BOYS VOLLEYBALL TOURNAMENT MANAGER MANUAL  
(Alphabetical by topic)

**ADMISSION** – Ticket prices for the MHSAA Boys Volleyball Tournament are \$9/person for Regional matches, \$10/person for Quarterfinals, and \$11/person for Semifinal and Final matches. All tickets will be sold via GoFan. Passes or a pass list for contestants should be supplied to a maximum of 15 players in uniform for each competing team and five adults/managers.

Passes - League passes, coaches' passes, local booster club passes, officials' association passes, etc., are not to be honored at any tournament. There are no passes to be honored except those distributed by the local management for supervision purposes. Managers are urged to issue complimentary tickets for visiting school administrators for the purpose of crowd supervision. Complimentary tickets should be limited to the school's administration and/or designated security staff. A written plan suggesting placement, duties, and contacts should be available to persons acting in these capacities. There is to be no free admission for college coaches.

**BANDS** – Pep Bands are not allowed at MHSAA Volleyball Tournament games.

**CROWD CONTROL** - During contests, officials will penalize under applicable sportsmanship or playing rules student-athletes or coaches who leave the field of play and contact or approach spectator areas for celebrations. Each school shall assign an acceptable number of crowd control supervisors to be stationed in front of its student cheering sections. These individuals are to be admitted into the contest, enforce this policy and include a school administrator. Each tournament manager or the MHSAA Staff will determine the acceptable number of crowd supervisors necessary for each school dependent on the situation.

At the conclusion of contests, prior to or after the awards are presented, athletes shall not enter spectator areas or physically contact spectators in the stands. After awards are presented, athletes may approach their spectators (e.g. stand in front of their sections while on the field of play) but for safety reasons athletes are not to enter or physically contact spectators in the stands. Crowd supervisors are to ensure that spectators do not press the facility and possibly cause damage.

The cost for repair or replacement to facilities damaged as a result of celebrations shall be paid by the school involved directly to the host facility within 30 days of the bill being submitted to the school. MHSAA reimbursement or revenue sharing will be withheld until paid by the offending school. Future tournament hosting privileges or school reimbursements to offending schools may be withheld if payment is not made.

**COMMUNICATION WITH PARTICIPATING SCHOOLS** – Managers must prepare information packets for participating teams at all levels as follows:

**Regional** - Managers should determine the date, time, and location of all contests prior to the draw, preferably at the beginning of the season, and should immediately give them to the assigner and the MHSAA (Due by May 1). In addition, managers should provide information to competing schools regarding the time schedule, location of the gymnasium, directions, locker room access (or lack of), and all other pertinent details of the tournament.

**Quarterfinal** – Managers must prepare a winning team packet for each Regional Manager to give to the winning team. The packet should include directions/map to the Quarterfinal gymnasium location, time schedule, location of locker rooms, parking arrangements for school vehicles and host school facility rules. Make sure the winning team packet is at the Regional site for distribution by the manager to winning teams prior to the Regional Championship game.

CONCUSSION PROTOCOLS – “Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health care professional.” The language above, which appears in all National Federation sports rule books, reflects a strengthening of rules regarding the safety of athletes suspected of having a concussion. This language reflects an increasing focus on safety and acknowledges that the vast majority of concussions do not involve a loss of consciousness. This protocol is intended to provide the mechanics to follow during the course of contests when an athlete sustains an apparent concussion.

1. The officials will have no role in determining concussion other than the obvious one where a player is either unconscious or apparently unconscious. Officials will merely point out to a coach that a player is apparently injured and advise that the player should be examined by a health care professional for an exact determination of the extent of injury.
2. If it is confirmed by the school’s designated health care professional that the student did not sustain a concussion, the head coach may so advise the officials during an appropriate stoppage of play and the athlete may reenter competition pursuant to the contest rules.
3. Otherwise, if competition continues while the athlete is withheld for an apparent concussion, that athlete may not be returned to competition that day but is subject to the return to play protocol.
  - a. The clearance may not be on the same date on which the athlete was removed from play.
  - b. Only an M.D., D.O., Physician’s Assistant or Nurse Practitioner may clear the individual to return to activity.
  - c. The clearance must be in writing and must be unconditional. It is not sufficient that the M.D., D.O., Physician’s Assistant or Nurse Practitioner has approved the student to begin a return-to-play progression. The medical examiner must approve the student’s return to unrestricted activity.
  - d. Individual school, districts and leagues may have more stringent requirements and protocols including but not limited to mandatory periods of inactivity, screening and post-concussion testing prior to the written clearance for return to activity.
4. Following the contest, an Officials Report shall be filed with a removed player’s school and the MHSAA if the situation was brought to the officials’ attention.
5. Member schools are required to complete and submit the forms designated by the MHSAA to record and track head injury events in all levels of all sports.
6. In cases where an assigned MHSAA tournament physician (MD/DO/PA/NP) is present, his or her decision to not allow an athlete to return to activity may not be overruled.

