2025 MHSAA TRACK & FIELD FINALS

May 31

Welcome

Welcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That's the beauty of educational athletics. The take-aways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

This is the 100th year of the MHSAA and there is much to celebrate during this special year. Let's remember and be thankful for the efforts of all those that have made this Final tournament experience so special.

Congratulations for reaching the end of the tournament road. Good luck to all!

GIANTS AGAIN

The Maroon Giants of Kalamazoo Central Won Their First Track & Field Crown in Nearly 60 Years

It had been nearly 60 years since Kalamazoo Central brought home the MHSAA Track & Field first-place hardware, but after a wild 2024 Division 1 Final, it was time for the school to make room in its trophy case for another one.

The Maroon Giants finished first with 41 points, just ahead of 39 by Clinton Township Chippewa Valley and 38 by Belleville.

Kalamazoo Central coach Tyler Germain, whose team won the school's first Finals title since 1965, told his athletes the victory was possible.

"I told them maybe because I knew they could compete," he said. "I told them anything can happen. We just went out and competed; we ran real well. We weren't overconfident or anything, but we have a good, competitive group that I've seen grow up."

Kalamazoo Central wound up placing in six events, with a first by junior Jeremy Dixon in the 100 (10.72). Dixon was also second in the 200 meters.

Four-year senior Latay'vion Braxton admitted that while his teammates listened closely to their coach's prediction, there was at least a trickle of doubt in the runners' minds at the start of the season.

"I don't think I felt like it was really in the plan," he said. "I don't know that we thought it would happen. But some of us grew up together, and we thought maybe this was the time to do it."

Among the most dominating showings in the meet were a pair of firsts in the 200 (21.36) and 400 (46.76) by Chippewa Valley's Shamar Heard. The University of Tennessee-bound Heard finished an outstanding career with three Finals titles in the 200, two in the 400 and one in the 100. He also helped the 1,600 relay to a first (3:17.51) last spring.

"After my breakout year as a sophomore, I knew what I could do," he said. "I quit the 100, but still won as part of a (relay) team. It's been a challenge mentally and physically, but with repetition you learn to trust the process."

Among the other victories was a first place in the pole vault (15-3) by East Kentwood sophomore Reece Emeott, the son of Falcons coach Dave Emeott.

Kalamazoo Central's Jeremy Dixon took the 100-meter dash and was second in the 200 to lead the Maroon Giants.

RunMichigan.com

Grand Haven senior Seth Norder won the 1,600 (4:03.01). He was the runner-up in that event two years earlier, and then spent

Northville senior Brendan Herger gained a huge measure of satisfaction when he won the 800 (1:50.08). He finished runner-up in the event the year before.

Perhaps the most dramatic finish came in the shot put, where Zeeland East senior Garrett Weeden had one last throw in his prep career to make history. His last-ditch throw of 59 feet capped his career with an MHSAA title.

"I know I needed around a 58-4 and that I had thrown a 59-1 once at an indoor meet," said Weeden, whose previous outdoor best was a 57-7. "I wasn't thinking about technique or anything, I just got into it and threw. I just put it all out there."

Onsted's Ross Joins Prestigious 4-Win Group

Onsted junior Emmry Ross had a bout with nerves entering the MHSAA Girls Division 3 Finals in 2024.

The other participants in her events would beg to differ.

Ross became just the third girl in Lower Peninsula history to win four individual events at an MHSAA Track & Field Finals, as she finished first in the 400 (56.25), 800 (2:10.74), 1,600 (4:57.81) and 3,200 (10:55.27).

And, she couldn't rely on teammates to calm her nerves; she was the only member of her team to qualify for the Finals. However, her 40 points earned in those races placed Onsted second in the team standings.

"Honestly, I went into today pretty nervous," Ross said. "I was more nervous last night than I was today because today I just went in with the mindset of, 'Do my best. You got here. You deserve this.' I worked really hard this season, and I just went in and had confidence. It turned out to be a really good day, and it was fun because I got to run in the rain."

