

## PARTICIPATING SCHOOL TOURNAMENT INFORMATION 2022-23 MHSAA TENNIS

### 1a. TOURNAMENT FORMAT – (Lower Peninsula)

The MHSAA Lower Peninsula Boys and Girls Tennis Tournaments are conducted in four equal Divisions by enrollment. Schools are assigned to one of eight Regionals in each Division by MHSAA staff based on geography and travel considerations. Regional assignments are included in the “**Tournament Notification Form**” sent to all member schools and posted on the MHSAA website.

**BALL FEE** – Participating schools are responsible for a \$75 “ball fee” at the MHSAA L.P. Regional and L.P. Finals tournament. This “ball fee” does NOT replace indoor costs associated with indoor facility rental in the event of inclement weather at the Regional level. At the L.P. Regional level, each participating school will send a \$75 check made out to the Regional host school by the Opt-Out Due Date. For those schools that qualify for the L.P. Finals, an additional \$75 check must be sent to the Finals venue host once your team has qualified. No “ball fee” will be required for individual qualifiers at #1 Singles.

MHSAA Tournament competition at the Regional level will be conducted on a team basis with teams and/or individuals advancing to the MHSAA Finals. A regular season team shall consist of four singles and four doubles matches. All matches shall be best of three, COMAN tie-break sets. Each match won by a team member by play or default will count one point toward a team or total score. The team score is based on the total cumulative score of each team entry.

The winning and runner-up team from each Regional, and any team which scores **18** or more points in a draw of 16, will qualify to the Finals level. (Any school with **10** or more points in a draw of eight will qualify to the Finals level.) Any No. 1 Flight singles winner or No. 1 Flight singles runner-up who is not a member of a qualified team, will qualify to the Final Meet. All individual entries will be drawn into the #1 Flight with the #1 Flight team players and will compete for individual honors. The MHSAA Seed Committee will determine all seeds for the Finals.

## 2. TOURNAMENT PROCEDURES

### REGIONALS (L.P.)

**Entry, Eligibility, Ranking** - Only a bona fide team (minimum of four players) may participate in the MHSAA Regional Tournament. All teams will play four Singles and four Doubles matches. Individuals will be limited to competition in EITHER singles or doubles play. (A bona fide team means the school has an actual schedule for the current school year and has participated in four or more matches during the current school year.)

A player must be a bona fide member of the school team, (has represented their school in a high school match) before the entry deadline. The player's name must be on the Eligibility List and Regional Lineup Sheet when submitted.

All coaches MUST play their BEST player at No.1 singles.

All team members are to be ranked in position according to their ability (singles-flight one, two, three or four OR doubles-flight one, two, three or four). Doubles teams shall be ranked according to the ability of the two players as a team and not as individuals. (See 8A)

**A player must have played a majority of all matches played at that flight in which they are entered for Regional play. If there are extenuating circumstances (i.e. illness, injury during the season) ranked ability shall take precedence over majority.**

**Every effort must be made to establish the lineup early in the season. The moving of players to various positions is strongly discouraged.**

### STACKING

Stacking is having players not in ranked order as defined by the MHSAA rules. Any lineup changes must be verified by current challenge matches.

Challenge Match – A coach needs written verification to explain his/her lineup and must use a consistent format throughout the portion of the season when challenges are allowed.

Definition of stacking – Players are **NOT** in ranked order. Why is stacking wrong?

- a. It is against the stated rules and policies of the MHSAA.
- b. It violates the true spirit of athletic competition.

Is it stacking, playing your second-best player in doubles?

No, as long as it is done as a permanent position. If not, what is wrong with having your second-best player switch back and forth between singles and doubles?

Switching back and forth:

- a. Complicates seeding for Regionals and Final
- b. Is unfair to your own players/team

- c. Becomes a guessing game with your lineup with opposing coaches

Moving players lower in the lineup because of discipline is not permissible.

**Utilization of Players** – When you have less than 12 team members on your published team roster;

- 4 players - play No. 1, 2, 3, 4 singles
- 5 players - play No. 1, 2, 3 singles - No. 1 doubles
- 6 players - play No. 1, 2, 3, 4 singles - No. 1 doubles
- 7 players - play No. 1, 2, 3 singles - No. 1, 2 doubles
- 8 players - play No. 1, 2, 3, 4 singles - No. 1, 2 doubles
- 9 players - play No. 1, 2, 3 singles - No. 1, 2, 3 doubles
- 10 players - play No. 1, 2, 3, 4 singles - No. 1, 2, 3 doubles
- 11 players - play No. 1, 2, 3 singles - No. 1, 2, 3, 4, doubles

**Seeding** – A place is provided on the Regional Lineup Sheet to designate those players whom you feel deserve seeding consideration. Place a check before their name and attach the Player Season Report (PSR – generated by TennisReporting.com) to the Regional Lineup Sheet. You are encouraged to be present at the Regional Seeding Meeting if at all possible. The season records and total number of matches, as indicated on the Regional Lineup Sheet, **must** be updated with current information at the Seeding Meeting or prior to it.

