2025 MHSAA GIRLS VOLLEYBALL FINALS

NOVEMBER 20-22

Welcome

Welcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That's the beauty of educational athletics. The takeaways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

Last year, the MHSAA celebrated its 100th year. As we begin the second century of school sports in Michigan, let's remember and be thankful for the efforts of all those who have made this Final tournament experience so special.

Congratulations for reaching the end of the tournament road. Good luck to all!

— Mark Uyl
MHSAA Executive Director

Third Time's the Charm for Mustangs

As the Northville volleyball team knows all too well, only one team in each division can leave Kellogg Arena happy each year.

Last November, for the first time, the Mustangs were that team in Division 1.

After finishing as runner-up in 2022 and losing in the Semifinals in 2023, Northville got over the hump, defeating Rockford 26-24, 25-16, 25-27, 25-22 to claim its first Finals title on the volleyball court.

"Every time I've walked out of this place, I've been sad," Northville senior Molly Reck said. "Being able to leave happy is just an indescribable feeling. I can't even put it into words."

Reck and her twin sister Mallory, along with senior setter Ella Craggs and junior libero Giselle Burlingame, were part of each team that made it to the final weekend over the past three years. Last fall, they were winning not only for themselves and their teammates, but everyone who had come with them before.

"Their sister, Abby Reck, when we were in the Finals (in 2022) came into the locker room and said, 'You'll be back, this will help you,'" Northville coach Sarah Lindstrom said.

The Reck twins and Craggs led the Northville attack, with Molly (26) and Mallory (20) combining for 46 kills and Craggs finishing with 49 assists. Mallory Reck added 15 digs, while Molly Reck had 10.

But they were far from alone. Burlingame had 18 digs, while junior Kaylyn Tuck had seven kills and four blocks and senior Brooke Feller had six blocks.

Northville (41-2) nearly swept its way to the title, as it had a match point in the third set. But Rockford held on, thanks to a pair of kills from Olivia Hosford to take a 25-24 lead, and eventually won the set to force a fourth.

"I just have so much confidence in every single one of my teammates," Rockford senior Layla Visser said. "I know what we can do. We can put the ball away, and we can make the right play no matter how many points we're down."

That confidence in each other carried over to the fourth set for the Rams. While it was mostly back and forth, Rockford was able to build

a 20-16 lead before Northville closed on a 9-2 run to win the title. Mallory Reck served out the final four points, with a pair of aces to close the victory.

"In my head I was kind of just thinking, 'As much as I don't want to serve this ball, I know the feeling of being on the other side, and they don't want to pass this ball just as much,'" Mallory Reck said. "So, that kind of just calmed me down and I was thinking, 'Serve to get an ace.' That's what we've worked on all year; we've focused really hard on serving. I just took a deep breath and just served it."

Hosford led the Rockford attack with 22 kills, adding 11 digs. Sophomore Mallory Wandel had 16 kills and 19 digs, while Visser had 10 kills. Isabella Delacher had 25 assists, Ashley Williams had 22 assists, and Eleanor Goad had 12 digs for the Rams (41-10).

D2: Country Day Volleyball Adds to School Trophy Case

There are so few chances anymore to become the first athletic program at Detroit Country Day to accomplish something. But in 2024, Olivia Grenadier and her teammates finished off a career of firsts with the big one, sweeping Tecumseh at Kellogg Arena to claim the school's first Volleyball Finals title.

"My freshman year it was the first Regional championship, so that was really fun," Grenadier said. "This year it was first time state championship, so it was just amazing going out like that. Very cool."

It was the first-ever trip to the Semifinals for Country Day, which finished the season 36-1. It won 25-18, 25-21, 25-17 in the Division 2 Final and dropped just three sets during its postseason run, needing a fourth to get by rival Notre Dame Prep in the District Final and five to get by two-time reigning champ North Branch in the Quarterfinal.