Her 400 time was a season-best, and her 800 and 3,200 times were personal records – which is saying even more considering she also won the 400 and 800 as a sophomore and the 400 (and ran on the winning 1,600 relay) as a freshman in 2022. Ross also runs cross country and finished fifth at the LPD3 Final in the fall.

Ross said running four events wasn't grueling because of her preparation.

"I train for it," she said. "I ran those four (events) at Regionals and two other meets before that, so I was used to it. It wasn't a challenge because I've done it before."

Speaking of doing things before, Hart became the first Division 3 girls team to win three consecutive team championships. The Pirates finished with 53 points, while Onsted (40) was runner-up and Olivet (38) took third.

Leading the way was junior Addison Hovey, who used blazing speed and remarkable leaping ability, to help spark the Pirates. Hovey captured wins in the 100 and 200, while also winning the high jump for a second straight year.

"Winning high jump was my main priority, and then top eight in the 100 and 200," Hovey said. "But I'm honestly so surprised because I knew there were really good girls in those two events."

Sault Ste. Marie Girls End 23-Year Championship Wait

The Sault Ste. Marie girls made a statement in 2024 while earning their first Upper Peninsula Division 1 Track & Field Finals title since 2001. Sault scored 117 points, followed by Negaunee with 94 and Gladstone at 65.

The Blue Devils placed 1-2 in discus, won by senior Katie Anderson at 115 feet, 3 inches, with junior Annabelle Fazzari uncorking a runner-up toss of 101. Freshman Ahnaka Oshelski added a first in the 300 hurdles in 48.29 seconds, followed by Negaunee freshman Sadie Rogers (48.30) and Marquette freshman Chloe Jackson (49.56).

Oshelski also helped the Blue Devils take the 800 relay (1:49.55).

"Our handoffs were a little rough, but I just ran as fast as I could (in the 800)," freshman Grace Mayer said. "It feels great to come away as UP champions."

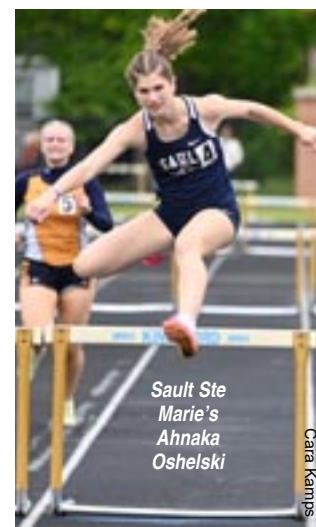

Mayer was also part of the winning 1,600 relay, clocked at 4:17.4.

Fazzari provided the Blue Devils with a second in the 100 hurdles (17.07) and third in shot put (34-0).

Rogers won the 100 hurdles in 16.65 seconds, and Negaunee classmate Keira Waterman placed first in the 400 (59.23) and 800 (2:28.2).

"I didn't really know what to expect here today," Rogers said. "I had a good start and just pushed myself real hard. I could hear the crowd. It was very important for me to win this one. I also thought my chances in the 300 were pretty good. I knew I had to push it."

Gladstone junior Jacie Tuljus enjoyed a busy day, anchoring the winning 400-meter relay, winning the 100 (12.75) and 200 (26.85) and placing runner-up to Waterman in the 400 at 1:02.54.

Oak Park, Forsyth, Russell Highlight LPD1 Girls Finals

With eight MHSAA Girls Division 1 championships since 2014, Oak Park has clearly been dominant.

That was the case again in 2024, with the Knights posting 88 points to easily outdistance runner-up Ann Arbor Pioneer's 42.

Coach Brandon Jiles said he wasn't sure what type of showing a young team would make last spring. Of the 35 athletes on the roster, just three were seniors.

Still, Jiles thought the team would be in the hunt. At least part of the success was winning the 800 (1:38.10), 400 (47.53) and 1,600 (3:47.99) relays. The other firsts were by senior Morgan Roundtree in the 300 hurdles (41.31), freshman Nevaeh Burns in the 400 (55.02) and senior Kylee King (2:10.53) in the 800.

