

ADs and coaches. We are writing to you today with exciting news! With the continued growth in girls wrestling, we are at the point where we will conduct **Girls Only Individual Districts** prior to the Girls Only Individual Regional round. This Girls Only District event will utilize the same format as the traditional Individual Districts, with brackets that are much more manageable participant-wise. More details will be shared soon, but for planning purposes, we wanted to share basic information and assignments for schools so that they can make arrangements for those events.

Here are some of the quick details:

- **WHAT:** Girls Only Wrestling Individual Districts
- **WHEN:** 2-9-25
- **SUBMISSION:** Participants for the Girls Only Individual District will be submitted into TrackWrestling during the same window as the previous year, which was at the same time you submitted participants into the traditional District window.
 - o Deadline to submit is **NOON on Friday, 2-7-25.**
- **SEEDING:** Individual Girl's Districts have the same seeding options as traditional Districts. The host will decide the best time and method for hosting the seeding meeting. It could be held virtually on Friday night, virtually on Saturday night, or even on-site Sunday morning during/after weigh-ins.
- **FORMAT—TOURNAMENT:** The same format will be used for the Girls' Only Individual District as for the traditional Districts. The format used for the Girls' Only Regional will be the same as that used for the traditional Individual Regional (8-person brackets, seeded by formula [1 v 4, 2 v 3] from the Girls' Only Individual District).
- **DISTRICT & REGIONAL PAIRING:**
 - o Girls District #1 & Girls District #2 go to Girls Regional #1.
 - o Girls District #3 & Girls District #4 go to Girls Regional #2.
 - o Girls District #5 & Girls District #6 go to Girls Regional #3.
 - o Girls District #7 & Girls District #8 go to Girls Regional #4.
- **TIME:** The Girls Only District will begin wrestling at 10:30 AM to allow schools more time for travel. The tentative time schedule for the Girls Only Individual District is as follows:
 - o 8:30 AM Optional Inspection
 - o 9:00 AM Inspection / Weigh-in
 - o 9:30 AM Coaches Meeting
 - o 10:30 AM Wrestling Begins
- **PLACERS:** The top 4 placers from the Girls Only Individual District will qualify for the Girls Only Individual Regional, with the top 4 placers from each Girls Only Regional qualifying for the Individual Finals at Ford Field.
- **NOTE:** If, for some reason, you have girls wrestling and your school is not reflected on this list, contact the MHSAA as soon as possible.