"I think we were prepared – they were ready," Country Day coach Kim Lockhart said. "Both of our games this weekend were the last games (of the night), so we kind of were watching other teams play, keeping our minds in the right place. We knew we had to just come out tonight and do what we've been doing all season."

The Yellowjackets attack, led by Grenadier and junior Elise Heimstra, and orchestrated by freshman setter **Payton Woodruff** (right), proved too much for Tecumseh. Woodruff finished with 47 assists on the night, with Grenadier and Heimstra each getting 21 kills.

"Offensively, we watched a little bit of film on them earlier, and as the game went on, we knew Elise, she had middle back," Grenadier said. "Payton puts us in such good spots to where we can honestly hit anywhere. She's a great setter who puts us in great spots."

It wasn't just the volume of kills from Country Day hitters that gave Tecumseh trouble, it was also the efficiency. Both Grenadier and Heimstra finished with a .486 attack percentage.

Monroe SMCC Sweeps to Title No. 8

Mckenna Payne had a feeling she and her Monroe St. Mary Catholic Central teammates could be making a third trip to Kellogg Arena for the 2024 Division 3 Volleyball Final Four. She also felt it could end on a much brighter note than each of the last two trips.

The Kestrels proved that feeling to be prescient, sweeping Traverse City St. Francis 25-21, 25-20, 25-15 to claim the Division 3 title.

"All through this year, we were saying this is the year," Payne said. "We were here our freshmen year, lost in the Finals. We didn't make it past quarters my sophomore year, and we didn't make it past semis last year. So, this year, I'm so proud of everyone. I'm so proud of me, Maddie (Dettling) and Jessie (Costlow) and the whole team. We all did it together."

It was the eighth volleyball championship for the Kestrels in eight trips to the championship match, and first since title since 2020.

"I felt like this year we focused a lot on being together and working together in everything," said Costlow, who was also on that 2021 team that finished Division 3 runner-up.

Costlow led the SMCC attack with 15 kills while pitching in 12 digs on defense. Alexa Turner had 20 assists for the Kestrels, while Payne stuffed the stat sheet with 13 digs, eight kills and eight assists.

SMCC was dominant for much of the season, finishing 39-4-1, but was especially so during the postseason, sweeping all but one opponent – Cass City in the Semifinal – on its way to the title.

"I think it was just working hard at practice," Dettling said. "Every day, we were just being disciplined and watching film and being smart. Everything just came together."

Those film sessions included watching the Gladiators' Semifinal win against Kalamazoo Christian, even though the Kestrels were there to see it in person.

While that proved fruitful, Traverse City St. Francis did take a bit of a different approach.

"After watching their Semifinal match, we were surprised that they utilized their middle as much as they did today," SMCC coach Kim

Windham said. "We anticipated they would go more to their outsides. I think (TCSF junior outside hitter Quinn Yenshaw) was set 70 times, so we expected them to be more of an outside game, and they were definitely more middle. I think the opportunity for us to play against (Cass City senior Shelby Ignash) helped us prepare for this match, for sure."

Gladiators sophomore Lola Brown was the focus of that attack through the middle, and did finish with eight kills on 21 attempts, while Yenshaw had 12 on 36 attempts, as junior setter Reese Jones (who finished with 14 assists) spread the ball around.

But it wasn't enough to overcome a Kestrels team that was hitting on all cylinders, and finished with .219 kill percentage on its 114 attacks.

D4: Everest Collegiate Rides Unbeaten Season to Repeat

Sarah Bradley (right) and her Clarkston Everest Collegiate volleyball teammates accomplished something in 2014 that hadn't been done since 2015.

Behind 28 kills from the senior outside hitter, the Mountaineers completed an unbeaten season and defeated St. Joseph Our Lady of the Lake Catholic in four sets at Kellogg Arena, claiming their second-straight Division 4 Finals title.

But when it all ended, and she was asked to look back on the accomplishments, Bradley looked more toward the bond she and her teammates had created.