"We thought we had a shot. We just take it one event at a time and do what we have to do. We only have three seniors, but they're really good kids. We'll have some good girls back next year, and they know they'll have to step up and score," Jiles said.

Rachel Forsyth of Ann Arbor Pioneer won the 1,600 (4:38.28) and 3,200 (10:15.57) to cap an outstanding four-year career. A two-time cross country Finals champ, Forsyth overcame illness to win the 1,600 in 2023. She went a step further last spring, setting an all-divisions MHSAA Finals record in that event with her winning time.

Thrower Abby Russell of Allen Park capped an outstanding career as well, winning the discus (156-6) and the shot (46-10). The two titles are added to a first as a sophomore and third as a junior in the shot, while she's now a three-time champ in the discus.

The wins at East Kentwood were also personally rewarding to Russell, who didn't place in the shot as a freshman at Falcon Stadium. It's one of the few places where Russell figures she could have done better.

"I was real bad as a freshman, so I was happy to get back here again," she said. "I had a great time back then. I just didn't do what I wanted."

Second is Good Enough for First for Newberry in UPD3

The race for the 2024 Upper Peninsula Division 3 boys track & field championship came right down to the wire as Newberry edged St. Ignace 96-92 for top honors.

Third-place team finisher Lake Linden-Hubbell won the day's final race, the 1,600-meter relay, in 3:41.94, and Newberry hung on to edge St. Ignace by two steps for second place and its first title in eight years.

Newberry, which was runner-up to Munising in 2023 was clocked at 3:43.07 in the 1,600 relay. The Saints finished nine hundredths of a second later.

"We knew we had to beat St. Ignace to win," Newberry senior Kennedy Depew said after finishing the anchor leg. "This was my last race ever. I knew I had to give it my all. That's also why I knew I had to scratch from the open 400. I would have been in four events. I think scratching from the 400 helped me save some energy. We weren't satisfied with runner-up last year, which makes this year's championship all the more satisfying."

Classmate Gabe Luck provided Newberry with its lone individual first with a heave of 44 feet, 1 3/4 inches in shot put.

"We had a lot of injuries this year," Newberry coach Drew Schultz said. "For all the obstacles we had, we wouldn't have it any

other way, having two of the best athletes decide it in the last race. I'm extremely proud of our guys. To win it that way is just insane. I'm proud of all our eastern-end kids."

Depew also was runner-up in the 100-meter dash in 11.63 seconds.

Senior Jon Ingalls, who ran the last leg for the Saints, won the 110 hurdles (16.39) and 300s (42.89) and helped them place second in the 400 relay (45.94).

Senior Owen Lester also provided the Saints with a victory in pole vault (12-6).

Chassell junior Calvin Kytta claimed three firsts, taking the 800 in a personal-best 2:03.62, 1,600 (4:39.58) and 3,200 (10:27.32).

Around the Track . . .

LP Division 2: Dearborn Divine Child's girls track & field team captured its first MHSAA Finals title in 11 years through a group effort. Led by freshman Aubrey Wilson and a cast of point-winners, Divine Child seized the Lower Peninsula Division 2 championship by totaling 46 points. Yale was runner-up with 39 points, followed by East Grand Rapids in third (36), Romulus Summit Academy North fourth (33), and Saginaw Swan Valley fifth (25).

Wilson certainly made a mark in her debut season. She took first place in the 100-meter dash with a time of 12.33 seconds and runner-up in the 200 (25.15). Wilson also ran a leg on Divine Child's second-place 800 relay team and fifth-place 400 relay quartet.

On the boys side, Berrien Springs took its second team title in three years led by senior standout Jake Machiniak, who sprinted to first-place finishes in the 100- and 200-meter dashes plus anchored winning 400 and 800 relays. Machiniak repeated in the 100 with a time of 10.74 seconds. He won the 200 in 21.76 seconds.

