

# 2024 GIRLS WRESTLING REGIONALS

## Click: REGIONAL RESULTS VIA TRACK WRESTLING

In conjunction with the **Michigan Wrestling Coaches Association (MWA)**, below are the tentative lists as to which Girls Individual Regional each school would be assigned based on the current number of girls entered into TrackWrestling, NOT the current number of schools.

- 1) Schools listed in the **RED** column are assigned to the **RED Regionals**, while schools in the **BLUE** column would be assigned to the **BLUE Regionals**.  
*If your school is not listed, it means you either did not have a female on your alpha master, or you did not respond to the survey asking if you will be submitting wrestlers. Let us know ASAP if your school is missing and needs to be added.*
- 2) Coaches will submit their female wrestlers for the Girls Individual Regional into their assigned Regional (**RED** or **BLUE**) via **TrackWrestling** on **FRIDAY, 2-9-24** (the same date and deadlines as coaches will submit their wrestlers for the Individual Wrestling Districts).
  - a. It is at this point where a female must choose if they would like to participate in the **Girls Only Individual Regional, OR the Individual District**. (They may NOT choose both).
  - b. A girl must have a high school RECORD for Girls Individual Regional tournament admission.
- 3) Once wrestlers are submitted to their assigned **RED** or **BLUE** Girls Regional via **TrackWrestling**, the total number of participants will be checked, and **IT IS AT THIS TIME SCHOOLS WILL BE OFFICIALLY ASSIGNED TO THEIR SPECIFIC REGIONS:**
  - a. **THESE SPECIFIC ASSIGNMENTS WILL BE POSTED ON MONDAY, 2-12-24.**
  - b. ADs will submit Master Eligibility lists to your assigned location once posted on 2-12-24.
  - c. Please do not assume which Regional your school will be assigned to prior to 2-12-24.
    - **RED Regions:**      **R1: Cadillac** OR **R2: Gull Lake**
    - **BLUE Regions:**    **B1: Howell** OR **B2: Birmingham Groves**