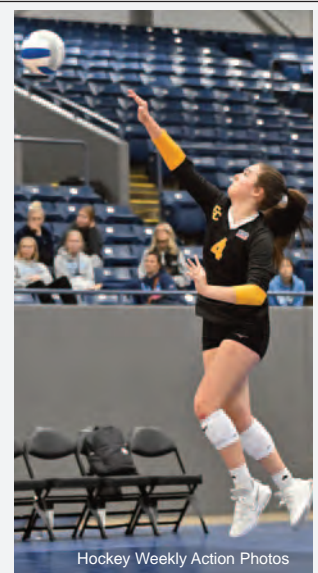

"Yes, we won two state championships, but nothing will ever amount to the amount of fun I had with these girls and this team," Bradley said through tears. "I'm so sad to leave them and everyone behind. I think this season, we really played for each other, and it's going to be so hard to leave them."

Everest won 25-23, 25-21, 21-25, 25-13 to finish 37-0-1 on the year, with a split against two-time reigning Division 2 champion North Branch the only match result that kept the team from achieving perfection. It was the first undefeated season for any Michigan high school volleyball team since Ann Arbor Father Gabriel Richard accomplished the feat in winning Class B in 2015.

The dropped set was one of just six that the Mountaineers lost all season.

Madelyn Krappmann had 16 assists and 14 digs for the Mountaineers, and Addison Pearce had 10 kills and five blocks. Erica Walker added 45 assists and 14 digs, while Bradley had 16 digs and Samantha Pietras had 14.

Nora Proos led St. Joseph Our Lady with 25 kills and 14 digs, while Jojo Marsh had 10 kills and 15 digs. Aislin Sargent added 34 assists for the Lakers (34-4-1), and Ellie Howard had 16 digs.

Participating in Multiple Sports, Activities Continues to be Best Route to Success

There has been an ongoing debate for years regarding the advantages or disadvantages of focusing on one sport during teen and high school years vs. playing multiple sports.

Some people have argued to be successful in a particular sport at the college level requires a person to devote all energy to that sport throughout high school. While this approach may work for some, an ever-increasing majority of athletes believe playing multiple sports leads to more success – on the athletic front and careers outside sports as well.

And recent events would substantiate that viewpoint regardless of age. Athletes who competed in high school sports many years ago, as well as current and recent participants, have similar views.

All four former high school athletes who were inducted into the NFHS National High School Hall of Fame this summer played multiple sports in high school.

Anna Maria Lopez participated in volleyball, basketball, and track and field at St. Mary's Academy in Portland, Oregon, before excelling at volleyball at the University of Southern California. Caryn Schoff-Kovatch, the leading scorer in New York high school girls basketball history at St. Johnsville High School, also was all-league in soccer and softball.

Tim Dwight was a standout football and track athlete at City High School in Iowa City, Iowa, before his stellar college and professional careers. And Prince Amukamara played football, basketball, and track and field at Apollo High School in Glendale, Arizona, before his 11-year NFL career.

"I think it is truly beneficial to play multiple sports," Amukamara said. "I was just a natural-born competitor, and I felt like I was good at a lot of things, so I never thought the one-sport mindset was for me. Growing up, I was so thankful for a program out here in Arizona called GRASP (Glendale Recreation After School Program). They really encouraged us to do a lot of sports. I was pretty good at a lot of sports, and I loved competing, so I tried them all."

In the recent NFL Draft, 222 of the 253 athletes (88 percent) who were drafted participated in multiple sports in high school. Miami quarterback Cam Ward, the No. 1 selection, played basketball and football at Columbia High School in Texas. Other first-rounders who excelled at multiple sports included Tyler Warren, tight end from Penn State who played football, basketball and baseball at Atlee High School in Mechanicsville, Virginia, and Jaxson Dart, University of Mississippi quarterback who played football and baseball in Draper, Utah.

Emeka Egbuka, wide receiver from Ohio State, played football and baseball at Steilacoom High School in Washington and credits baseball as a contributing factor to his athleticism.

