today’s online world dominated by hand-held devices, that goal has become more challenging. Now, messages to students in high school sports and other activities about sportsmanship must be communicated before they hit the practice field or court because one inappropriate post, tweet or message could alter their lives forever.

At the recent virtual National Student Leadership Summit hosted by the NFHS, Christina Jontra of Neptune Navigate, one of the newest NFHS corporate partners, discussed the need for good sportsmanship online as much or more so than on the court or field.

In the digital age in which we live, participants in high school activity programs need to be aware that their character and respect for others should be the same, whether in the sport or activity itself, or online.

As the popularity and influence of social media continues to surge, it is imperative that student-athletes, as well as coaches, administrators, parents and everyone involved in education-based athletics, are aware of the ways they can endanger themselves with their online behavior and understand the techniques they can employ to prevent that from happening.

In her recent presentation, Jontra noted five characteristics of good sportsmanship online – honesty, compassion, respect, responsibility and courage. Just as a student would respect an opponent on the field or in the debate room, the same must occur online.

At preseason meetings this fall, coaches and athletic/activity directors should encourage students in their programs to be mindful of online contact with individuals on opposing teams – particularly any bantering that could be perceived as cyberbullying. As Jontra mentioned in her message during the NSLS, hurtful words can ruin a person’s life forever.

Fortunately, during the season, the millions of high school students involved in sports and performing arts have less free time to spend online on a daily basis, but the time spent must be done in a positive manner. Not only could damaging words on social media affect a student’s chances for an athletic scholarship, inappropriate messages could also negatively impact future job possibilities as employers are more actively auditing social media.

Whether the setting is before hundreds of people at an actual game or event, or a private experience alone online, positive and respectful behavior should be the choice every time.

Applicants for the Scholar-Athlete Award must meet the following criteria: A minimum cumulative grade-point average of 3.5 on a 4.0 scale; and must have previously won a varsity letter. Applicants also show involvement in other school and community activities; submit two letters of recommendation and a 500-word essay on the importance of sportsmanship in educational athletics.

Recipients of the 2024-25 Scholar-Athlete Award receive a \$2,000 college scholarship to be used at the college, university, or trade school of their choice during the 2025-26 school year. This year, a total of 1,513 applications from 431 schools were received for 32 scholarships. Class A students were guaranteed 12 winners, Class B eight winners, Class C six winners and Class D four winners. Two at-large winners were also selected.

All scholarship recipients were honored during the MHSAA Boys Basketball Finals at the Breslin Center in East Lansing in March.

# Student Advisory Council Aids MHSAA

**E**ight student-athletes who will be juniors at their schools during the 2025-26 academic year have been selected to serve two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of MHSAA championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2025-26 are: **Nichole James**, Detroit Edison; **Mia McGregor**, Mio; **Camryn Siegers**, Holland Christian; **Lucy Weber**, Fenton; **Brody Hammer**, Middleville Thornapple-Kellogg; **Sam Bentley**, Ypsilanti Lincoln; **Mason Mireles**, Hartford; and **Joey Smokevitch**, Johannesburg-Lewiston.

Those eight new members were selected from 125 applicants, the second largest group of applicants in the 20 years of the council. The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 148 schools from 53 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 11 MHSAA sports, and six will be the first SAC members from their respective schools.

The Student Advisory Council generally meets eight times each school year, and once more for a 24-hour leadership camp. In addition to assisting in the promotion of the educational value of interscholastic athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

This school year, the Council handed out championship trophies at Finals events, led sessions during four Sportsmanship Summits, provided feedback to the MHSAA Representative Council

## Student Advisory Council Belief Statement

As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.

We believe athletes should be competitive, sportsmanlike and excel academically. We believe students in the stands should have fun, but not take the focus away from the game. We believe coaches should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that parents should always be positive role models and be supportive of their child's decisions. We believe officials commit their own time to high school sports and respect should always be shown and given to them.

The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.

on proposed rule changes, worked on a mental health initiative, and wrote the script for a public service announcement on adult spectator sportsmanship that was included in broadcasts throughout the last school year.

The new additions to the SAC will join the Class of 2026 members who were

selected a year ago: **Itzel Albarran**, Bronson; **Harper Barnhart**, Brownstown Woodhaven; **Diamond Cook**, Southfield Christian; **Henry Ewles**, Pontiac Notre Dame Prep; **Cole Haist**, Big Rapids; **Frannie Keeley**, Jenison; **Trey LaValley**, Romeo; and **Ethan Stine**, Bridgman.

# MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, non-public schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

# Finals Notes

## Your Officials Today

Just as the participants on the teams at this year's Finals are realizing a dream of vying for top honors, another group of individuals are also reaching a goal for the hard work they have put in by being assigned to officiate the action.

Officials for MHSAA Finals are selected from an Association committee of member school personnel from across the state, based on the recommendations and ratings by schools, as well as from input from local officials associations.

These officials believe that interscholastic athletics are truly educational in nature, and work to uphold that standard. Like the athletes in the Finals, officials come from all corners of Michigan.

Selected to work this year's Finals are: **Michael Baldarotta**, Lake Orion; **Brandon Barlog**, Auburn Hills; **Branden Bennett**, Big Rapids; **Jared Brzezniak**, Kalamazoo; **Jason Cross**, Ann Arbor; **Ashley Fromson**, St Johns; **Andy Fuehr**, Kalamazoo; **Stephen Holland**, Okemos; **Andrew Johnson**, Muskegon; **Michael Kincaid**, Wixom; **Colton Odem**, Grand Rapids; **Jaime Pilbeam**, Byron Center; **Robert Sanborn**, Goodrich; **Aaron Scherer**, Van Buren Twp; **Jeremy Warren**, Bay City; **Jacob Werner**, Bay City.

Congratulations to this year's Final officials. If you are interested in becoming a registered game official in any sport, contact the MHSAA at 1661 Ramblewood Drive, East Lansing, MI 48823, or register online at MHSAA.com.

## Behind The Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, nearly 10,000 game officials and 50,000-plus administrators and coaches at over 1,600 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of District, Regional and Final level tournaments by school administrators who serve as the site managers for these games.

The behind the scenes work of these individuals and their staffs make sure that tournament competition is a memorable experience for the participants.

The MHSAA would like to thank following personnel for their assistance with the 2025 Girls Soccer Finals: Lansing Community College AD **Greg Lattig**; officials assistant **Jason Fisher**; and **Alexis Bell**, **Desmond Crayton** and **Mckenzie Gardulescu** and **Elyse Packard** from Michigan State University.

Assisting from the Lansing Sports Commission are **Miranda Coleman**, **Tom Kinder**, **Taylor McKay**, **Julie Pingston**, **Barbara Powers-Garmyn** and **Meghan Ziehmer**.

Coordinating the Finals from the MHSAA is MHSAA Soccer Director **Andy Frushour**.

The MHSAA would like to recognize the efforts of these individuals and the other individuals who have donated their time and talents to make the Finals a success.
