

PARTICIPATING SCHOOL TOURNAMENT INFORMATION 2025 MHSAA GIRLS SWIMMING & DIVING

1. TOURNAMENT FORMAT

The MHSAA LP Girls Swimming and Diving Tournament is conducted in three equal divisions. In Swimming, individual and relay event competitors qualify directly to the Finals by meeting or exceeding pre-established qualifying times in a bona-fide high school meet. Qualifying times are determined by formula and posted on the MHSAA Web site. Finals Meets in each Division are conducted at three separate facilities. At all Finals Meets there will be preliminary rounds on day one, with the top 16 times qualifying for the second day Finals in 12 events (eleven swimming events and diving).

In Diving there will be three Qualification Meets in each Division. Schools will be assigned to one of the Qualification Meets by MHSAA staff based on geography and travel considerations. These assignments will be in the fall “**Tournament Notification**” form sent to all schools and posted on the MHSAA Web site.

Schools and swimmers/divers must compete in a minimum of four regular season varsity high school meets to be eligible to qualify for the MHSAA Tournament. Divers must qualify through Diving Qualification Meets and swimmers must meet or exceed qualifying times posted on the MHSAA website.

Qualifying times for the MHSAA Finals are posted on the MHSAA website in August, prior to the start of the season. Qualifying times are set based on the previous year's results, along with aggregate data compiled over the past five years of championships.

Swimmers who qualify for the MHSAA Final will be placed in preliminary heats seeded by qualifying times. The top 16 times from the preliminary round advance to the Final heats. Electronic entries are required for the Final Meet with instructions on the MHSAA Web site. A Master Eligibility List must also be sent electronically (scan & email) to the final manager of your Final Meet. Check for e-mail addresses and specific site information two weeks before the meet. **Electronic entry for the Final Meet must be submitted by Noon on the Monday of the Final meet.** Psych sheets will be posted at noon on Wednesday – however coaches need to send and confirm entries to the Final manager on Tuesday.

Inaccurate, late or incomplete entries are subject to the \$50 late fee made payable to the host institution.

In the MHSAA meet, swimmers are limited to competing in four events total, no more than two of the four events may be individual events. Substitutions are allowed for relay team participants providing the combination of swimmers listed are capable of equaling the qualification time.

DIVING - MHSAA Diving Qualification Meets will consist of 11 Dives.

Dive Entries are due Nov.11, Dive Qualification Meets are Nov. 13.

In order to qualify for the Diving Qualification Meet, a diver must:

- A. Have placed ahead of all divers from opposing schools in actual varsity competition in at least four meets. (A win while competing as an exhibition diver will count.) **OR**
- B. In a league or conference meet or in a season-ending invitational (if teams do not belong to a league), as many people may qualify to the Diving Qualification Meet as there are schools participating in the diving event, e.g., if an eight-team league has six schools participating in the diving event of the league meet, six divers may qualify to the MHSAA Diving Qualification Meet
- C. In a conference meet, a qualifying spot to the MHSAA Diving Qualification Meet will be added equal to the number of returning Finals Meet qualifiers in that conference.

Finals Method of Selection – Based upon the number of entries present, each MHSAA Regional Diving Qualification Meet will advance a specific number of qualifiers to the Final Meet (resulting in 36 divers at each Final Meet).

Each MHSAA Diving Regional will be given 10 guaranteed qualifiers to the MHSAA Championship meet. The remaining 6 spots will be distributed to the Regions that have one of the top six returning divers from the previous year's MHSAA Final Meet. (Each of the top 6 divers returning will add an additional spot to their Regional). Additional qualifiers may result from year-to-year Division changes.

The number of divers advancing and the cuts for each Qualification Meet are set before the data is sent to the Qualification Meet hosts and cannot be changed by the host site. Entries must be received by Noon on November 11. **Deck entries are not permitted at Diving Qualification Meets.**

Cuts will be determined based upon the number of entries at each Qualification Meet. Specific cut protocols will be sent to Diving Qualification Meet Managers prior to November 11 and posted to MHSAA.com. All those entered should be prepared to perform an 11-dive list.