More recently, similar stories of playing multiple sports were shared at the NFHS National Student Leadership Summit held last week in Indianapolis. During one of the general sessions, more than 90 percent of the 211 attendees, all

of whom were junior or seniors currently involved in high school sports or other activity programs, indicated they currently were participating in multiple sports.

Playing multiple sports in high school is truly a winning formula. In addition to enhancing chances for a college scholarship and playing a sport at the highest level, there are innumerable benefits for the 95 percent of high school athletes who will not play at higher levels.

Multiple-sport participants have a reduced risk of overuse injuries, are able to learn from multiple coaches, participate in cross-training which leads to better athleticism, have better mental development and teamwork skills, and have a reduced chance of burnout in sports. Further, students can enjoy multiple activities concurrently, such as participation on a sports team while also belonging to a performing arts group.

It is incumbent on coaches, administrators and state associations to pave the way for students to be involved in multiple sports – and other activity programs. Many have done a great job at opening these doors, including Jane Berry-Eddings, longtime speech and debate coach at Sprague High School in Salem, Oregon, who was inducted into the National High School Hall of Fame earlier this summer.

"I've had students who were drum majors and students who were on the track and cross country teams, and I've had football players and basketball players who were involved in speech and debate," said Berry-Eddings. "I've always encouraged them to look at their schedule and pick what they wanted to do."

NFHS member state associations continue to add more sport offerings, which make it possible for more students to be involved in a sport or activity of their choosing. Most recently, the Hawaii High School Athletic Association added its 21st sport – surfing – to its offerings of state championships.

Whether the goal is to participate in high school sports and activities to have fun with their peers, or to achieve a college athletic scholarship, or to be a lifelong participant, the best route to achieving a successful, healthy balance in life is to participate in multiple sports and other activities. time.

Scholar-Athlete Award in 37th Year Awarding Scholarships to Students

Thousands of students voluntarily extend their classroom day by taking part in extracurricular activities, often improving their academic achievements in the process. The value that such programs play in the total education of a high school student is highlighted through the MHSAA/Farm Bureau Insurance Scholar-Athlete Award, which will award \$2,000 scholarships to 32 top student-athletes and recognize over 2,000 other outstanding individuals in 2025-26.

Underwritten by Farm Bureau Insurance, the Scholar-Athlete Award is now in its 37th year, and presents scholarships to students in every MHSAA enrollment classification. The scholarships may be used at any institution of higher learning.

"It is amazing to see the number of young people who are proven achievers in academics and activities," said Mark Uyl, executive director of the MHSAA. "At a time when our educational system is coming under fire, the Scholar-Athlete Award is something that proves

how important athletics are to the development of a well-rounded person."

Students applying for the Scholar-Athlete Award must be graduating during the 2025-26 school year, carry a 3.5 grade-point average, and have previously won a letter in a varsity sport that the MHSAA sponsors postseason competition.

Applicants will also be required to show involvement in other school/community activities and submit an essay on the importance of sportsmanship in educational athletics.

Application materials can be found on MHSAA.com. Scan the QR code to access the page.

Each MHSAA member school is allowed to nominate a number of student-athletes based on the size of the school. Class A schools can nominate six boys and six girls, Class B four boys and four girls, Class C three boys and three girls and Class D two boys and two girls. The first 30 scholarships will be awarded based on this graduated scale, with two additional scholarships intended

for minority applicants.

A committee composed of school administrators from across the state will select regional and statewide winners.

Farm Bureau Insurance, a long-time supporter of MHSAA activities, also sponsors other educationally oriented programs.

The 32 scholarship recipients will be recognized at the MHSAA Boys Basketball Finals at the Breslin Student Events Center in East Lansing in March 2026.

The annual MHSAA Scholar-Athlete ceremony is one of the highlights of the winter season. More information about the awards may be obtained by contacting your local school principal, athletic director or guidance counselor. The online application form can be found at MHSAA.com/scholarship.