Machiniak powered Berrien Springs to 40 points as a team, allowing the Shamrocks to edge runner-up Corunna (38 points), the 2023 champion. DeWitt was third (34) and Charlotte fourth (28), followed by Pontiac Notre Dame Prep and Parma Western tied at fifth (26).

LP Division 3 Boys: Trevor Smith set the tone early for the Pewamo-Westphalia boys track & field team in the 2024 LP Division 3 Finals. The junior sprinter earned a narrow win in the 100 to collect early points that would prove beneficial in the Pirates' pursuit of their latest crown.

Pewamo-Westphalia kept its early advantage throughout and hung on in the end to capture the title. The Pirates, 2023 runners-up, recorded 49 points to clip second-place Clare by four points. Detroit Edison was third with 32 points.

P-W senior Gavin Nurenberg repeated in the shot put (60-02), while senior Collin Farmer added a pair of top-4 finishes in the distance events.

LP Division 4: Fowler's Eagles were soaring high at the 2024 Finals, as both the girls and boys came home with championships.

The girls rewarded first-year coach Neil Hufnagel with the program's first title since 2019. Fowler finished with 70.5 points, well ahead of the 44 collected by runner-up Portland St. Patrick.

Fowler had only one first-place event finish, and that was in the last one, taking first in the 1,600 relay in a time of 4:08.44.

Individually, several athletes won multiple events. Addison junior Molly Brown repeated in the 100 hurdles in a time of 15.22, and then won the 300 hurdles in a time of 45.07. Marlette senior Olivia Findlay won the long jump with a distance of 17-feet, 4½ inches and the high jump in 5 feet, 5 inches. Unionville-Sebewaing sophomore Layla Bolzman took the 100 and 200, and Chesterfield Austin Catholic senior Lyla Mullins won the shot put and discus.

Fowler's boys squad squeezed out their first championship since 1988, slipping past Detroit Frederick Douglass by four points. Brady Feldpausch led Fowler's point scoring by finishing first in the 110 hurdles with a time of 14.57, running as part of the winning team in the 800 relay, taking second in the 300 hurdles and then being a part of the winning 1,600 relay that clinched the title.

Fowler entered the last event, the 1,600 relay, knowing that in order to clinch the title it had to win the race and have Douglass finish fifth or lower. Douglass finished ninth in that event, but Anthony Buford had a fantastic day, setting a Division record of 23-2 in the long jump, and winning the 400 meters. Buford was also second to teammate Adrian Smith in the 200.

UP Division 1 Boys: The Marquette boys hung on to first place for the fourth consecutive year, scoring 163 points, followed by Kingsford with 101 and Houghton with 67.

Junior Kyler Sager won long jump at 19 feet, 11½ inches and anchored the winning 400 relay, clocked at 44.4 seconds. Junior Jacob MacPhee added a first in the 400 (50.47), anchored the winning 800 (1:32.47) and 1,600 (3:32.5) relays and placed second in the 200 (23.58). The Sentinels also showed their depth in the distances. Even though they didn't get any firsts in the longer races, they were able to take three places in the 800 and 1,600 and two in the 3,200. Senior Cullen Papin was runner-up in the 800 (2:02.84), and sophomore Seppi Camilli took second in the 3,200 (9:42.89).

UP Division 2: The Bark River-Harris girls earned their third straight track & field championship with 127½ points, ahead of West Iron County which brought home the runner-up trophy with 82, and third-place Ishpeming with 71.

BR-H senior Lauren Zawada captured the 100-meter hurdles in 17.74 seconds and 300 hurdles (50.92) and helped the Broncos win the 1,600 relay at 4 minutes, 24.4 seconds.

West Iron's Danica Shamion stole the individual show, taking the high jump with a jump of 5-1, the 100 at 12.65 and also set U.P. records in the 200 (26.17) and 400 (56.94). She's one of just nine girls to win four individual events at an MHSAA Track & Field Finals.