- Coaches must bring to the Final Meet the Diving Qualification Entry List and documents to verify all entrants have achieved the qualifying standard.
- For Divers who advance to the Final Meet, the list of the 11 dives will be sent to the Final manager. On Friday, each participant and coach must sign the posted sheet to verify the list is correct.
- The Diving Qualification Meet Manager will advance to the Final Meet Manager the names and dive lists of divers who have qualified to the Finals. Dive lists can be changed at the Finals site. Coaches, however, must enter all Diving Qualification Meet divers with the Final Meet entries via Hy-Tek.

Final Meet Diving Procedures – At the MHSAA Final, all qualifiers complete five dives, then the field is cut to the top 20 divers who complete three additional dives after which the field is cut to 16. The remaining 16 divers complete their final three dives during event #5.

Coaching Supervision - No individual or team may participate in an MHSAA Tournament unless accompanied to the event by the coach, administrator or appointee of the school.

Divers who enter MHSAA Qualifying Meets must provide the name of a designated MHSAA-certified coach to serve on the judging panel. After volunteers are accepted from the list, a random draw of those designated coaches will fill out the rest of the seven-judge panel.

11. MEDIA

For information on credentials, locker room privacy policy, microphones, photographers, flash photography, postgame interviews, press box, results, streaming (audio and video), and videotaping, go to this [Media/Streaming Information PDF](#).

12. SPORTSMANSHIP

When a student is disqualified during a contest for flagrant or unsportsmanlike conduct, his/her school shall withhold that student for the remainder of that day of competition and for at least the next day of competition for that team.

When a coach is disqualified during a contest for unsportsmanlike conduct, that coach shall be prohibited by his/her school from coaching for the remainder of that day of competition and from coaching at or attending at least the next day of competition for that coach's team. Failure of the school for any reason to enforce this regulation will prohibit the school from entry in the next MHSAA tournament for that sport, or from the remainder of the current tournament if the disqualification occurs during an MHSAA tournament or during the last regular-season contest.

Disqualifications from one season carry over to the next season in that sport for undergraduates and coaches, or the next season in any sport for seniors. If the playing rules for a sport specify an additional penalty or more rapid progression, or use of such a progression for other violations, the playing rules apply. Any coach who is disqualified for unsportsmanlike conduct two or more times during a season, any player who is disqualified for unsportsmanlike conduct three or more times during a season, and any coach or player who is ejected for spitting at, hitting, slapping, kicking, pushing or intentionally and aggressively physically contacting an official at any time during that season, is not eligible to participate in the MHSAA tournament for that sport that season. If the tournament disqualifying ejection for that individual occurs during the MHSAA tournament, that player or coach is ineligible for the remainder of that tournament.

If a team is removed from competition in protest, the contest is forfeited to the opponent and the coach and principal of the removed team must appear before the Executive Committee to indicate why additional action should not be taken. The Executive Committee may also require the appearance of personnel from other schools and game officials. If the coach is ejected from the contest and an assistant coach, or an assigned school representative is not available to

continue as the coach the event is terminated and forfeited to the opponent.

When a contest is interrupted or it ends prematurely because of breakdown of proper sportsmanship and whether or not the on-site officials forfeit the contest to one team, one or both schools may be subjected to any or all, but not limited to, the following: censure, probation with competition, probation without competition, forfeiture, loss of privilege of revenue sharing, expulsion. In addition, it may be required of one or both schools that their coaches and administrators appear before the Executive Committee to indicate why additional action should not be taken.

13. WEATHER POLICIES, SUSPENSIONS, POSTPONEMENTS

When teams are delayed in arriving at tournament sites because of inclement weather, management is encouraged to consider delaying competition for a few hours and/or playing games/matches in brackets of teams/individuals that are present and prepared to participate. If, after a reasonable delay, fewer than 60% of the scheduled teams/individuals have not arrived, the tournament must be rescheduled. If 60% or more of the scheduled teams/individuals are present, the tournament is to be conducted on the day scheduled.