[Return to Activity & Post-Concussion Form](#)

DATES/TIME SCHEDULE – The MHSAA Boys Volleyball Tournament dates are as follows:

Regionals – May 26 – May 30. Matches may be played throughout the week. A team may not play more than one match per day. If a team has to play back-to-back days, the opponent must also play back-to-back days.

Quarterfinals – Tuesday, June 2

DRAW PROCEDURES – Regional managers must conduct a draw, informing participating schools of the time and place. The draw may take place any time after the first day of practice, and must be concluded by May 1. Either a standard draw may be conducted or a Non-Traditional draw as follows:

- Allow teams on the top of the Regional bracket to host in order to reduce travel (unanimous agreement prior to draw is required). The Regional Final host's team may play ALL of its games at home, regardless of its position on the bracket.
- After the draw, if two teams slated to play are closer to each other than the host site, the manager, with MHSAA approval, can allow the match to be played at the home team site. Financial policies will be the responsibility of the school where the match is played.

The draw should be done in the presence of representatives of competing schools desiring to attend. The home team may draw a bye. The official method of making drawings for tournament play in volleyball is as follows:

Important Notice Regarding Regionals with 7 or 8 teams: Non-traditional draws are required for the first-round games of all seven- and eight-team Regionals in volleyball. The Regional host site shall be placed on the top line of the bracket and a random draw take place for the bye of a seven-team Regional.

For seven (7) and (8) team regionals, this is not an option. The first round shall be at home gyms.

Instructions for a 7 team draw: 7 Team Regionals:

Bracket design changed to place the selected host site on the top line of the top bracket and the Bye will be drawn at random.

- Place selected host on top line of the bracket.
- Place all other schools on separate slips, and one slip indicating Bye in a hat.
- First team drawn (or Bye) will be written on line 2, next team drawn (or Bye) on line 3, etc.
- The Bye will fall where it is drawn.

Regional matches may be played on any day designated for Regional play and a team may not play more than one match per day.

- In volleyball, host teams may draw the bye.
- In a four-team tournament all lines in the bracket are filled - no byes.
- In a five-team tournament there always are three byes (top line, third line, and bottom line)
- In a six-team tournament there always are two byes (top line and bottom line).
- In a seven-team tournament there is always one bye.

The surest method of drawing so that no confusion will result is to place the names of the teams on individual slips of paper, fold each of them and place them in container so that they may be drawn one at a time. Have some neutral party draw one name, read it aloud, display it to the group and place the name of the team drawn on the first line numbered. Repeat the procedure placing each name in its bracket as drawn. If this method is followed, there can be no confusion or mistakes. When the draw has been completed, managers should provide a photocopy of the draw sheet for each team in the Regional. It is essential that all Regional Managers [email](#) one copy of the draw to the MHSAA office as soon as the draw is complete.

The team on the top of the bracket is the home team at all levels of tournament competition.

**FORMAT** – All matches in the MHSAA Tournament will be best three of five games with rally scoring. Teams may not play more than one match per day.

**FINANCES/EXPENSES** – The Financial Report Form must be returned to the MHSAA as soon as possible following the completion of the tournament. All revenue and approved expenses should be included in the report. The MHSAA will not reimburse tournament managers for scorebooks, ball chasers, assistant managers, hospitality supplies, or unnecessary additional security. If a non-traditional draw is used, each host school is responsible for filing a financial form.

Failure to return the required financial reports within 30 days after the Final will cause the host school to lose any expense reimbursement.