NOTE: Season records include only regular season contests. No scrimmage or non-interscholastic play results are to be considered. Any player in the tournament may be given consideration for seeding.

Player Season Report – A **Player Season Report (PSR)** – generated by **TennisReporting.com**, must be presented along with entry materials. The Player Season Report (PSR) is considered part of the entry material and **must be** complete, accurate and legible. A \$50 late fee may be assessed by the Regional Manager if the Player Season Report (PSR) does not meet all requirements. A separate sheet **MUST** be presented for each player and doubles team entered. Defaults are to be part of the player's permanent record and included on the Player Season Report (PSR). The reason for the default must be stated on the sheet.

**The Player Season Report (PSR) must be updated online (at TennisReporting.com) daily as the season progresses.** The Player Season Report (PSR) should reflect matches played as current as possible without missing the deadline. Make sure the Player Season Report (PSR) is accurate, and includes all matches: this includes all regularly scheduled matches of your high school team. These contracted matches should be counted regardless of the scoring system used. Scrimmages or outside competition for the individual shall not be considered.

**Substitutions** – After the Regional Lineup Sheet has been **received by** the Tournament Manager, substitution is to be allowed only in the case of illness, injury, discipline, immediate family tragedy or academic commitment (e.g. Advanced Placement test). **A letter from the school must accompany the name of the substitution.** The substitute must be placed into the same position as the person for whom the substitution is being made. Juggling of the lineup is not permitted. If a substitution is to take place prior to the Opt-Out deadline time, a coach is expected to substitute by ranked order of ability. A major change in many of the flights is not permissible. If a substitute is used for a player in the Regionals and that team qualifies to the Finals level, the player for whom the substitution was made may represent the school in the Finals level in the original position of entry. In case of injury or illness, causing the player to terminate play, no substitute is allowed and a default is awarded the opponent. **If a substitution is made after the Regional Tournament, for the allowable reasons, once the Final Draw is completed the substitute is the player of record.**

**Deadline to Make a Substitution at Regionals & FINALS** - At regional and final tournaments any substitution must be made before the end of the last scheduled coaches meeting prior to play. If there is a possibility of a seeded player not being able to play, the coach should notify the tournament manager in advance.

**Majority Rule Violation at Regionals** – The regional committee has the authority to correct line-ups that do not meet the requirements of the majority rule. The coach of the school in question should present information concerning extenuating circumstances to the committee during its consideration of the matter.

A modified USTA point penalty system for lateness and violations will be used.

**Warm-Up** – The warm-up before each match shall not exceed 10 minutes - this includes the serve.

**Rest** – Between matches a player or doubles team will receive at least 30 minutes. The time may be shortened if both coaches agree. Between the second and third set, a maximum of five minutes may be taken.

**Maximum Number of Matches for Contestants** – A player or doubles team may participate in no more than **117** games in a given day.

**Scoring** – Each match won by a team member by play or default will count one point toward a team total score (in case of a bye in the first round, a player must win the second-round match before that player receives a point for the bye). The team score is based on the total cumulative score of each team entry.

**Penalty for Unsportsmanlike Conduct After Match** – For flagrant unsportsmanlike conduct after a match is completed; the offending player will be defaulted and removed from the site as soon as authorized school personnel become available. This removal will be for the duration of the event (Regionals and Finals are considered one event). In addition, one point will be deducted from the player's team score. This rule will be in effect for all MHSAA Tennis Tournaments.

NOTE: If a player is defaulted from the Regional level, a substitution at his/her position is NOT allowed.

## FINALS

The winning and runner-up team from each Regional, and any team which scores 18 or more points in a draw of 16, will qualify to the Finals level. (Any school with 10 or more points in a draw of eight will qualify to the Finals level.) Any No. 1 Flight singles winner or No. 1 Flight singles runner-up who is not a member of a qualified team, will qualify to the Finals Meet. All individual entries will be drawn into the No. 1 Flight with the No. 1 Flight team players and will compete for individual honors.

