**ATHLETE CHECK IN PROCEDURE:** The common clerking area will be at the start of the 100 and 110h area under the large tent canopy. Heat and lane information will be available at the start line canopy with the clerk. All athletes must check in by second call.

There are very few scratches at a Regional Final; however, it is possible that scratches could result in changing of heats after the start of the meet, so athletes should be in the clerking area in a timely manner.

Athletes for ALL running events should be in the clerking area by 2nd call. If there are scratches beyond the scratch period, please communicate these to the meet clerk so plans can be made if necessary.

The meet clerk will be lining up athletes at their respective starting lines; i.e. 200 & 300h will be lined up at their starting lines. Distance races will be walked down the track after being lined up in the clerking area.

**SCRATCHES:** Field event and prelim scratches will be done up in the press box by 9:40 AM, at the beginning of the coaches meeting. All remaining scratches will be due to the press box with the Thering timing at 12:30 PM or 15 minutes after the last prelim.