**Audit of Tournament Host Reports** – All MHSAA tournament sports sites are subject to audit. These sites are to be randomly selected and require documentation of all income and expenses. Tournament expenses different from regular season host site expenses in that same sport will require justification before said expenses are approved for payment to or retention by the host site.

**FORFEITURES/USE OF INELIGIBLES** - Failure to be ready for play by twenty (20) minutes after the scheduled starting time of the match will result in forfeiture unless the team in question has communicated with tournament management of a delay due to unforeseen circumstances.

Individuals or teams which are defeated by an ineligible opponent or teams which allowed one or more ineligible students to participate or teams or individuals found to be in violation of contest limitations or maximums do not advance in MHSAA tournaments. If placements in MHSAA tournaments are vacated as a result of an individual being ineligible or a team allowing one or more ineligible students to participate, other individuals or teams neither advance to those placements or receive awards for those places.

**GAME BALL/OFFICIAL BALL** – A (royal) blue, grey and white volleyball must be used. The Baden Perfection will be used for all Regional, Quarterfinal, Semifinal and Final matches. A list can be found on the National Federation of State High School Association's web site: [www.nfhs.org](http://www.nfhs.org)

Since the volleyballs are kept by the host school, the cost of volleyballs is not an expense that is reimbursed by the MHSAA. The ball may be one used during regular season.

**INTRODUCTIONS** - When introducing teams prior to the match, no special recognition should be given to one team, especially a home team, which would not be given to the opponent. The pre-match protocol suggests teams line up on their end line for introductions.

**INJUNCTION/RESTRAINING ORDER** - Managers are reminded of the following statement adopted by the Representative Council and which is in effect for all MHSAA tournaments: "In the interest of fairness to all participants, if an injunction or restraining order is served or presented at an MHSAA tournament site and such purports to require the eligibility of or participation by a student or team which a school and/or the MHSAA has ruled to be ineligible under MHSAA regulations, the on-site tournament manager is to suspend the entire competition (team competition) or events in which that student is intending to participate (individual competition)." If the meet has begun, it shall be completed.

MEDICAL EMERGENCY POLICY - Host school Tournament Managers should follow all local school district policies regarding medical emergencies for participating athletes, coaches, students, and adult spectators for competitions conducted in school facilities. It is advised that AED devices be readily available during tournament competitions. In addition:

- Trainers are an allowed expense for the tournament host and are encouraged but not required.
- If your school requires immediate and continuous attention, you are encouraged to bring your own certified athletic trainer (at your school's expense) to cover your team's needs and to also assist in the event if called upon. Your school's certified medical professional may not overrule certified medical professionals provided by tournament management.
- All MHSAA concussion protocols will be followed.
- MHSAA tornado watches and warnings shall be followed.
- MHSAA policy on managing heat and humidity shall be followed.

When MHSAA tournament contests are conducted at non-school facilities, plans should be developed for the following needs and/or circumstances:

- Student, coach, and spectator shelter for outdoor events
- Host facility emergency equipment such as AEDs, fire escapes, etc.
- Emergency communications, i.e., phone numbers and school administration contact.
- Coordination with facility management regarding evacuation, first aid, and on-site responsibilities.
- Medical transport or first responder contact procedures.
- Proximity/directions of nearest medical facility.
- If your school requires immediate and continuous attention at post-season TEAM competitions, you are encouraged to bring your own certified athletic trainer (at your school's expense) to cover your team's needs and to also assist in the event if called upon. Your school's certified medical professional may not overrule certified medical professionals provided by tournament management.

**IMPORTANT NOTE: For all MHSAA tournaments conducted at either school or non-school facilities, an Automated External Defibrillator (AED) is required to be within visible distance of the event.**

MEDIA NOTES – For information on credentials, locker room privacy policy, microphones, photographers, flash photography, postgame interviews, press box, results, streaming (audio and video), and videotaping, go to this [Media/Streaming Information PDF](#).