It will not be necessary for coaches of qualified teams or individual entries to forward a Finals Meet Regional Lineup Sheet, however, each coach must update the Player Season Report (PSR). The Regional Lineup Sheet and Eligibility List previously submitted, along with the **updated** the Player Season Report (PSR), will be forwarded with the meet results by the Regional Manager.

**Player Position in Finals Meet** – Members of qualified teams must compete in the same Flight in the Finals level as in the Regional level.

**Substitution** – If a substitute was used for a player in the Regionals and that team qualifies to the Finals, the player for whom the substitution was made may participate in the Finals. At the Finals level, a substitution may be allowed only in the case of illness or injury, discipline, immediate family tragedy or academic commitment. **The school must submit in writing the reason and the name of the substitute. After the Final Draw, no additions can be made, and the substitute is the player of record.**

**Finals Meet Seeding** – Any coach, who feels their player/players should be considered for a seeded position in the Finals Meet, **MUST** have an updated information sheet in the hands of the closest Area Seeding Director by his/her required time and date. This information must be in writing. A phone call with pertinent information will assist the Director. However, your presence at the Sunday afternoon area meeting is desirable.

At the Final tournament, if there are (21) to (23) #1 singles players in the draw, up to (7) players may be seeded. If there are (24+), up to (8) players may be seeded.

**Finals Meet Draw** – The Seeding Meeting will be conducted by Area Seeding Directors and Finals Level Managers.

**Enforcement of the Majority of Matches Rule** – If a player does not meet the requirements of the Majority Rule at the Regional, the team's lineup will be adjusted so that it complies. The Final Seed Committee has the authority to correct a lineup that is deemed in violation with the Majority Match Rule.

**Tournament Substitution & Redraw Rule** – When a seeded player withdraws on the day of the tournament, the tournament manager will adjust the new seeds so that they are on the proper line for their seed. This would include the provisional seed. The seeds will be adjusted but the bracket will not be re-drawn (playing against the same team more than two times is allowed if dictated by the seed adjustment).

**Penalty for Unsportsmanlike Conduct After Match** – For flagrant unsportsmanlike conduct after a match is completed; the offending player will be defaulted and removed from the site as soon as authorized school personnel become available. This removal will be for the duration of the event (Regionals and Finals are considered one event). In addition, one point will be deducted from the player's team score. This rule will be in effect for all MHSAA Tennis Tournaments.

NOTE: If a player is defaulted for unsportsmanlike conduct, no substitution is allowed.

**Use of Indoor Facilities** – MHSAA, in cooperation with the respective tournament manager, will authorize use of indoor facilities under adverse weather conditions. If indoor facilities are available and approval is given by the MHSAA, the tournament may be moved indoors. **The MHSAA will pay for the courts at the FINALS ONLY.**

**Coaching Supervision** – No individual or team may participate in an MHSAA Tournament event UNLESS ACCOMPANIED TO THE EVENT BY THE COACH, administrator or appointee of the school.

**Number of Allowable Coaches at Finals** - Each school is allowed three (3) coaches on the first day of the Final tournament. If additional sites (beyond 2) are used, one coach may be added for each additional site. **On the 2nd day of the tournament only two coaches are allowed. All coaches must meet MHSAA requirements.**

### **3. OPT OUT POLICIES, ELIGIBILITY LISTS, ROSTERS**

The Regional Lineup Sheet, the Player Season Report (PSR) and Master Eligibility List must be properly filled out and sent to the Regional Manager by the Opt-Out Due date:

### **4. DRAW PROCEDURES**

Regional managers will notify participating schools regarding the date, time and location of the Seeding Meeting. It is strongly recommended that each coach attend the meeting, however, no players or parents are invited. Coaches must have sent complete information on each player; this includes results from the entire MHSAA season. Once the Seeding Meeting is over, the draw and seeds are set. No Protest is allowed to the decisions of the seeding committee regarding either seeds or placement of seeds at the Regional or Final Tournament. Once the committee adjourns, there are no appeals, protests or changes of the seeds or placement of the placement of the seeds.

### **5. TIME SCHEDULE**

Regional Managers determine the time schedule for their event. Finals managers determine the time schedule for their event.

### **6. AWARDS**

**Regionals** – The winning team (total points) will be awarded a team trophy and team members will receive medals. Medals will be presented to each flight winner and runner-up. In the case of a tie (two or more teams) for first place, a duplicate trophy and medals should be ordered through the MHSAA.

