

2023 GIRLS WRESTLING REGIONALS

In conjunction with the Michigan Wrestling Coaches Association (MWA), below are the tentative lists as to which Girls Individual Regional each school would be assigned based on the current number of girls entered into TrackWrestling, NOT current number of schools.

Schools listed in the **RED** column are assigned to the **RED Region(s)** while schools in the **BLUE** column would be assigned to the **BLUE Region(s)**.

Coaches will submit their female wrestlers for the Girls Individual Regional into their assigned Region (**RED** or **BLUE**) via **TrackWrestling** on **FRIDAY 2-10-23** (the same date and deadlines as coaches will submit their wrestlers for the Individual Wrestling Districts).

REMINDER: It is at this point where a female must choose if they would like to participate in the Girls Only Individual Regional, or the Individual District.

Once wrestlers are submitted into their assigned **RED** or **BLUE** Girls Regional via **TrackWrestling**, the total number of participants will be checked and it is at this time schools will be officially assigned to their SPECIFIC Region:

RED Regions: R1: Cadillac or R2: Grayling

BLUE Regions: B1: Groves or B2: Hartland

THESE SPECIFIC ASSIGNMENTS WILL BE POSTED ON MONDAY 2-13-23.