Here are a few important sections, some specific to volleyball:

- PHOTOGRAPHY - Photographers should not be positioned inside the boundary of playable areas.
- RESULTS/SCORE REPORTING – Tournament results should be reported to the MHSAA immediately after games, not the next morning. Scores of bracketed tournaments should be entered in the Score Center on the MHSAA web site or emailed to [results@mhsaa.com](mailto:results@mhsaa.com). Host schools are responsible for informing local media and the major daily newspapers.
- STREAMING – AUDIO & RADIO – Outlets are required to submit a broadcast application for postseason events with the MHSAA. Approval or denial emails will be sent to both the outlet and host school. Outlets are encouraged to check with the host school before applying to check on space/equipment needs. There is no limit to the number of outlets that may stream audio – as long as the host can accommodate them. In the regular season, outlets do not need 7 to submit broadcast applications but need permission from the host school to provide an audio stream.

- STREAMING - VIDEO (REGULAR SEASON) – Video streaming during the regular season is allowed by the home/host school in a couple of different ways. If the home/host school is a member of the NFHS Network, they must stream games to the NFHS Network first and foremost. They can also produce a stream to broadcast on a school-controlled page (separate from the NFHS stream). Additionally, NFHS Network members can partner with local media to broadcast regular season home games on the media outlet’s channel/website. Schools that are not members of the NFHS Network can stream regular season home games to a school-controlled webpage. Refer to the Multimedia Regulations for more information.
- STREAMING - VIDEO (POSTSEASON) - The broadcast and streaming rights of MHSAA postseason tournament events belong exclusively to the NFHS Network, the MHSAA, and those media outlets that have pre-arranged to secure those rights. Teams participating in MHSAA Tournaments are prohibited from streaming live video of any portion of an event over the Internet - including using social media platforms or any other method. Likewise, individual spectators are also prohibited from live streaming video through any means. Participating schools are responsible for informing their students, parents, and other fans of this policy and to assist the MHSAA upon request in enforcing it.

MERCHANDISING - Concession stands, whether operated by school or non-school groups, must confine sales to non-alcoholic beverages, edible items and general school spirit items that were available at regular-season home contests. The selling of tournament-related merchandise is limited to programs offered by the MHSAA and its authorized vendors, which may be in contact with you regarding their availability. Such programs may include, but are not limited to, the following categories: T-shirts, DVDs and photography. Regardless of the availability of such authorized programs, schools may not produce their own tournament-specific merchandise items to sell at MHSAA tournament sites. Raffles and 50-50 drawings are not allowed.

[Charitable Gaming Raffle License](#)

**RESCHEDULING POLICY** - If an MHSAA tournament meet or contest is postponed or suspended because the facility becomes unusable or as a result of acts of persons or nature, and the playing rules require that the meet or contest must be played or resumed, the meet or contest must be played or completed on the first available subsequent date, at the same facility. If that facility is unavailable at any future time within the tournament schedule, MHSAA staff shall determine if other facility options are available. If no reasonable options exist, the contest(s) shall not be played and a coin toss or tosses will determine which team or teams shall advance to the next level of the tournament. If it is the championship game of the entire tournament series, co-champions shall be named and awards provided.

**REFUND POLICY** - Refunds on admission tickets or parking are not provided by the MHSAA for postponed or suspended MHSAA tournament meets or contests, or for such meets or contests that are terminated before their normal conclusion for any reason. Tickets shall be honored for admission to a rescheduled or resumed contest.

**SPECTATORS/NOISEMAKERS** – Use of artificial noisemakers is prohibited at MHSAA indoor tournament competition. Examples of artificial noisemakers are whistles, cowbells and air horns. Tournament managers have the authority to restrict use of any devices which in their judgment disrupt the integrity of the competition, compromise officials rulings or cause significant problems for other spectators.

**SPORTSMANSHIP** – MHSAA Regulation V, Section 3 applies in all tournament contests, including the following provisions:

**Unsporting Conduct in Previous Contest** - A player or coach who is ejected during a contest for sportsmanlike conduct shall be withheld by his/her school for at least the next day of competition for that team. If a school fails to enforce the subsequent disqualification with respect to one of its students or coaches, the tournament managers or any registered official or representative of a member school who becomes aware of the violation shall report it to the MHSAA, which shall prohibit the school from the remainder of the current tournament.

**Player Suspension** - A suspended player is treated as an ineligible player, which means that student shall not participate. It is permissible, but is not recommended, that the player may sit with the team, even in uniform. The minimum requirement is that the suspended student shall not enter the contest as a participant. **Coach Suspension** - Suspension from coaching requires at least that the coach not be at or near the team bench before, during or after the contest, not be in or near the locker room before, during or after the contest, and not give instructions directly or indirectly to coaches or players from any position in or near the gymnasium or field of play.