The Pickford boys extended their championship reign, retaining top honors with 137 points. The team championship was the Panthers' third straight, as they also won Division 3 in 2022.

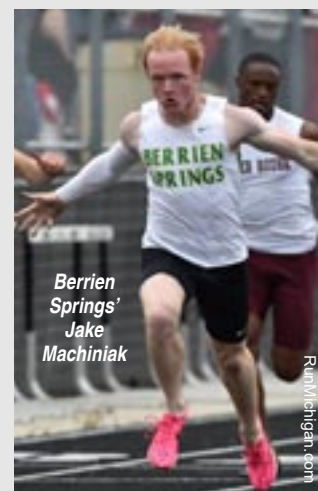

Sophomore Gunner Bennin was a double-winner for Pickford, taking the 200-meter dash in 23.85 seconds and 400 at 53.36. Senior Hayden Hagen provided the Panthers with a first in the 800 (2:05.03), and sophomore John Anderson won high jump at 5 feet, 8 inches.

UP Division 3 Girls: Lake Linden-Hubbell junior Emily Jokela had quite a workout at the 2024 Finals and had three individual victories to show for it. The Lakes also benefitted from her effort as they earned the Upper Peninsula Division 3 track & field team championship.

LL-H, which shared the title with Stephenson in 2023, scored 72 points this time. Newberry edged Stephenson 64-62 for the runner-up trophy.

Jokela opened with a victory in the 100-meter dash in 13.04 seconds. Later, she set UPD3 Finals records in back-to-back races, taking the 400 (58.61) and 300 hurdles (44.8) prior to placing second in the 200 (27.03). Her effort in the 400 topped the old mark (58.7) by Superior Central's Lauren Spranger in 2011, and in the hurdles she bested her own record (45.63) from a year earlier.

The Lakes, who finished undefeated this year, also won the 800 relay at 1:52.52.

Sportsmanship Extends to Online Behavior

With the changes that have occurred in college sports the past couple of years, high school sports is truly the last level of pure amateur competition in our country – and the NFHS and its member state associations want it to remain that way.

As football, volleyball, soccer, cross country and other sports begin this fall, high school coaches and athletic/activity directors will be involved in preseason meetings to emphasize the expected outcomes of education-based sports, as well as speech, debate, music, theatre and other programs.

Among those fundamental values of education-based activities that must be discussed is sportsmanship, or good sporting behavior. More than winning, more than learning the skills of a sport, a focus on sportsmanship has been one of the defining elements of high school sports and other activities for more than 100 years.

Along with maintaining the sound traditions of sports and minimizing the risk of injury, NFHS playing rules encourage sportsmanship, and the first page in all NFHS rules publications includes a statement noting that “each athlete is responsible for exercising caution and good sportsmanship.”

In the past, with an emphasis on conduct on the playing field or court – or in the auditorium or rehearsal hall – sportsmanship has been defined as those qualities of behavior that are characterized by generosity and genuine concern for others. More so than preparing students to play sports or another activity at the next level, one of the significant goals of education-based high school sports and activities is helping the 12 million-plus individuals in these programs to become responsible citizens.

And in today’s online world dominated by hand-held devices, that goal has become more challenging. Now, messages to students in high school sports and other activities about sportsmanship must be communicated before they hit the practice field or court because one inappropriate post, tweet or message could alter their lives forever.

At the recent virtual National Student Leadership Summit hosted by the NFHS, Christina Jontra of Neptune Navigate, one of the newest NFHS corporate partners, discussed the need for good sportsmanship online as much or more so than on the court or field.

In the digital age in which we live, participants in high school activity programs need to be aware that their character and respect for others should be the same, whether in the sport or activity itself, or online.

As the popularity and influence of social media continues to surge, it is imperative that student-athletes, as well as coaches, administrators, parents and everyone involved in education-based athletics, are aware of the ways they can endanger themselves with their online behavior and understand the techniques they can employ to prevent that from happening.

