If there are no prelims in any of the three events, we will have a break in the preliminary order to afford athletes appropriate recovery from any doubling up. Make sure to check in with the clerk when the call is made for your event. It is permissible to have a teammate stand in for an individual that may be at a field event to help the clerk.

COACHES MEETING

There will be a coaches meeting at 9:00am on the track in front of the press box.

SCORING & AWARDS

8 places score in the meet (10, 8, 6, 5, 4, 3, 2, 1);

1st – 8th places will receive medals in all events.

A team trophy will be given to the first-place team at the conclusion of the meet.

TRACK

We have a 6-lane track so we will run a two-heat final in the HH, 100 and 200 with the 7th and 8th time qualifiers running in a heat and then the 6 fastest qualifiers running in their final heat. All times from both heats count as far as placings go.

All other races will be seeded based on entry mark, with all able to score/qualify to the LP finals.

QUALIFICATIONS FOR STATE MEET

Top 2 athletes in the finals, per event, will automatically qualify for the state meet. In addition, during the finals of a regional running event, any contestant who equals or betters the published additional qualifier standard shall qualify to the Final Meet in that event in that division. Efforts in the preliminary trials of the long jump, shot put and discus may qualify a contestant to the appropriate Final Meet.
