GENERAL INFORMATION**

1. The gates will open at 1:00 p.m.

Entries:	Your entries will be submitted through <u>Athletic.net</u> under MHSAA MS/JH Regional - Zone 7 @ Cadillac. Entries close at 7:00 p.m. on Sunday, May 26th.
Regional Locations:	Regional sites are set per zone. If a school is closer to another site that is not in its zone, a request can be made to the MHSAA to participate in that closer zone regional.
Start Times:	Field Events will begin at 2:00 pm and Running Events will begin at 3:30 pm
Heats & Flights:	Heats & flights will be based on Athletic.net entries.
Site Selection:	Athletic.net will be used to “sign up” interested schools. The first 25 schools to sign up in each region will be allowed to compete. Additional meets may be created if there is interest beyond 25 schools. We may also adjust the amount of schools allowed based on the total number of entries for the meet.
Entries Per School:	Field size and heats will be determined and each school will be allowed to bring <u>Two Athletes</u> for each individual event and <u>One Relay Team</u> per gender. *If additional athletes meet the qualification standards beyond the two entries per school, they can also enter the field. No more than <u>Three Competitors</u> from any one school would be able to compete in an event regardless of best times, heights or distances.
Meet Philosophy:	A typical MS/JH meet has a philosophy of inclusion and participation. The MHSAA Regional competition is for your team’s most competitive athletes in those events.
Heat & Race Size:	Meet hosts may adjust heats and races to fit the entries best. This may include limited participation by schools, events or heat size to ensure a meet can be conducted within a weeknight format. Heats and Flights will be determined once the field is set.
Race Format:	There will be NO preliminaries for this event only finals.
Scoring:	10-8-6-4-2-1 for Individual Events & Relays
Awards:	Champion trophies will be presented on the track immediately after the meet. Individual medals will be presented at the podium on the field shortly after the conclusion of each race.