Student Advisory Council Aids MHSAA

Eight student-athletes who are juniors at their schools during the 2025-26 academic year are serving two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of MHSAA championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2025-26 are: **Nichole James**, Detroit Edison; **Mia McGregor**, Mio; **Camryn Siegers**, Holland Christian; **Lucy Weber**, Fenton; **Brody Hammer**, Middleville Thornapple-Kellogg; **Sam Bentley**, Ypsilanti Lincoln; **Mason Mireles**, Hartford; and **Joey Smokevitch**, Johannesburg-Lewiston.

Those eight new members were selected from 125 applicants, the second largest group of applicants in the 20 years of the council. The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 148 schools from 53 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 11 MHSAA sports, and six will be the first SAC members from their respective schools.

The Student Advisory Council generally meets eight times each school year, and once more for a 24-hour leadership camp. In addition to assisting in the promotion of the educational value of interscholastic athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

This school year, the Council handed out championship trophies at Finals events, led

Student Advisory Council Belief Statement

As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.

We believe athletes should be competitive, sportsmanlike and excel academically. We believe students in the stands should have fun, but not take the focus away from the game. We believe coaches should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that parents should always be positive role models and be supportive of their child's decisions. We believe officials commit their own time to high school sports and respect should always be shown and given to them.

The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.

sessions during four Sportsmanship Summits, provided feedback to the MHSAA Representative Council on proposed rule changes, worked on a mental health initiative, and wrote the script for a public service announcement on adult spectator sportsmanship that was included in broadcasts throughout the last school year.

The new additions to the SAC will join the Class of 2026 members who were selected a year ago: **Itzel Albarran**, Bronson; **Harper Barnhart**, Brownstown Woodhaven; **Diamond Cook**, Southfield Christian; **Henry Ewles**, Pontiac Notre Dame Prep; **Cole Haist**, Big Rapids; **Frannie Keeley**, Jenison; **Trey LaValley**, Romeo; and **Ethan Stine**, Bridgman.

MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, non-public schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

Your Officials Today

Just as the participants on the teams at this year's Finals are realizing a dream of vying for top honors, another group of individuals are also reaching a goal for the hard work they have put in by being assigned to officiate the action.

Officials for MHSAA Finals are selected based on the recommendations and ratings by schools, as well as from input from local officials associations.

These officials believe that interscholastic athletics are truly educational in nature, and work to uphold that standard. Like the athletes in the Finals, officials come from all corners of Michigan.

Selected to work this year's Semifinals / Finals are: **Ray Bauer**, Newaygo; **Chris Calkins**, Muskegon; **Katherine Dolfman**, Delton; **David Dow**, Hancock; **Tina Hamp**, Caledonia; **Scott Heckman**, Coldwater; **Philip Hegg**, St Joseph; **Stephen Metzger**, Grand Blanc; **Bette Norman**, Bloomfield Hills; **William Pugh**, Detroit; **Andy Reyes**, Midland; **Daniel Silva**, Oak Park.

Congratulations to this year's Final officials. If you are interested in becoming a registered game official in any sport, contact the MHSAA at 1661 Ramblewood Drive, East Lansing, MI 48823, or register online at mhsaa.com.

Behind The Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, approximately 8,000 game officials and 50,000-plus administrators and coaches at over 1,500 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of District, Regional and Final level tournaments by school administrators who serve as the site managers for these games.

The behind the scenes work of these individuals and their staffs make sure that tournament competition is a memorable experience for the participants.

Finals Notes

Your Officials Today

Just as the participants on the teams at this year's Finals are realizing a dream of vying for top honors, another group of individuals are also reaching a goal for the hard work they have put in by being assigned to officiate the action.

Officials for MHSAA Finals are selected based on the recommendations and ratings by schools, as well as from input from local officials associations.

These officials believe that interscholastic athletics are truly educational in nature, and work to uphold that standard. Like the athletes in the Finals, officials come from all corners of Michigan.

