

**DIVING QUALIFICATION INFORMATION**

**NAME OF DIVER** \_\_\_\_\_ **SCHOOL** \_\_\_\_\_

**NOTE:** To qualify for the Diving Qualification Meet, a diver must:

- 1) Place ahead of all divers from opposing schools in actual, current year varsity meet competition in at least four meets.
  - a. If an exhibition diver places ahead of all competitors from the opposing team with a legal list and judged by the same judging panel, the performance will count toward Regional qualification.

Or

2) A League or Conference Championship meet or a season-ending invitational meet (for those who don't belong to a league) may qualify as many people as there are schools entered in the diving event plus the number of returning State Finals participants from the previous season.

- a. An eight-team league has six schools entered in diving for the league meet. They may qualify six to the MHSAA Qualification Meet.
- b. If only four schools are entered in the diving event, only four may qualify.
- c. In both previous examples, an additional qualifying spot will be added for each diver competing in the meet that competed in the State Finals diving event the previous year.

**List the Meets where this diver placed ahead of all divers from opposing schools.**