In her recent presentation, Jontra noted five characteristics of good sportsmanship online – honesty, compassion, respect, responsibility and courage. Just as a student would respect an opponent on the field or in the debate room, the same must occur online.

At preseason meetings this fall, coaches and athletic/activity directors should encourage students in their programs to be mindful of online contact with individuals on opposing teams – particularly any bantering that could be perceived as cyberbullying. As Jontra mentioned in her message during the NSLS, hurtful words can ruin a person’s life forever.

Fortunately, during the season, the millions of high school students involved in sports and performing arts have less free time to spend online on a daily basis, but the time spent must be done in a positive manner. Not only could damaging words on social media affect a student’s chances for an athletic scholarship, inappropriate messages could also negatively impact future job possibilities as employers are more actively auditing social media.

Whether the setting is before hundreds of people at an actual game or event, or a private experience alone online, positive and respectful behavior should be the choice every time.

Scholar-Athlete Class of 2025

The Michigan High School Athletic Association/Farm Bureau Insurance Scholar-Athlete Award has been recognizing the top student-athletes for 36 years. Applicants for the Scholar-Athlete Award must meet the following criteria: A minimum cumulative grade-point average of 3.5 on a 4.0 scale; and must have previously won a varsity letter. Applicants also show involvement in other school and community activities; submit two letters of recommendation and a 500-word essay on the importance of sportsmanship in educational athletics.

Recipients of the 2024-25 Scholar-Athlete Award receive a \$2,000 college scholarship to be used at the college, university, or trade school of their choice during the 2025-26 school year. This year, a total of 1,513 applications from 431 schools were received for 32 scholarships. Class A students were guaranteed 12 winners, Class B eight winners, Class C six winners and Class D four winners. Two at-large winners were also selected.

All scholarship recipients were honored during the MHSAA Boys Basketball Finals at the Breslin Center in East Lansing in March.

Student Advisory Council Aids MHSAA

Eight student-athletes who will be juniors at their schools during the 2025-26 academic year have been selected to serve two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of MHSAA championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2025-26 are: **Nichole James**, Detroit Edison; **Mia McGregor**, Mio; **Camryn Siegers**, Holland Christian; **Lucy Weber**, Fenton; **Brody Hammer**, Middleville Thornapple-Kellogg; **Sam Bentley**, Ypsilanti Lincoln; **Mason Mireles**, Hartford; and **Joey Smokevitch**, Johannesburg-Lewiston.

Those eight new members were selected from 125 applicants, the second largest group of applicants in the 20 years of the council. The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 148 schools from 53 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 11 MHSAA sports, and six will be the first SAC members from their respective schools.

The Student Advisory Council generally meets eight times each school year, and once more for a 24-hour leadership camp. In addition to assisting in the promotion of the educational value of interscholastic athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

This school year, the Council handed out championship trophies at Finals events, led sessions during four Sportsmanship Summits, provided feedback to the MHSAA Representative Council

Student Advisory Council Belief Statement

As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.

We believe athletes should be competitive, sportsmanlike and excel academically. We believe students in the stands should have fun, but not take the focus away from the game. We believe coaches should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that parents should always be positive role models and be supportive of their child's decisions. We believe officials commit their own time to high school sports and respect should always be shown and given to them.

The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.

on proposed rule changes, worked on a mental health initiative, and wrote the script for a public service announcement on adult spectator sportsmanship that was included in broadcasts throughout the last school year.

The new additions to the SAC will join the Class of 2026 members who were

selected a year ago: **Itzel Albarran**, Bronson; **Harper Barnhart**, Brownstown Woodhaven; **Diamond Cook**, Southfield Christian; **Henry Ewles**, Pontiac Notre Dame Prep; **Cole Haist**, Big Rapids; **Frannie Keeley**, Jenison; **Trey LaValley**, Romeo; and **Ethan Stine**, Bridgman.

MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, non-public schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.