**Multiple Disqualifications/Abuse of Officials**- Any coach who is disqualified for unsportsmanlike conduct two or more times during a season, any player who is disqualified for unsportsmanlike conduct three or more times during a season, and any coach or player who is ejected for spitting at, hitting, slapping, kicking, pushing or intentionally and aggressively physically contacting an official at any time during that season, is not eligible to participate in the MHSAA tournament for

that sport that season. If the tournament disqualifying ejection for that individual occurs during the MHSAA tournament, that player or coach is ineligible for the remainder of that tournament.

The school of the disqualified coach or player must prohibit that person from being present on the property of the tournament venue for the remainder of the tournament series. If that school fails to enforce this, the tournament manager, any registered official or representative of a member school who becomes aware of the violation shall report it to the MHSAA, which shall prohibit the school from the remainder of the current tournament.

Taunting - In all sports, officials are to consider taunting a flagrant unsportsmanlike foul that disqualifies the offending bench personnel or contestant from the contest/day of competition (and the next contest/day of competition). A warning may be given but is not required before ejection.

Taunting includes any actions or comments by coaches, players or spectators which are intended to bait, anger, embarrass, ridicule or demean others, whether or not the deeds or words are vulgar or racist. Included is conduct that berates, needles, intimidates or threatens based on race, gender, ethnic origin or background, and conduct that attacks religious beliefs, size, economic status, speech, family, special needs or personal matters.

At all MHSAA tournament venues, tournament management may give spectators one warning for taunting. Thereafter, spectators who taunt others are to be ejected by security.

TEAM LIMITS - A team may dress a maximum of 15 members. Only team members in uniform will be permitted to sit on the team bench. The Team Roster and Master Eligibility List may include as many players as desired by the school; however, the tournament roster must list a maximum of 15 players. In addition, 5 individuals (Coaches, Managers, and Trainers) may receive passes. (Exception: If the varsity team has had more than 15 players, every match the entire season, all players may advance.)

Bench Personnel - Tournament Managers will limit the number of non-players, such as statistician, trainer and assistant coach allowed on the team bench at tournament matches.

TOBACCO AND ALCOHOL POLICY - Use of alcohol or tobacco, including e-cigarettes or other smoking devices, is prohibited at MHSAA tournament events by players, coaches and spectators. Managers should stress in coaches meetings that they are not to use tobacco at the tournament venue.

TROPHIES/MEDALS –The MHSAA Tournament trophies and medals will be provided by one company, ESCO of Milwaukee, Wisconsin.

Tournament managers will receive both trophies and medals together in one shipment from ESCO. The box containing the trophies and medals should be opened immediately upon delivery and inspected for accurate amounts, engraving, etc. Tournament managers should contact ESCO directly (not the MHSAA) at 800-852-4266 with any questions or problems regarding trophy and medal shipments.

Trophies and 15 individual medals will be awarded to Regional champions in each division. Champion and second place teams receive trophies and 15 individual medals in each Division at the MHSAA Finals.

[EXTRA/REPLACEMENT MEDAL ORDER FORM](#)

**WARMUP POLICY** - A warm-up area or court is suggested. Teams should be permitted to warm-up prior to competition on the main court but a minimum of 20 minutes on main court must be provided.

Pre-match warm-ups at MHSAA tournaments will be 20 minutes in length, broken down to include 4 minutes with each team on one half of the court (no volleyballs are to cross over the net). Four minutes for the home team, the next 4 minutes for the visiting team, the next 4 minutes for the home team, and then 4 minutes for the visiting team.

**WITHDRAWAL POLICY** - Tournament management is to contact the MHSAA office if a school withdraws or fails to show for scheduled competition after the draw is completed for team sports or the pairing, heat assignments or flight are determined for individual sports of the first level of the MHSAA tournament in a sport. The MHSAA staff person responsible for the sport will request from the school principal a written explanation for the no-show/withdrawal. If the reason is determined to be unacceptable by MHSAA staff, the MHSAA Executive Director will place the school on probation for the next two school years. A second offence within the two-year probationary period will cause the school to be prohibited from tournament play in that sport for the two years following the second offense.