14. INJUNCTION, RESTRAINING ORDER, PROTESTS

If an injunction or restraining order is served or presented at an MHSAA tournament site and such purports to require the eligibility of or participation by a student or team which a school and/or the MHSAA has ruled to be ineligible under MHSAA regulations, the on-site tournament manager is to suspend the entire competition (team competition) or events in which that student is intending to participate (individual competition). If the meet has begun, it shall be completed. Protests will not be reviewed by the MHSAA. All disputes must be decided at the site before the game proceeds. The umpires will make the final decision regarding game events. The Tournament Manager will resolve all next game concerns.

15. TOBACCO AND ALCOHOL POLICY

Use of alcohol or tobacco, including e-cigarettes or other smoking devices, is prohibited at MHSAA tournament events by players, coaches and spectators. Managers should stress in coaches meetings that they are not to use tobacco at the tournament venue.

16. YOUTH PROTECTION POLICY

During the MHSAA Tournament events, the MHSAA expects all designated managers, volunteer or paid staff assisting in the event, officials, or any other personnel to follow local school district policy and state statute regarding the mandatory reporting of child abuse, bullying, hazing and sexual harassment. A report of such activity shall be made to legal authorities and to the MHSAA Executive Director or his designee.

17. LOCKER ROOM PRIVACY POLICY

Using devices of any kind to capture or transmit images is strictly prohibited in locker rooms, dressing areas, training rooms, weigh-in rooms, showers, restrooms, or other areas where there is an expectation of privacy during MHSAA tournament events. Tournament managers or athletic directors who discover such use should move immediately to have the device removed and inform the head coach or athletic director of the person's identity and nature of the activity.

18. SPECTATOR POLICIES

The following general policies apply to spectators at MHSAA Tournament events. Tournament managers may also have additional school, facility or institutional restrictions and/or policies.

- Banners are allowed with Meet Manager approval.
- Noisemakers are not allowed
- Smoking is not allowed at the tournament site.
- Spectator Videotaping – Spectators may tape but are not to interfere with the view of other spectators or news media personnel covering the activity. A manager is not required to provide electrical hook-ups; or tripod space and may arrange spectator videotaping from a designated location(s).
- **NEW Service Animal Language as follows:** - The policies of the local host site shall prevail with respect to pets/animals. In the absence of local host policy, animals or pets shall not be permitted to enter MHSAA tournament venues; including spectator and team areas. However, properly marked or documented service animals which are leashed or harnessed at all times may accompany spectators paying admission or attending with other approved team or school personnel. Individuals who bring service animals are asked to bring their own waste disposal bags and request special seating in advance of the event if this is needed.

19. DRONE POLICY

For the purposes of this policy the word “drone” applies to all Unmanned Aerial Vehicles. The policy is written for all MHSAA tournament contests. Local laws and policies control all regular-season contests.

Drones are prohibited for all indoor tournament contests in all sports. For outdoor sports, local, state, and federal laws govern the use of drones. Drones may never be flown over spectators, athletes, or the playing surface. All drones must stay outside of the “restraining line” or the normal footprint of the playing surface. This includes never flying over bleachers, press box, or anywhere that spectators sit or gather for a contest. The operator of the drone must be registered with the FAA and follow local, state, and federal law when flying the drone. [Register Your Drone](#).

Drones can never be used for the purposes of scouting opponent’s games or practices. Non-school facilities reserve the right to restrict drones on their property. An exception to this policy may be made in specific cases for MHSAA broadcast partners, provided the management of the tournament facility permits the presence of UAVs for broadcast purposes under the control of the MHSAA.

20. 50/50 RAFFLE POLICY

MHSAA tournament hosts can conduct 50/50 raffles provided the host site manager requests and receives the appropriate license from the State of Michigan. [Charitable Gaming Raffle License](#)