Selected to work this year's Semifinals / Finals are: **Ray Bauer**, Newaygo; **Chris Calkins**, Muskegon; **Katherine Dolfman**, Delton; **David Dow**, Hancock; **Tina Hamp**, Caledonia; **Scott Heckman**, Coldwater; **Philip Hegg**, St Joseph; **Stephen Metzger**, Grand Blanc; **Bette Norman**, Bloomfield Hills; **William Pugh**, Detroit; **Andy Reyes**, Midland; **Daniel Silva**, Oak Park.

Congratulations to this year's Final officials. If you are interested in becoming a registered game official in any sport, contact the MHSAA at 1661 Ramblewood Drive, East Lansing, MI 48823, or register online at mhsaa.com.

Behind The Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, approximately 8,000 game officials and 50,000-plus administrators and coaches at over 1,500 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of District, Regional and Final level tournaments by school administrators who serve as the site managers for these games.

The behind the scenes work of these individuals and their staffs make sure that tournament competition is a memorable experience for the participants.

Participating in Multiple Sports, Activities Continues to be Best Route to Success

There has been an ongoing debate for years regarding the advantages or disadvantages of focusing on one sport during teen and high school years vs. playing multiple sports.

Some people have argued to be successful in a particular sport at the college level requires a person to devote all energy to that sport throughout high school. While this approach may work for some, an ever-increasing majority of athletes believe playing multiple sports leads to more success – on the athletic front and careers outside sports as well.

And recent events would substantiate that viewpoint regardless of age. Athletes who competed in high school sports many years ago, as well as current and recent participants, have similar views.

All four former high school athletes who were inducted into the NFHS National High School Hall of Fame this summer played multiple sports in high school.

Anna Maria Lopez participated in volleyball, basketball, and track and field at St. Mary's Academy in Portland, Oregon, before excelling at volleyball at the University of Southern California. Caryn Schoff-Kovatch, the leading scorer in New York high school girls basketball history at St. Johnsville High School, also was all-league in soccer and softball.

Tim Dwight was a standout football and track athlete at City High School in Iowa City, Iowa, before his stellar college and professional careers. And Prince Amukamara played football, basketball, and track and field at Apollo High School in Glendale, Arizona, before his 11-year NFL career.

"I think it is truly beneficial to play multiple sports," Amukamara said. "I was just a natural-born competitor, and I felt like I was good at a lot of things, so I never thought the one-sport mindset was for me. Growing up, I was so thankful for a program out here in Arizona called GRASP (Glendale Recreation After School Program). They really encouraged us to do a lot of sports. I was pretty good at a lot of sports, and I loved competing, so I tried them all."

In the recent NFL Draft, 222 of the 253 athletes (88 percent) who were drafted participated in multiple sports in high school. Miami quarterback Cam Ward, the No. 1 selection, played basketball and football at Columbia High School in Texas. Other first-rounders who excelled at multiple sports included Tyler Warren, tight end from Penn State who played football, basketball and baseball at Atlee High School in Mechanicsville, Virginia, and Jaxson Dart, University of Mississippi quarterback who played football and baseball in Draper, Utah.

Emeka Egbuka, wide receiver from Ohio State, played football and baseball at Steilacoom High School in Washington and credits baseball as a contributing factor to his athleticism.

More recently, similar stories of playing multiple sports were shared at the NFHS National Student Leadership Summit held last week in Indianapolis. During one of the general sessions, more than 90 percent of the 211 attendees, all

of whom were junior or seniors currently involved in high school sports or other activity programs, indicated they currently were participating in multiple sports.

Playing multiple sports in high school is truly a winning formula. In addition to enhancing chances for a college scholarship and playing a sport at the highest level, there are innumerable benefits for the 95 percent of high school athletes who will not play at higher levels.

Multiple-sport participants have a reduced risk of overuse injuries, are able to learn from multiple coaches, participate in cross-training which leads to better athleticism, have better mental development and teamwork skills, and have a reduced chance of burnout in sports. Further, students can enjoy multiple activities concurrently, such as participation on a sports team while also belonging to a performing arts group.