**Finals** – The winning team and the runner-up team (total points) will receive trophies. Individual medals will be awarded to the winner, runner-up and semifinalists in each of the flights. Members of the championship and runner-up teams will be awarded a team medal.

Duplicate trophies and medals will be awarded in case of a tie at either the champion or runner-up position. In the case of a tie (two or more teams) for first place, a runner-up trophy will not be awarded.

There shall be no awards of any kind made to any person or group except those provided by the MHSAA for those players competing in MHSAA tournaments.

**Extra Medal Order Form** – [CLICK HERE](#)

## **7. LIMITS OF COMPETITION**

Teams and individuals may have a maximum of **16 dates** of competition during the regular season.

**A player or doubles team may participate in no more than 117 games in a given day.**

There are no weekly limits. MHSAA tournament dates do not count against season maximums.

A contestant in any sport shall not compete on two different teams on the same date in the same sport.

## **8. FINANCES**

Participating schools will assume all costs of the tournament. This includes transportation, lodging, meals and indoor courts (if used) at the Regional level. Admission may be charged at the Finals tournaments if the facility is conducive to such.

**BALL FEE** – Participating schools are responsible for a **\$75** “ball fee” at the MHSAA L.P. Regional and L.P. Finals tournament. This “ball fee” does **NOT** replace indoor costs associated with indoor facility rental in the event of inclement weather at the Regional level. At the L.P. Regional level, each participating school will send a \$75 check made out to the Regional host school by the Opt-Out Due Date. For those schools that qualify for the L.P. Finals, an additional \$75 check must be sent to the Finals venue host once your team has qualified. No “ball fee” will be required for individual qualifiers at #1 Singles.

## **9. OFFICIALS SELECTION/ASSIGNMENTS**

Tournament management will secure qualified personal and USTA officials for the Final.

## **10. PLAYING RULES/ADAPTATIONS**

Rules of the USTA will apply to all tournament competition with all provisions as stated in the coach’s manual.

## **11. MEDIA**

For information on credentials, drones, locker room privacy policy, microphones, photographers, flash photography, postgame interviews, press box, results, streaming (audio and video), and videotaping, go to this [Media/Streaming Information PDF](#).

### **Souvenir Program Policies – NA**

#### **Merchandising/Promotion Policies**

Use of MHSAA logo – The MHSAA logo and acronym are registered trademarks. MHSAA tournament trophy designs are also copyrighted. Use of these legally protected marks requires written permission of the MHSAA. Contact the MHSAA Communications Director for additional information.

**Postgame Interviews** – Coaches should also be readily available to meet with the media shortly after the conclusion of a contest. It is recommended that approximately five minutes after the game, managers provide a location other than the team locker rooms for postgame interviews with coaches and/or players the coach may wish to designate for interviews. Locker room access should never be allowed to media. Inasmuch as many media outlets are often on deadline following contests, interviews should be granted before any lengthy team meetings occur.

## **12. SPORTSMANSHIP**

When a student is disqualified during a contest for flagrant or unsportsmanlike conduct, that student shall be withheld by his/her school for the remainder of that day of competition and for at least the next day of competition for that team.

When a coach is disqualified during a contest for unsportsmanlike conduct, that coach shall be prohibited by his/her school from coaching for the remainder of that day of competition and from coaching at or attending at least the next day of competition for that coach's team.

In individual sports, a student or coach who is disqualified in the first round of a tournament which progresses over more than one day may not participate on any subsequent day in that tournament because the student has not qualified for additional rounds. This includes MHSAA tournaments in tennis, and individual wrestling.

Failure of the school for any reason to enforce this regulation will prohibit the school from entry in the next MHSAA tournament for that sport, or from the remainder of the current tournament if the disqualification occurs during an MHSAA tournament or during the last regular-season contest. Disqualifications from one season carry over to the next season in that sport for undergraduates and coaches, or the next season in any sport for seniors. If the playing rules for a sport specify an additional penalty or more rapid progression, or use of such a progression for other violations, the playing rules apply.

Any coach who is disqualified for unsportsmanlike conduct two or more times during a season, any player who is disqualified for unsportsmanlike conduct three or more times during a season, and any coach or player who is ejected for spitting at, hitting, slapping, kicking, pushing or intentionally and aggressively physically contacting an official at any time during that season, is not eligible to participate in the MHSAA tournament for that sport that season. If the tournament disqualifying ejection for that individual occurs during the MHSAA tournament, that player or coach is ineligible for the remainder of that tournament.