It is incumbent on coaches, administrators and state associations to pave the way for students to be involved in multiple sports – and other activity programs. Many have done a great job at opening these doors, including Jane Berry-Eddings, longtime speech and debate coach at Sprague High School in Salem, Oregon, who was inducted into the National High School Hall of Fame earlier this summer.

"I've had students who were drum majors and students who were on the track and cross country teams, and I've had football players and basketball players who were involved in speech and debate," said Berry-Eddings. "I've always encouraged them to look at their schedule and pick what they wanted to do."

NFHS member state associations continue to add more sport offerings, which make it possible for more students to be involved in a sport or activity of their choosing. Most recently, the Hawaii High School Athletic Association added its 21st sport – surfing – to its offerings of state championships.

Whether the goal is to participate in high school sports and activities to have fun with their peers, or to achieve a college athletic scholarship, or to be a lifelong participant, the best route to achieving a successful, healthy balance in life is to participate in multiple sports and other activities. time.

Scholar-Athlete Award in 37th Year Awarding Scholarships to Students

Thousands of students voluntarily extend their classroom day by taking part in extracurricular activities, often improving their academic achievements in the process. The value that such programs play in the total education of a high school student is highlighted through the MHSAA/Farm Bureau Insurance Scholar-Athlete Award, which will award \$2,000 scholarships to 32 top student-athletes and recognize over 2,000 other outstanding individuals in 2025-26.

Underwritten by Farm Bureau Insurance, the Scholar-Athlete Award is now in its 37th year, and presents scholarships to students in every MHSAA enrollment classification. The scholarships may be used at any institution of higher learning.

"It is amazing to see the number of young people who are proven achievers in academics and activities," said Mark Uyl, executive director of the MHSAA. "At a time when our educational system is coming under fire, the Scholar-Athlete Award is something that proves

how important athletics are to the development of a well-rounded person."

Students applying for the Scholar-Athlete Award must be graduating during the 2025-26 school year, carry a 3.5 grade-point average, and have previously won a letter in a varsity sport that the MHSAA sponsors postseason competition.

Applicants will also be required to show involvement in other school/community activities and submit an essay on the importance of sportsmanship in educational athletics.

Application materials can be found on MHSAA.com. Scan the QR code to access the page.

Each MHSAA member school is allowed to nominate a number of student-athletes based on the size of the school. Class A schools can nominate six boys and six girls, Class B four boys and four girls, Class C three boys and three girls and Class D two boys and two girls. The first 30 scholarships will be awarded based on this graduated scale, with two additional scholarships intended

for minority applicants.

A committee composed of school administrators from across the state will select regional and statewide winners.

Farm Bureau Insurance, a long-time supporter of MHSAA activities, also sponsors other educationally oriented programs.

The 32 scholarship recipients will be recognized at the MHSAA Boys Basketball Finals at the Breslin Student Events Center in East Lansing in March 2026.

The annual MHSAA Scholar-Athlete ceremony is one of the highlights of the winter season. More information about the awards may be obtained by contacting your local school principal, athletic director or guidance counselor. The online application form can be found at MHSAA.com/scholarship.

Student Advisory Council Aids MHSAA

Eight student-athletes who are juniors at their schools during the 2025-26 academic year are serving two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of MHSAA championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2025-26 are: **Nichole James**, Detroit Edison; **Mia McGregor**, Mio; **Camryn Siegers**, Holland Christian; **Lucy Weber**, Fenton; **Brody Hammer**, Middleville Thornapple-Kellogg; **Sam Bentley**, Ypsilanti Lincoln; **Mason Mireles**, Hartford; and **Joey Smokevitch**, Johannesburg-Lewiston.

Those eight new members were selected from 125 applicants, the second largest group of applicants in the 20 years of the council. The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 148 schools from 53 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 11 MHSAA sports, and six will be the first SAC members from their respective schools.

The Student Advisory Council generally meets eight times each school year, and once more for a 24-hour leadership camp. In addition to assisting in the promotion of the educational value of interscholastic athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

This school year, the Council handed out championship trophies at Finals events, led

Student Advisory Council Belief Statement

As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.

We believe athletes should be competitive, sportsmanlike and excel academically. We believe students in the stands should have fun, but not take the focus away from the game. We believe coaches should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that parents should always be positive role models and be supportive of their child's decisions. We believe officials commit their own time to high school sports and respect should always be shown and given to them.

The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.

sessions during four Sportsmanship Summits, provided feedback to the MHSAA Representative Council on proposed rule changes, worked on a mental health initiative, and wrote the script for a public service announcement on adult spectator sportsmanship that was included in broadcasts throughout the last school year.

The new additions to the SAC will join the Class of 2026 members who were selected a year ago: **Itzel Albarran**, Bronson; **Harper Barnhart**, Brownstown Woodhaven; **Diamond Cook**, Southfield Christian; **Henry Ewles**, Pontiac Notre Dame Prep; **Cole Haist**, Big Rapids; **Frannie Keeley**, Jenison; **Trey LaValley**, Romeo; and **Ethan Stine**, Bridgman.

MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, non-public schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

Finals Notes

Your Officials Today

Just as the participants on the teams at this year's Finals are realizing a dream of vying for top honors, another group of individuals are also reaching a goal for the hard work they have put in by being assigned to officiate the action.

Officials for MHSAA Finals are selected based on the recommendations and ratings by schools, as well as from input from local officials associations.

These officials believe that interscholastic athletics are truly educational in nature, and work to uphold that standard. Like the athletes in the Finals, officials come from all corners of Michigan.

Selected to work this year's Semifinals / Finals are: **Ray Bauer**, Newaygo; **Chris Calkins**, Muskegon; **Katherine Dolfman**, Delton; **David Dow**, Hancock; **Tina Hamp**, Caledonia; **Scott Heckman**, Coldwater; **Philip Hegg**, St Joseph; **Stephen Metzger**, Grand Blanc; **Bette Norman**, Bloomfield Hills; **William Pugh**, Detroit; **Andy Reyes**, Midland; **Daniel Silva**, Oak Park.

Congratulations to this year's Final officials. If you are interested in becoming a registered game official in any sport, contact the MHSAA at 1661 Ramblewood Drive, East Lansing, MI 48823, or register online at mhsaa.com.

Behind The Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, approximately 8,000 game officials and 50,000-plus administrators and coaches at over 1,500 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of District, Regional and Final level tournaments by school administrators who serve as the site managers for these games.

The behind the scenes work of these individuals and their staffs make sure that tournament competition is a memorable experience for the participants.

Finals Notes

Your Officials Today

Just as the participants on the teams at this year's Finals are realizing a dream of vying for top honors, another group of individuals are also reaching a goal for the hard work they have put in by being assigned to officiate the action.

Officials for MHSAA Finals are selected based on the recommendations and ratings by schools, as well as from input from local officials associations.

These officials believe that interscholastic athletics are truly educational in nature, and work to uphold that standard. Like the athletes in the Finals, officials come from all corners of Michigan.

Selected to work this year's Semifinals / Finals are: **Ray Bauer**, Newaygo; **Chris Calkins**, Muskegon; **Katherine Dolfman**, Delton; **David Dow**, Hancock; **Tina Hamp**, Caledonia; **Scott Heckman**, Coldwater; **Philip Hegg**, St Joseph; **Stephen Metzger**, Grand Blanc; **Bette Norman**, Bloomfield Hills; **William Pugh**, Detroit; **Andy Reyes**, Midland; **Daniel Silva**, Oak Park.

Congratulations to this year's Final officials. If you are interested in becoming a registered game official in any sport, contact the MHSAA at 1661 Ramblewood Drive, East Lansing, MI 48823, or register online at mhsaa.com.

Behind The Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, approximately 8,000 game officials and 50,000-plus administrators and coaches at over 1,500 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of District, Regional and Final level tournaments by school administrators who serve as the site managers for these games.

The behind the scenes work of these individuals and their staffs make sure that tournament competition is a memorable experience for the participants.