If a team is removed from competition in protest, the contest is forfeited to the opponent and the coach and principal of the removed team must appear before the Executive Committee to indicate why additional action should not be taken. The Executive Committee may also require the appearance of personnel from other schools and game officials.

If the coach is ejected from the contest and an assistant coach, or an assigned school representative is not available to continue as the coach the event is terminated and forfeited to the opponent.

When a contest is interrupted or it ends prematurely because of breakdown of proper sportsmanship and whether or not the on-site officials forfeit the contest to one team, one or both schools may be subjected to any or all, but not limited to, the following: censure, probation with competition, probation without competition, forfeiture, loss of privilege of revenue sharing, expulsion. In addition, it may be required of one or both schools that their coaches and administrators appear before the Executive Committee to indicate why additional action should not be taken.

## **13. WEATHER POLICIES, SUSPENSIONS, POSTPONEMENTS**

When teams are delayed in arriving at tournament sites because of inclement weather, management is encouraged to consider delaying competition for a few hours and/or playing games/matches in brackets of teams/individuals that are present and prepared to participate. If, after a reasonable delay, fewer than 60% of the scheduled teams/individuals have not arrived, the tournament must be rescheduled. If 60% or more of the scheduled teams/individuals are present, the tournament is to be conducted on the day scheduled.

## **14. INJUNCTION, RESTRAINING ORDER, PROTESTS**

If an injunction or restraining order is served or presented at an MHSAA tournament site and such purports to require the eligibility of or participation by a student or team which a school and/or the MHSAA has ruled to be ineligible under MHSAA regulations, the on-site tournament manager is to suspend the entire competition (team competition) or events in which that student is intending to participate (individual competition). If the meet has begun, it shall be completed.

Protests will not be reviewed by the MHSAA. All disputes must be decided at the site before the game proceeds.

The umpires will make the final decision regarding game events. The Tournament Manager will resolve all next game concerns.

### **15. TOBACCO AND ALCOHOL POLICY**

Use of alcohol or tobacco, including e-cigarettes or other smoking devices, is prohibited at MHSAA tournament events by players, coaches and spectators. Managers should stress in coaches' meetings that they are not to use tobacco at the tournament venue.

### **16. YOUTH PROTECTION POLICY**

During the MHSAA Tournament events, the MHSAA expects all designated managers, volunteer or paid staff assisting in the event, officials or any other personnel to follow local school district policy and state statute regarding the mandatory reporting of child abuse, bullying, hazing and sexual harassment. A report of such activity shall be made to legal authorities and to the MHSAA Executive Director or his designee.

### **17. UNMANNED AERIAL VEHICLE (DRONE) POLICY**

The use of unmanned aerial vehicles ("UAV"), also known as drones, is prohibited for any purpose by any persons at MHSAA tournament venues. Tournament management shall refuse admission or entry to anyone attempting to use a UAV; and if necessary, tournament management shall remove anyone attempting to use a UAV and/or confiscate the UAV until the event has been completed. For purposes of this policy, a UAV is any aircraft without a human pilot aboard the device.

An exception to this policy may be made in specific cases for MHSAA broadcast partners, provided the management of the tournament facility permits the presence of UAVs for broadcast purposes under the control of the MHSAA.

### **18. LOCKER ROOM PRIVACY POLICY**

Using devices of any kind to capture or transmit images is strictly prohibited in locker rooms, dressing areas, training rooms, weigh-in rooms, showers, restrooms, or other areas where there is an expectation of privacy during MHSAA tournament events. Tournament managers or athletic directors that discover such use should move immediately to have the device removed and inform the head coach or athletic director of the identity and nature of the activity of the person involved.

### **19. SPECTATOR POLICIES**

The following general policies apply to spectators at MHSAA Tournament events. Tournament managers may also have additional school, facility or institutional restrictions and/or policies.

- Banners are allowed with Meet Manager approval.
- Noisemakers are not allowed
- Smoking is not allowed at the tournament site.
- Spectator Videotaping – Spectators may tape but are not to interfere with the view of other spectators or news media personnel covering the activity. A manager is not required to provide electrical hook-ups; or tripod space and may arrange spectator videotaping from a designated location(s).
- The policies of the local host site shall prevail with respect to pets/animals. In the absence of local host policy, animals or pets shall not be permitted to enter MHSAA tournament venues; including spectator and team areas. However, properly marked or documented service animals which are leashed or harnessed at all times may accompany spectator paying admission or attending with other approved team or school personnel. Individuals who bring service animals are asked to bring their own waste disposal bags and request special seating in advance of the event if this is needed.
